

## EchoStar Announces Financial Results for Three and Twelve Months Ended December 31, 2020

February 23, 2021

ENGLEWOOD, Colo., Feb. 23, 2021 /PRNewswire/ -- EchoStar Corporation (NASDAQ: [SATS](#)) today announced its financial results for the three and twelve months ended December 31, 2020.

### Three Months Ended December 31, 2020 Financial Highlights:

- Consolidated revenues of \$489.3 million.
- Net loss from continuing operations of \$2.6 million, consolidated net income attributable to EchoStar common stock of \$0.1 million, and diluted earnings per share of \$0.01.
- Consolidated Adjusted EBITDA of \$166.7 million (see discussion and the reconciliation of GAAP to this non-GAAP measure below).

### Twelve Months Ended December 31, 2020 Financial Highlights:

- Consolidated revenues of \$1,887.9 million.
- Net loss from continuing operations of \$51.9 million, consolidated net loss attributable to EchoStar common stock of \$40.2 million, and diluted loss per share of \$(0.41).
- Consolidated Adjusted EBITDA of \$642.9 million (see discussion and the reconciliation of GAAP to this non-GAAP measure below).

"2020 will go down in the history books as one of the most challenging on record, but it demonstrated the value of our service to businesses and families and brought out the very best of the EchoStar team," commented Michael Dugan, CEO and President of EchoStar. "Thanks to their efforts and accomplishments in every market sector, we delivered solid financial results and grew revenue, net income, and Adjusted EBITDA over 2019. We remain excited about our position in the industry and our ability to grow as the demand for connectivity continues to increase."

### Three Months Ended December 31, 2020 - Additional Information:

- Consolidated revenue was down \$9.7 million year over year primarily driven by lower equipment sales as well as an estimated negative foreign exchange impact of \$10.3 million.
- Adjusted EBITDA increased 7.0% or \$10.8 million year over year.
  - Hughes segment Adjusted EBITDA increased \$11.7 million year over year. The increase was driven primarily by the higher margin associated with the growth in our consumer broadband service and lower sales and marketing spend.
  - ESS segment Adjusted EBITDA was flat year over year.
  - Corporate and Other segment Adjusted EBITDA decreased by \$0.9 million year over year. The decrease was primarily due to higher spend on corporate development projects.
- Net loss from continuing operations was \$2.6 million, an improvement of \$53.7 million from last year. The change was primarily due to higher operating income of \$6.5 million, lower net interest expense of \$47.5 million driven primarily by \$58.5 million of interest expense accrued in the fourth quarter of 2019 related to our license fee dispute with the government of India, improvement in foreign currency transactions, net, of \$5.7 million, and higher gains on investments, net, of \$5.6 million. This was partially offset by higher income tax provision, net, of \$9.9 million.
- Total Hughes broadband subscribers are approximately 1,564,000 as of December 31, 2020. Subscribers in the US decreased by 27,000 to approximately 1,189,000. In Latin America, subscribers increased by 11,000 to approximately 375,000.
- Based on an updated schedule from Maxar, the Jupiter 3 satellite is expected to launch in the second half of 2022. In December 2020, we contracted for the launch of the satellite.
- For the three months ended December 31, 2020, approximately 69% of Hughes segment revenue was attributable to our consumer customers with approximately 31% attributable to our enterprise customers.
- Cash, cash equivalents and current marketable investment securities were \$2.5 billion as of December 31, 2020.
- In December 2020, we purchased 1,708,907 shares of our Class A common stock in the open market. From January 1, 2021 through February 11, 2021, we purchased 2,851,841 shares of our Class A common stock in the open market.

Set forth below is a table highlighting certain of EchoStar's segment results for the three and twelve months ended December 31, 2020 and 2019 (amounts in thousands) from continuing operations (all US GAAP amounts reference results from continuing operations):

**For the three months For the twelve months  
ended December 31, ended December 31,**

Adjusted EBITDA	\$166,721	\$155,886	\$642,915	\$582,768

#### **Note on Use of Non-GAAP Financial Measures**

EBITDA is defined as "Net income (loss)" excluding "Interest income, net," "Interest expense, net of amounts capitalized," "Income tax benefit (provision), net," "Depreciation and amortization," "Net income (loss) from discontinued operations," and "Net income (loss) attributable to non-controlling interests."

Adjusted EBITDA is defined as EBITDA excluding "Gains and losses on investments, net," "Foreign currency transaction gains (losses), net," and other non-recurring or non-operational items. EBITDA and Adjusted EBITDA are not measures determined in accordance with US GAAP. EBITDA and Adjusted EBITDA are reconciled to "Net income (loss)" in the table above and should not be considered in isolation or as a substitute for operating income, net income or any other measure determined in accordance with US GAAP. Our management uses EBITDA and Adjusted EBITDA as measures of our operating efficiency and overall financial performance for benchmarking against our peers and competitors. Management believes that these non-GAAP measures provide meaningful supplemental information regarding the underlying operating performance of our business and are appropriate to enhance an overall understanding of our financial performance. Management also believes that EBITDA and Adjusted EBITDA are useful to investors because they are frequently used by securities analysts, investors, and other interested parties to evaluate the performance of companies in our industry.

The consolidated financial statements of EchoStar for the periods ended December 31, 2020 and 2019 are attached to this press release. Detailed financial data and other information are available in EchoStar's Annual Report on Form 10-K for the period ended December 31, 2020 filed today with the Securities and Exchange Commission.

EchoStar will host a conference call and webcast to discuss its earnings on Tuesday, February 23, 2021 at 11:00 a.m. Eastern Time. The call-in numbers are (877) 815-1625 (toll-free) and (716) 247-5178 (international), Conference ID 9174397. The webcast will be available on EchoStar's investor relations website at [www.echostar.com](http://www.echostar.com).
