**Communication to DISH employees from Joe Clayton, DISH President and Chief Executive Officer
May 29, 2013**

Fellow Employees,

I hope you all had an enjoyable Memorial Day weekend, and you all had time to spend with your family, friends and loved ones. For me, Memorial Day weekend marks the unofficial beginning of summer, and I am especially looking forward to the warmer months, and the exciting opportunities ahead of us at DISH.

At last week's ATM, hosted by our wonderful team members in El Paso, I discussed our newest thrilling promotion. New customers who sign up for a two-year agreement on a qualifying package will be able to get an iPad 2 with their Hopper with Sling® from now through the end of summer. It enables customers to take advantage of some of the Hopper with Sling's most exciting features such as DISH Anywhere™, the transfer feature for offline viewing, and our innovative apps. These features provide a rich entertainment experience that only DISH can provide!

If you have not seen the new iPad promotional commercial, featuring the Boston Guys, you can view it here.

If you missed last week's ATM, the recording is available here on The Hop.

On another note, we are committed to our proposed merger with Sprint, and are working hard to make this transformative proposal a reality. We will continue to share with you all updates when it is appropriate, and we are able. In the meantime, it is important we all stay focused on customers and executing our work with excellence and pride.

Here is to winning this summer!

Joe C.
