Boost Mobile Rated No. 1 in 5G Coverage and 5G Availability Across Seven Major U.S. Cities

May 22, 2025

Opensignal report confirms Boost Mobile's real-world 5G performance in major cities across the U.S.

LITTLETON, Colo., May 22, 2025 /PRNewswire/ -- Boost Mobile is setting a new benchmark for 5G performance. According to an independent report from Opensignal – the leading global provider of independent insights into consumers' connectivity experiences – Boost Mobile rated #1 in 5G coverage and 5G availability in seven major U.S. cities.[i] With these achievements, Boost Mobile now provides a greater connectivity experience for consumers in many of the nation's most populated, tech-forward markets. The findings underscore Boost Mobile's ability to deliver a fast, stable and accessible 5G experience in real-world conditions.

These latest network claims are a testament to Boost Mobile's investment in its next-generation standalone 5G Open RAN network, providing customers excellent coverage and access to the latest technology.

#1 in 5G Coverage and 5G Availability

Across Baltimore; Chicago; Durham, N.C.; Newark, N.J.; New Orleans; Jersey City, N.J.; and Washington, D.C. Boost Mobile is rated #1 in:

- 5G Coverage – Boost Mobile provided the broadest range of locations where subscribers with a compatible device experienced 5G connectivity.
- 5G Availability – Boost Mobile had the highest proportion of time when Opensignal users with a 5G device and a 5G subscription had an active 5G connection.

"Boost Mobile is thrilled to be recognized as a leading provider of 5G coverage and 5G availability across seven major U.S. cities," said Eben Albertyn, EVP and Chief Technology Officer, Boost Mobile. "Our 5G standalone Open RAN network is raising the bar when it comes to 5G connectivity across the country, bringing increased 5G coverage at an affordable price to more people."

Unmatched Value Meets Industry-Leading 5G

Boost Mobile's 5G leadership is available at a price that's hard to match: the Unlimited $25 a month plan[ii] – FOREVER – with no annual contracts.[iii] Whether it's about staying reliably connected, accessing 5G more often, or having strong service in more places, Boost Mobile is delivering 5G that simply works—when and where it matters most.

"Boost Mobile rated as number one in 5G coverage and 5G availability across these seven major cities is a milestone that reflects our commitment to putting customers first," said Sean Lee, SVP of Consumer Product and Marketing, Boost Mobile. "We're proving that you don't have to choose between top-tier network performance and affordability. With our $25 a /month Unlimited plan, customers get industry-leading 5G backed by unmatched value – forever."
