

SUBJECT: Partner letter

Dear Partners,

Today, we have announced a transformative proposal to merge DISH with Sprint. In many ways, this significant milestone is the culmination of many years of work and billions of dollars in investment by DISH to enter the wireless arena.

Our bid for Sprint comes at a time of tremendous change and opportunity for both of our businesses. This combination will create the only company that possesses the spectrum portfolio and collection of owned network assets to provide customers a fully-integrated, nationwide bundle of in- and out-of-home video, broadband and voice services. This unique, combined company will have a leadership position in video, data and voice and the necessary broadband spectrum to provide customers with rich content everywhere, all the time.

Together, we'll be able to offer compelling bundles and new services, which leverage the best assets and talents of our respective companies. We envision an opportunity to market DISH to Sprint's 46-million-plus customer base, and Sprint to DISH's 14-million-plus customer homes.

We encourage you to visit our dedicated transaction microsite, www.CompleteDishSolution.com, which contains transaction details and provides a central forum where you can monitor developments.

We are confident our proposed merger presents significant growth opportunities for all involved and we are ready, willing and excited to lead the way forward.

Respectfully,

Sending Executive
