LITTLETON, Colo., Aug. 20, 2025 /PRNewswire/ -- The Google Pixel is available for the first time on the Boost Mobile Network. With a premium, durable design, a powerful camera, and advanced AI features powered by the Google Tensor G5 chip, the Pixel 10 lineup stands out as an exceptional option for today's users. Customers who sign up for the Boost Mobile Unlimited Premium plan ($60/mo.) and preorder one of the new Google Pixel 10 devices can get the Pixel 10 for just $299.99, the Pixel 10 Pro for $399.99 or the Pixel 10 Pro XL for $499.99, no contract or trade-in required. Starting today, customers can preorder the Google Pixel 10, Pixel 10 Pro or Pixel 10 Pro XL at BoostMobile.com.

"The Google Pixel is the latest device that has been certified on the Boost Mobile Network, and we are thrilled to bring the powerful new Pixel 10 device lineup to our customers," said Sean Lee, SVP of Consumer Product and Marketing, Boost Mobile. "With the incredible camera systems, the power of the Google Tensor G5 chip, and advanced AI features with Gemini built-in,[i] the Pixel 10 family of devices offers Boost Mobile customers an exceptional and innovative smartphone experience."

For customers looking to purchase the Google Pixel 10 lineup outright – Boost Mobile offers one year of FREE wireless service. This no contract plan is perfect for customers who want to own an unlocked device. The offer is available with the $25/mo. Unlimited plan or as a $25 off per-month discount on Boost Mobile's Unlimited+ and Unlimited Premium plans.

Key Features of the New Google Pixel 10

- **Google AI and Gemini[ii]:** Google AI on the Pixel 10 helps simplify your life and supercharge your creativity. Use it to brainstorm ideas, create new images, better manage your screenshots, control multiple apps with one command, and get helpful info before you even have to ask. Plus, Gemini Live takes the work out of communicating with friends and family. Instead of typing, use AI to have a natural, free-flowing conversation. Share your screen, or even add an image, file, or YouTube video for a more in-depth conversation.
- **Camera System**: Featuring an upgraded triple camera system, with a new 5x telephoto lens and Super Res Zoom up to 20x, the Pixel 10's 48 MP wide camera with HDR+ can capture clear, detailed images even in low light.[iii] The 10.5 MP selfie camera includes autofocus and a 95° field of view.[iv] The device also includes camera features like Night Sight for clear photos in low-light settings and Macro Focus to capture small details.

- **Design and Durability**: The Pixel 10 is crafted from premium, durable materials, including 100% recycled spacecraft-grade aluminum. It has an IP68 rating for dust and water protection and a scratch-resistant Corning® Gorilla® Glass Victus® 2 display. The device is designed to handle spills and drops. Plus, the Pixel 10's battery can last for more than 24 hours, and up to 100 hours with Extreme Battery Saver. It supports fast charging, reaching 55% in about 30 minutes with a Google 45W USB-C Charger.[v] The phone also features Pixelsnap magnetic technology for effortless wireless charging.
- **Display**: The Pixel 10 has a 6.3-inch Actua display with a peak brightness of 3,000 nits, which is designed for better readability outdoors. The display also has a refresh rate of up to 120Hz for smooth scrolling.
- **Safety and Security**: With seven years of OS and security updates the Pixel 10 protects users and their data.[vi] The device has a Personal Safety suite, which includes features like Emergency SOS and Car Crash Detection.[vii] It also has Scam Detection, which uses on-device AI to help detect suspicious conversation patterns in calls and texts.

The Google Pixel 10 is more than just a smartphone, it's a personal companion that adapts to your lifestyle. With exceptional cameras, smooth performance and commitment to security, the Google Pixel 10 makes an ideal choice for anyone looking to enhance their personal and professional digital life.
