

## EchoStar Announces Financial Results for the Three Months Ended March 31, 2021

May 6, 2021

ENGLEWOOD, Colo., May 6, 2021 /PRNewswire/ -- EchoStar Corporation (NASDAQ: SATS) today announced its financial results for the three months ended March 31, 2021.

### Three Months Ended March 31, 2021 Financial Highlights:

- Consolidated revenues of \$482.6 million.
- Net income of \$77.6 million, consolidated net income attributable to EchoStar common stock of \$78.5 million, and basic and diluted earnings per share of \$0.84.
- Consolidated Adjusted EBITDA of \$185.7 million (see discussion and the reconciliation of GAAP to this non-GAAP measure below).

"I am pleased with the company's financial performance in the first quarter of 2021," commented Michael Dugan, CEO and President of EchoStar. "We grew revenue, net income, and Adjusted EBITDA over the same period last year by focusing on meeting our customers' needs for connectivity and prudently managing all areas of the business."

### Three Months Ended March 31, 2021 - Additional Information:

- Consolidated revenue increased 3.6% or \$16.9 million year over year primarily driven by higher sales of broadband services to our consumer customers. This increase included an estimated negative foreign exchange impact of \$5.9 million.
- Adjusted EBITDA increased 25% or \$37.1 million year over year.
  - Hughes segment Adjusted EBITDA increased \$39.7 million year over year. The increase was driven primarily by the higher gross margin associated with the growth in our consumer broadband service revenue and lower selling, general and administrative expenses.
  - ESS segment Adjusted EBITDA was essentially flat year over year.
  - Corporate and Other segment Adjusted EBITDA decreased by \$2.5 million year over year. The decrease was primarily due to lower equity in earnings of unconsolidated affiliates, net, and higher legal expense.
- Net income increased \$135.3 million to \$77.6 million. The increase was primarily due to higher operating income of \$42.9 million and higher gains on investments, net, of \$125.3 million, partially offset by higher income tax expense, net, of \$29.6 million.
- Total Hughes broadband subscribers are approximately 1,553,000 as of March 31, 2021. Subscribers in the US decreased by 25,000 to approximately 1,164,000. In Latin America, subscribers increased by 14,000 to approximately 389,000.
- For the three months ended March 31, 2021, approximately 70% of Hughes segment revenue was attributable to our consumer customers with approximately 30% attributable to our enterprise customers.
- Cash, cash equivalents and current marketable investment securities were \$2.3 billion as of March 31, 2021.
- For the three months ended March 31, 2021, we purchased 4,770,714 shares of our Class A common stock in open market trades.
- For the three months ended March 31, 2021, we purchased \$90.5 million of our 7.625% Sr. Unsecured Notes due June 2021 in open market trades.

Set forth below is a table highlighting certain of EchoStar's segment results for the three months ended March 31, 2021 and 2020 (amounts in thousands) (all US GAAP amounts reference results from operations):

	For the three months ended March 31,	
	2021	2020

Foreign currency transaction (gains) losses, net	4,069	10,844
Adjusted EBITDA	<u>\$ 185,741</u>	<u>\$ 148,637</u>

#### Note on Use of Non-GAAP Financial Measures

EBITDA is defined as "Net income (loss)" excluding "Interest income, net," "Interest expense, net of amounts capitalized," "Income tax benefit (provision), net," "Depreciation and amortization," and "Net income (loss) attributable to non-controlling interests."

Adjusted EBITDA is defined as EBITDA excluding Gains and losses on investments, net, Foreign currency transaction gains (losses), net, and other non-recurring or non-operational items. EBITDA and Adjusted EBITDA are not measures determined in accordance with US GAAP. EBITDA and Adjusted EBITDA are reconciled to Net income (loss) in the table above and should not be considered in isolation or as a substitute for operating income, net income or any other measure determined in accordance with US GAAP. Our management uses EBITDA and Adjusted EBITDA as measures of our operating efficiency and overall financial performance for benchmarking against our peers and competitors. Management believes that these non-GAAP measures provide meaningful supplemental information regarding the underlying operating performance of our business and are appropriate to enhance an overall understanding of our financial performance. Management also believes that EBITDA and Adjusted EBITDA are useful to investors because they are frequently used by securities analysts, investors, and other interested parties to evaluate the performance of companies in our industry.

The consolidated financial statements of EchoStar for the periods ended March 31, 2021 and 2020 are attached to this press release. Detailed financial data and other information are available in EchoStar's Quarterly Report on Form 10-Q for the period ended March 31, 2021 filed today with the Securities and Exchange Commission.

EchoStar will host a conference call to discuss its earnings on Thursday, May 6, 2021 at 11:00 a.m. Eastern Time. The conference call will be broadcast live in listen-only mode on EchoStar's investor relations website at [ir.echostar.com](http://ir.echostar.com). To ask a question, the dial in numbers are (833) 562-0124 (toll-free) and (661) 567-1102 (international), Conference ID 1976218.
