State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In preparing its year-end financial statements to be included in its Annual Report on Form 10-K for the year ended December 31, 2011 (the "Form 10-K"), EchoStar Corporation (the "Company") has completed the preparation of its 2011 consolidated financial statements with the exception of certain components related to the 2011 provision for income taxes, including certain current and deferred tax balances as of December 31, 2011. The completion of the income tax provisions has been affected by, among other things, the Company's acquisition during 2011 of Hughes Communications, Inc. and its subsidiaries. Because the income tax provision work is not complete, management has determined that additional time will be required to ensure the accuracy and completeness of the income tax provisions. As a result, the Company was not able to file the Form 10-K by February 29, 2012. The Company expects to file the Form 10-K as soon as practicable and within the time period permitted by Rule 12b-25.

The Company's results of operations for the year ended December 31, 2011 reflect changes from its results of operations for the year ended December 31, 2010. On February 23, 2012, pursuant to Item 2.02 in the Company's Current Report on Form 8-K, the Company furnished certain preliminary unaudited 2011 results to the Securities and Exchange Commission (the "Form 8-K"). As set forth in the Form 8-K, the Company reported preliminary unaudited income before income taxes of \$26 million for the year ended December 31, 2011, compared with income before income taxes of \$289 million for the year ended December 31, 2010.
