EchoStar Recognized as a Built In Best Place to Work for the Third Consecutive Year

January 7, 2025

DENVER, CO – January 7, 2025 – Built In today announced that EchoStar has been named one of Built In's Best Places to Work for the third year in a row. This year, EchoStar has been recognized for:

- 100 Best Large Places to Work in Colorado
- 100 Best Places to Work in Colorado
- 100 Best U.S. Large Companies to Work For

This prestigious recognition underscores EchoStar's ongoing commitment to fostering an exceptional workplace culture. The company's dedication to creating a supportive, growth-oriented environment continues to pay off, solidifying EchoStar's position as an employer of choice in the technology sector.

"This recognition as one of Built In's Best Places to Work for the third consecutive year is a true reflection of the extraordinary people who make up our organization," said Doug Balsbough, executive vice president and chief human resources officer, EchoStar Corporation. "We are deeply committed to creating a workplace where innovation thrives and employees feel supported, inspired, and empowered. Our team's passion and collaboration are the driving force behind our continued success, and we're proud to foster an environment where they can grow both personally and professionally."
