Securities Entitled to Vote

This Proxy Statement is being sent or provided on or about March 17, 2022, to holders of record at the close of business on March 2, 2022 (the “Record Date”) of our Class A common stock, par value \$0.001 per share (the “Class A Shares”), and our Class B common stock, par value \$0.001 per share (the “Class B Shares”). Only shareholders of record at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement of the Annual Meeting.

If your shares are registered directly in your name with us or with our transfer agent, Computershare Trust Company, N.A., you are considered the “shareholder of record” with respect to those shares. Shareholders of record receive this Proxy Statement and the accompanying Annual Report and the proxy card directly from us. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” with respect to those shares. Your broker, bank or other nominee, who is considered the shareholder of record for such shares, should have forwarded the Notice of Internet Availability of Proxy Materials to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by completing the voting instruction form.

At the close of business on the Record Date, 38,128,605 Class A Shares and 47,687,039 Class B Shares were outstanding. Each of the Class A Shares is entitled to one vote per share on each proposal to be considered by our shareholders. Each of the Class B Shares is entitled to ten votes per share on each proposal to be considered by our shareholders.

A complete record of the shareholders entitled to vote at the Annual Meeting will be available at our headquarters at 100 Inverness Terrace East, Englewood, Colorado 80112 for inspection by any shareholder for any purpose germane to the Annual Meeting for a period of at least ten days prior to the Annual Meeting during normal business hours, and at any time during the Annual Meeting. Proxies that are properly delivered to us and not revoked before the closing of the polls during the Annual Meeting will be voted with respect to the proposals described in this Proxy Statement in accordance with the instructions set forth in those proxies. If any other matter is properly presented at the Annual Meeting, the persons named in the accompanying proxy card will have discretionary authority to vote on that matter. If your shares are held in a stock brokerage account or by a bank or other nominee, please follow the instructions you receive from your broker, bank or other nominee in order to vote your shares.

You may also revoke your proxy by submitting a proxy with a later date than your original proxy or by voting at the Annual Meeting. Your presence at the Annual Meeting does not by itself revoke your proxy.

An online portal is available to shareholders at www.proxyvote.com where shareholders of record as of the Record Date can view and download our proxy materials and 2021 Annual Report and vote their shares in advance of the Annual Meeting. Shareholders of record as of the Record Date may vote their shares during the Annual Meeting (up until the closing of the polls) by following the instructions available at www.virtualshareholdermeeting.com/SATS2022.

Whether or not you plan to attend the Annual Meeting, we urge shareholders of record as of the Record Date to vote and submit their proxy in advance of the Annual Meeting using one of the methods described above.

Access to the Audio Webcast of the Annual Meeting

All of our shareholders of record at the close of business on the Record Date, or their duly appointed proxies, may attend the Annual Meeting. The live webcast of the Annual Meeting will begin promptly at 11:30 a.m., Mountain Time. Online access to the webcast will open 15 minutes prior to the start of the Annual Meeting to allow time for everyone to log in and test their device's audio system. We encourage everyone to access the webcast in advance of the designated start time.

Log-In Instructions:

- *Non-Shareholders:* Non-shareholders may attend the Annual Meeting but will not have the ability to vote or ask a question. Non-Shareholders will log in to www.virtualshareholdermeeting.com/SATS2022 providing the information listed on the Web portal.

Technical Assistance: Beginning 15 minutes prior to, and during, the Annual Meeting, we will have support available to assist anyone with any technical difficulties they may have accessing or hearing the virtual meeting.

Quorum

In accordance with our Articles of Incorporation (as amended, our "Articles of Incorporation"), the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of our voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions from voting on a proposal by a shareholder at the Annual Meeting, as well as broker non-votes, will be considered for purposes of determining the number of total votes present at the Annual Meeting in order to determine whether a quorum is present.

Vote Required

The affirmative vote of a plurality of the total votes cast for directors at the Annual Meeting is necessary to elect a director (Proposal 1). No cumulative voting is permitted. The eight nominees receiving the highest number of votes cast "for" the nominee will be elected. If you withhold your vote, it will have no effect on the election of directors.

The affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote on the matter is necessary to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2022 (Proposal 2).

Treatment of Abstentions and Broker Non-Votes

Abstentions from voting on a proposal by a shareholder at the Annual Meeting, as well as broker non-votes, will be considered present at the Annual Meeting for determining whether a quorum exists at the Annual Meeting. Abstentions will have the same effect as votes "against" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2022 (Proposal 2).

A broker non-vote occurs when shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from the beneficial owner. If a beneficial owner does not instruct a broker how to vote, the broker will only have discretion to vote such beneficial owner's shares on "routine" matters. If a proposal is not "routine," a broker who has not received instructions from the beneficial owner as to how to vote their

shares does not have discretion to vote such shares on that proposal. At our Annual Meeting, only the ratification of the appointment of our independent registered public accounting firm (Proposal 2) is considered a “routine” matter. All other proposals are not considered “routine,” and brokers holding the shares of beneficial owners will not have discretion to vote on these proposals if they have not received voting instructions from such beneficial owners.

Broker non-votes are not considered shares entitled to vote and therefore will have no effect on the election of directors (Proposal 1).

Submitting Questions; Rules of Conduct

Beginning 15 minutes prior to, and during, the Annual Meeting, shareholders of record as of the Record Date can view our Agenda and the Rules of Conduct for the Annual Meeting, and submit questions at www.virtualshareholdermeeting.com/SATS2022.

After the business portion of the Annual Meeting concludes and the meeting is adjourned, we will hold a question and answer session during which we intend to answer questions submitted during the Annual Meeting that are pertinent to the items being brought before the shareholder vote at the Annual Meeting, as time permits and in accordance with our Rules of Conduct for the Annual Meeting.

Householding

We have adopted a procedure approved by the Securities and Exchange Commission (the “SEC”) called “householding,” whereby multiple shareholders sharing the same address may receive a single copy of our Annual Report, Proxy Statement or Notice of Internet Availability of Proxy Materials, unless one or more of these shareholders notifies Broadridge Financial Solutions, Inc. at the address or telephone number below that they wish to continue receiving individual copies, in which case, we will deliver promptly a separate copy of our Annual Report, Proxy Statement or Notice of Internet Availability of Proxy Materials, as applicable, to each such shareholder. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other shareholders with whom you share an address currently receive multiple copies of our Annual Report, Proxy Statement and/or Notice of Internet Availability of Proxy Materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of our Annual Report, Proxy Statement or Notice of Internet Availability of Proxy Materials for your household, please contact Broadridge Financial Solutions, Inc. at 51 Mercedes Way, Edgewood, NY 11717 or (800) 542-1061.

Some of our directors are employees of the Corporation and/or our subsidiaries. We refer to these directors as “employee directors.” Our employee directors are not compensated for their services as directors. Our non-employee directors also receive a \$1,000 cash payment for each meeting attended in person and a \$500 cash payment for each meeting attended remotely, provided that, if there is more than one meeting of the Board of Directors or its committees on the same day, then the applicable non-employee director is only entitled to receive compensation for attendance at a single meeting. Additionally, any non-employee director who is the chair of a committee of the Board of Directors receives a \$5,000 annual cash retainer, which is paid in equal quarterly installments, provided such person is the chair of the committee on the last day of the applicable calendar quarter. Incentive Compensation

Non-employee Director Stock Option Plan

In 2008, we adopted our Amended and Restated 2008 Non-Employee Director Stock Option Plan (the “2008 Director Plan”), pursuant to which we have granted options to our non-employee directors. In 2017, we adopted our 2017 Non-Employee Director Stock Incentive Plan, and amended it in 2021 to increase the amount of shares of our common stock available for issuance (as amended, the “2017 Director Plan”), pursuant to which we have granted and continue to grant options and other equity awards to our non-employee directors. We have not granted any options under the 2008 Director Plan after May 2, 2017. We refer to our 2008 Director Plan and 2017 Director Plan as the “Director Plans.”

The purpose of the Director Plans is to advance our interests through the motivation, attraction and retention of highly-qualified non-employee directors. Upon initial election or appointment to our Board of Directors as a non-employee director, our non-employee directors are granted a fully vested option to acquire 10,000 Class A Shares with a grant date on the first day of the calendar quarter following the quarter in which such person is so initially elected or appointed to the Board of Directors. In our discretion, we may also grant non-employee directors further options to acquire our Class A Shares or other equity awards. Options we have granted under our Director Plans are 100% vested upon issuance and have a term of five years. As of December 31, 2021, 91,493 of our Class A Shares were available for issuance under the 2008 Director Plan and 281,716 of our Class A Shares were available for issuance under the 2017 Director Plan.

The following options were granted to our non-employee directors pursuant to the Director Plans and were outstanding as of December 31, 2021:

CORPORATE GOVERNANCE

Board of Directors Information

Our Board of Directors held four meetings in 2021 and took action by unanimous written consent four times during 2021. During 2021, each of our directors attended 100% of: (i) the total number of meetings of the Board held during the period in which such person was a director and from which such person was not recused, and (ii) the total number of meetings held by all committees of the Board on which such director served. In addition, our non-employee directors held four executive sessions in 2021.

Directors are elected annually and serve until their successors are duly elected and qualified or their earlier resignation or removal. Officers serve at the discretion of the Board.

Charles W. Ergen, our Chairman, and certain entities established for the benefit of his family beneficially own equity securities representing approximately 93.0% of the total voting power of all classes of our outstanding shares as of the Record Date, and through such beneficial ownership Mr. Ergen and such entities have the ability to elect a majority of our directors and to control all other matters requiring the approval of our shareholders. See “Equity Security Ownership and Related Matters” below. We are a “controlled company” within the meaning of NASDAQ rules. Therefore, we are not subject to the NASDAQ listing requirements that would otherwise require us to have: (i) a Board of Directors composed of a majority of independent directors; (ii) a nominating committee composed solely of independent directors; (iii) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; (iv) a compensation committee charter that provides the compensation committee with the authority and funding to retain compensation consultants and other advisors; and/or (v) director nominees selected, or recommended for the Board’s selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Committee Information

The Board has created an Executive Compensation Committee of the Board of Directors (the “Compensation Committee”), an Audit Committee of the Board of Directors (the “Audit Committee”), a Nominating Committee of the Board of Directors (the “Nominating Committee”), a Non-Interlocking Directors Committee of the Board of Directors (the “Non-Interlocking Committee”) and a Strategy Committee of the Board of Directors (the “Strategy Committee”). The Compensation, Audit and Nominating Committees are composed entirely of independent directors under applicable rules, the Non-Interlocking Committee is composed of members of the Board who are not also directors or employees of DISH and/or its subsidiaries, and the Strategy Committee is composed of at least two independent directors. The function and authority of each of the committees of our Board of Directors are described below. The charters of our Compensation, Audit, Nominating and Strategy Committees are available on our website at <http://www.echostar.com>.

Compensation Committee. The Compensation Committee operates under a charter adopted by the Board. The principal functions of the Compensation Committee are, to the extent the Board deems necessary or appropriate, to: (i) make and approve all option grants and other issuances of EchoStar’s equity securities to EchoStar’s executive officers and Board members other than non-employee directors; (ii) approve all other option grants and issuances of EchoStar’s equity securities, and recommend that the full Board make and approve such grants and issuances; (iii) establish in writing all performance goals for performance-based compensation, which together with other compensation to senior executive officers could exceed \$1 million annually, other than standard stock incentive plan options that may be paid to EchoStar’s executive officers, and certify the achievement of such goals prior to payment; and (iv) set the compensation of our Chairman, Mr. Ergen.

The Compensation Committee held four meetings and took action by unanimous written consent once during 2021. The current members of the Compensation Committee are Ms. Hershman and Mr. Schroeder, with Ms. Hershman currently serving as Chair. The Board has determined that each member of the Compensation Committee meets applicable independence requirements. A report of the Compensation Committee is set forth below on page 24 of this Proxy Statement.

Audit Committee. Our Board has established a standing Audit Committee in accordance with NASDAQ rules and Section 10A of the Securities Exchange Act of 1934 (as amended, the “Exchange Act”) and related SEC rules and regulations. The Audit Committee operates under a charter adopted by the Board. The principal functions of the Audit Committee are to: (i) select the independent registered public accounting firm and set their compensation; (ii) select the internal auditor and approve his or her compensation; (iii) review and approve management’s plan for engaging our independent registered public accounting firm during the year to perform non-audit services and consider what effect these services will have on the independence of our independent registered public accounting firm; (iv) review our annual financial statements and various other financial reports that require approval by the Board;

(v) oversee the integrity of our financial statements, our systems of disclosure and internal controls, our compliance with legal and regulatory requirements, and cybersecurity risk management; (vi) review and approve the scope of our independent registered public accounting firm's audit plans and the results of their audits; and (vii) evaluate the performance of our internal audit function and the independent registered public accounting firm.

The Audit Committee held four meetings and took action by unanimous written consent once during 2021. The current members of the Audit Committee are Ms. Hershman and Messrs. Schroeder, Tarr and Wade, with Mr. Schroeder currently serving as Chair. The Board has determined that each member of our Audit Committee meets applicable independence requirements. The Board has also determined that each member of our Audit Committee is financially literate and has designated Mr. Tarr as our "audit committee financial expert" as defined by applicable SEC rules and regulations. A report of the Audit Committee is set forth below on page 38 of this Proxy Statement.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board. The principal function of the Nominating Committee is to identify, review and recommend independent director nominees for selection by the Board and to consider all director nominees in light of the entirety of their credentials. The Nominating Committee held two meetings and took action by unanimous written consent once during 2021. The current members of the Nominating Committee are Ms. Hershman and Messrs. Schroeder, Tarr and Wade, with Mr. Wade currently serving as Chair. The Board has determined that each member of the Nominating Committee meets applicable independence requirements.

Non-Interlocking Committee. The principal function of the Non-Interlocking Committee is to review certain related party transactions between the Corporation and/or its subsidiaries and DISH and/or its subsidiaries in accordance with the Corporation's related party transaction policy adopted by the Board. The Non-Interlocking Committee held four meetings and took action by unanimous written consent once during 2021. The current members of the Non-Interlocking Committee are Ms. Hershman and Messrs. Dodge, Dugan, Kaul, Schroeder, Tarr and Wade. There is no formal chair of the Non-Interlocking Committee.

Strategy Committee. The Strategy Committee operates under a charter adopted by the Board. The principal function of the Strategy Committee is to assist the Board in carrying out its oversight responsibilities related to business strategy and/or potential strategic transactions, arrangements or undertakings of the Corporation. The Strategy Committee held two meetings and did not take action by written consent during 2021. The current members of the Strategy Committee are Ms. Hershman and Messrs. Tarr and Wade, with Mr. Tarr currently serving as Chair.

Board Criteria and Board Selection Process

The Nominating Committee considers candidates suggested by its members, other directors, senior management, shareholders and others, as appropriate. No search firms or other advisors were retained to identify prospective director nominees during the past fiscal year. In considering whether to recommend prospective director nominees for selection by the Board, the Nominating Committee considers the entirety of the prospective nominees' credentials, including, but not limited to, the following factors: (i) their reputation and character; (ii) their ability and willingness to devote sufficient time to Board duties; (iii) their educational background; (iv) their business and professional achievements, experience and industry background; (v) as applicable, their independence from management under applicable listing standards and the Corporation's governance guidelines; and (vi) the needs of the Board and the Corporation. We do not have a formal policy as it relates to diversity with respect to director nominations; however, our practice is to seek diversity in experience, knowledge, viewpoints and abilities on the Board, recognizing that our business and operations are diverse and global in nature. The Nominating Committee does not assign specific weight to any particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Corporation believes, however, that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Nominating Committee and Board recognize the importance of diversity in director nominees with respect to professional experience, areas of expertise, background, viewpoints, skills, race, gender and national origin and generally consider such factors when identifying and evaluating director nominees and candidates. The Nominating Committee recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of experience, knowledge and abilities required for the Board as a whole and contains at least the minimum number of independent directors required by applicable laws and regulations.

The Nominating Committee has not adopted a written policy with respect to the consideration of candidates proposed by shareholders or others or with respect to nominating anyone to our Board other than independent directors. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Corporation's Secretary or any member of the Nominating Committee in writing, in accordance with the process described in "Shareholder Communications" below, with whatever supporting material the shareholder considers appropriate. The Nominating Committee will consider whether to nominate any person nominated by a shareholder pursuant to and in accordance with the provisions of the Corporation's bylaws relating to shareholder nominations.

Board Leadership Structure

The Board currently separates the role of Chairman of the Board from the role of Chief Executive Officer, with Mr. Charles W. Ergen serving as Chairman and Mr. Michael T. Dugan serving as Chief Executive Officer and President of the Corporation. Mr. Dugan is responsible for the day-to-day management of the Corporation and Mr. Ergen provides overall and strategic leadership to the Board. Among other things, separation of these roles allows our Chief Executive Officer and other members of senior management to focus on our day-to-day business, while at the same time the Board is able to take advantage of the unique blend of leadership, experience and knowledge of our industry and business that Mr. Ergen brings to the role of Chairman in providing guidance to, and oversight of, management.

Along with the separation of the Chairman of the Board and Chief Executive Officer roles, we established a Strategy Committee of the Board in 2020 to assist in identifying strategic priorities and working with management to develop and execute on the strategic direction and initiatives of the Corporation and associated risks.

We believe this leadership structure is appropriate for the Corporation and in the best interest of our shareholders because, among other reasons, it allows us to efficiently develop and implement corporate strategy that is consistent with the Board's oversight role, while facilitating strong day-to-day executive leadership.

The Board's Role in Risk Oversight

The Board has ultimate responsibility for oversight of the Corporation's risk management processes. The Board discharges this oversight responsibility itself or by using its committees through regular reports received from, and discussions with, senior management on areas of material risk exposure to the Corporation. These reports and Board or committee discussions include, among other things, operational, financial, legal, regulatory, physical, strategic, cybersecurity and human capital risks. Additionally, the Corporation's risk management processes are intended to identify, manage and control risks so that they are appropriate considering the Corporation's scope, operations and business objectives. The Board (or appropriate committee in the case of risks in areas for which responsibility has been delegated to or is handled by a particular committee) engages with the appropriate members of senior management to enable its members to understand and provide input to, and oversight of, our risk identification, risk management and risk mitigation strategies. The Audit Committee meets regularly in executive session without management present to, among other things, discuss the Corporation's risk management culture and processes. As part of its charter, our Audit Committee is responsible for discussing the Corporation's policies with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Corporation. When a committee receives a report from a member of management regarding areas of risk, the chair of the relevant committee is expected to report on the discussion to the Board to the extent necessary or appropriate.

This enables the Board to coordinate risk oversight, particularly with respect to interrelated or cumulative risks that may involve multiple areas for which more than one committee has responsibility. The Board and the Audit Committee also have authority to engage external advisors as necessary. A discussion of our risk assessment of compensation programs and practices is described in “Risk Assessment” in the Compensation Discussion and Analysis section on page 24 of this Proxy Statement.

The Board’s Role in Cybersecurity Risk Oversight

Cybersecurity risk management is an important focus of our Board and the Audit Committee. As part of its oversight of risk management, the Audit Committee is briefed regularly by the Corporation’s chief information security officer and other members of management and has met with third-party experts regarding cybersecurity and other security risks. We regularly review and revise our relevant policies and procedures, invest in and maintain internal resources, personnel and systems and review, modify and supplement our defenses through the use of various services, programs and outside vendors. We also maintain agreements with third-party vendors and experts to assist in our remediation and mitigation efforts if we experience or identify a material incident or threat.

Other Information about Our Board of Directors

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is composed solely of directors that meet the applicable independence and non-employee director requirements of NASDAQ and SEC rules and regulations. None of these individuals was an officer or employee of EchoStar or our subsidiaries or DISH or its subsidiaries at any time during the 2021 fiscal year. During the 2021 fiscal year, no executive officer of EchoStar served on: (i) the compensation committee of another entity, one of whose executive officers served on our Compensation Committee, (ii) the board of directors of another entity, one of whose executive officers served on our Compensation Committee, or (iii) the compensation committee of another entity, one of whose executive officers served on our Board of Directors.

INFORMATION REGARDING CHIEF EXECUTIVE OFFICER PAY RATIO

The pay ratio rules under the Dodd-Frank Wall Street Reform and Consumer Protection Act and related regulations (the “Pay Ratio Rules”) require us to provide the following information about the relationship of the median annual total compensation of our employees and the annual total compensation of our Chief Executive Officer, Mr. Dugan.

For 2021, our last completed fiscal year:

- the median of the annual total compensation of our employees (other than our Chief Executive Officer) was \$112,859; and
- the annual total compensation of our Chief Executive Officer was \$1,775,101 (See “Summary Compensation Table” below).

Accordingly, the ratio of the annual total compensation of Mr. Dugan, our Chief Executive Officer, to the median annual total compensation of our employees was 16 to 1 for 2021.

This pay ratio is a reasonable estimate calculated in a manner consistent with the Pay Ratio Rules based on our payroll and employment records and the methodology described below. The Pay Ratio Rules for identifying the median employee and calculating the pay ratio based on that employee’s annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

Under the Pay Ratio Rules, we were required to identify the median employee by use of a “consistently applied compensation measure,” or CACM. We chose a CACM that closely approximates the annual total direct compensation of our employees. We identified our median employee using this metric as of December 31, 2019 and elected to use the same median employee for 2021. We believe that our overall employee base composition has remained consistent and our employee compensation philosophy and structure have not changed; therefore, it is appropriate to use the same employee. Specifically, we determined that our “median employee” was a full-time, salaried employee located in the United States. That employee had wages as reflected in our payroll records for the 12-month period ending December 31, 2021 in the amount of \$112,859. As permitted by the Pay Ratio Rules, our payroll records do not include certain elements of compensation. We identified and calculated the elements of such employee’s compensation for 2021 in accordance with the requirements of the Pay Ratio Rules. See “Summary Compensation Table” below for the annual total compensation of our Chief Executive Officer.

As of December 31, 2021, our total employee population consisted of 2,448 individuals, with 590 of our employees being located in foreign countries. Approximately 76% of our employees were located in the United States, 8% were located in Brazil, 7% were located in India, 4% were located in Europe (primarily in the United Kingdom and Germany), and 5% were located in various other countries worldwide. As permitted by the Pay Ratio Rules, we excluded employees located in the following foreign countries: 11 employees in Chile, 25 employees in Colombia, 4 employees in Ecuador, 4 employees in Indonesia, 8 employees in Italy, 23 employees in Mexico, 18 employees in Peru, 7 employees in Russia, 1 employee in Saudi Arabia and 15 employees in the United Arab Emirates. After taking into consideration these adjustments, our adjusted employee population consisted of 2,332 individuals as of December 31, 2021.

This information is being provided for compliance purposes. Neither the Compensation Committee nor management of EchoStar used the pay ratio measure in making compensation decisions.

Mr. Ergen’s beneficial ownership of Class A Shares excludes 1,640 Class A Shares held by certain trusts established by Mr. Ergen for the benefit of his family. Because each Class B Share is convertible on a one-for-one basis into a Class A Share, assuming conversion of all outstanding Class B Shares into Class A Shares and giving effect to the exercise of options held by Mr. Ergen that are either currently exercisable as of, or may become exercisable within 60 days after, the Record Date, the percentage of Class A Shares that Mr. Ergen may be deemed to beneficially own would be approximately 58.4%.

Mrs. Ergen’s beneficial ownership of Class A Shares excludes 1,640 Class A Shares held by certain trusts established by Mr. Ergen for the benefit of his family. Because each Class B Share is convertible on a one-for-one basis into a Class A Share, assuming conversion of all outstanding Class B Shares into Class A Shares and giving effect to the exercise of options held by Mrs. Ergen that are either currently exercisable as of, or may become exercisable within 60 days after, the Record Date, the percentage of Class A Shares that Mrs. Ergen may be deemed to beneficially own would be approximately 58.2%. Mrs. Ergen exercises voting power with respect to Telluray Holdings and each of the 2020 March GRAT, the 2020 June GRAT, the 2020 December GRAT and the 2021 June GRAT independently and, with respect to the 2020 March GRAT, the 2020 June GRAT, the 2020 December GRAT and the 2021 June GRAT, in accordance with her fiduciary responsibilities to the beneficiaries of such trusts. Mrs. Ergen exercises dispositive power with respect to each of the 2020 March GRAT, the 2020 June GRAT, the 2020 December GRAT and the 2021 June GRAT independently and in accordance with her fiduciary responsibilities to the beneficiaries of such trusts.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (“CD&A”) addresses our compensation objectives and policies for our NEOs, the elements of NEO compensation and the application of those objectives and policies to each element of compensation for our NEOs for fiscal year 2021.

Our NEOs in 2021 were Messrs. Michael T. Dugan, Anders N. Johnson, Pradman P. Kaul, Dean A. Manson and David J. Rayner. All of our NEOs were employed and solely compensated by EchoStar during 2021. None of our NEOs are currently party to an employment agreement with us. Mr. Kaul entered into an agreement regarding his employment with Hughes prior to our acquisition of all of the outstanding equity of Hughes Communications in 2011 (the “Hughes Acquisition”) and that agreement expired in accordance with its terms on April 1, 2021 (the “Expired Kaul Employment Agreement”), after which date, Mr. Kaul’s employment by Hughes or any of its affiliates is at-will employment.

Overall Executive Compensation Program Objectives and Policies

Compensation Philosophy

Our executive compensation program was guided by the following key principles in 2021:

- attraction, retention and motivation of executive officers;
- recognition of management effectiveness and individual executive performance;
- recognition of the achievement of company-wide, business group and individual performance goals, if any; and
- creation of shareholder value by aligning the interests of management and shareholders through equity and cash incentives.

General Compensation Levels

The total compensation opportunities, both base salaries and incentives, offered to our NEOs have been designed to ensure that, for each executive as appropriate, they are competitive and support our executive recruitment, retention and motivation objectives, reward individual, group and company-wide performance and contribute to our success by aligning the interests of our executive officers and shareholders.

In determining the overall compensation of our NEOs, the Corporation considers the subjective recommendations of our Chairman, Mr. Ergen, and our Chief Executive Officer and President, Mr. Dugan (other than with respect to his compensation), and the subjective determinations of the Compensation Committee, all of which may take into account one or more of the following factors: (i) information described in “Compilation of Certain Peer Group Data” below and other information obtained from media reports or other generally available sources related to executive compensation information, (ii) the executive’s performance and contributions and/or considerations of retention, including, without limitation, the executive’s success in achieving individual, business group and company-wide goals and the extent to which the executive’s individual efforts contributed to and/or resulted in increases in corporate, division, department or individual success, (iii) whether the performance goals of any short-term or long-term incentive plans were met and the payouts that would become payable upon achievement of those performance goals, (iv) the value of historic and current components of each NEO’s compensation, including the base salary and any bonus or incentive compensation paid to the NEO in the prior year, (v) the value of equity awards previously granted to the executive, (vi) our and our subsidiaries’ overall financial and business performance, (vii) if applicable, the performance of the NEO’s business unit, (viii) the rate of standard annual merit increases for employees who are performing at a satisfactory level, (ix) the expected compensation to be paid to other senior officers in the applicable year, (x) whether the NEO was promoted or newly hired in the prior or applicable year, and (xi) equity awards that would normally be granted upon a promotion in accordance with our policies for promotions. This approach to general compensation levels is not formulaic or standard and does not utilize formalized benchmarking, and the weight given to any particular factor in determining a particular NEO’s compensation depends on the subjective consideration of all factors described above in the aggregate.

With respect to equity incentive compensation, we generally believe that our NEOs should have appropriate incentives tied to the performance of our Class A Shares. Therefore, we may grant equity awards to a particular NEO in a given year based on a number of subjective criteria, including, without limitation, the value of equity awards previously granted to the NEO, if a substantial portion of the NEO’s equity incentives are vested and the underlying stock is capable of being sold, the amount of equity incentives and/or severance benefits of an NEO in a particular year, whether an NEO has recently been promoted, an NEO’s position and role in our success and whether an NEO has made any exceptional contributions to our success.

Mr. Ergen recommends, the Compensation Committee reviews and discusses and the Board of Directors ultimately approves the base salary compensation of Mr. Dugan. Messrs. Ergen and Dugan recommend, the Compensation Committee reviews and discusses and the Board of Directors ultimately approves the base salary compensation of our other NEOs. After considering these recommendations and other considerations discussed above, the Board of Directors determines the annual base salary for each NEO. The Compensation Committee also makes and approves grants of options and other equity-based compensation to our NEOs, if any. Pursuant to the EchoStar Corporation Amended and Restated Executive Officer Bonus Incentive Plan (as amended from time to time, the “Executive Officer Bonus Incentive Plan”), the Compensation Committee also determines and establishes applicable payout targets and performance metrics for the payment of short-term cash incentive awards, determines whether and to what extent such performance metrics have been met for each NEO for a particular year and approves short-term cash incentive awards. The Compensation Committee and the Board of Directors place substantial weight on Mr. Ergen’s recommendations regarding all compensation matters in light of his role as Chairman and as our controlling shareholder.

Compilation of Certain Peer Group Data

In connection with our 2021 executive officer compensation, management reviewed compensation components for the named executive officers of Eutelsat S.A., Inmarsat plc and ViaSat, Inc., companies with similar industry characteristics to us, as disclosed in their respective publicly-filed proxy statements (the “Peer Group Data”). Along with the Peer Group Data, compensation data from technology companies with similar attributes provided in the Radford 2021 Global Technology Compensation Survey, as well as media reports and other generally available sources related to executive compensation, were used solely as a subjective frame of reference, rather than for benchmarking compensation for the NEOs. We do not utilize a formulaic or standard, formalized benchmarking level or element in setting our executive compensation relative to that of other companies.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986 (as amended, the “Internal Revenue Code”) placed limits on the tax deductibility of compensation in excess of \$1 million paid to certain of our executive officers for any single taxable year. The Tax Cuts and Jobs Act of 2017 enacted in December 2017 (the “2017 Tax Act”), substantially modified Section 162(m) of the Internal Revenue Code and, among other things, eliminated the performance-based exception to the \$1 million deduction limit effective as of January 1, 2018. As a result, beginning in 2018, compensation paid to certain executive officers in excess of \$1 million was generally nondeductible, whether or not it is performance-based. In addition, beginning in 2018, the executive officers subject to Section 162(m) (the “Covered Employees”) include any individual who served as the chief executive officer (the “CEO”) or the chief financial officer (the “CFO”) at any time during the taxable year and the three other most highly compensated executive officers (other than the CEO and CFO) for the taxable year, regardless of whether the officer is serving at the end of the taxable year, and once an individual becomes a Covered Employee for any taxable year beginning after December 31, 2016, that individual will remain a Covered Employee for all future years, including following any termination of employment.

The 2017 Tax Act included a transition rule under which the changes to Section 162(m) described above do not apply to compensation payable pursuant to a written binding contract that was in effect on November 2, 2017 and is not materially modified after that date. However, because of uncertainties as to the application and interpretation of the transition rule, no assurances can be given that our contracts and equity awards, even if in place on November 2, 2017, will meet the requirements of the transition rule.

To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals in the best interests of the Corporation and our shareholders and consistent with the goals of our executive compensation program, we retained and continue to retain discretion to approve, and have paid and may in the future pay, annual, short-term, long-term or other compensation arrangements in a manner that does not permit the compensation to qualify for tax deductibility under Section 162(m) of the Internal Revenue Code.

Use of Compensation Consultants

No compensation consultants were retained by the Corporation, the Board of Directors or the Compensation Committee in connection with recommending the setting of compensation for our executive officers during the past fiscal year.

Implementation of Executive Compensation Program Objectives and Policies

Elements of Executive Compensation

The primary components of our executive compensation program include:

- base salary;
- equity incentive compensation (short-term and/or long-term) in the form of stock options and/or restricted stock units offered under EchoStar's stock incentive plan;
- short-term cash incentive compensation;
- our 401(k) Employee Savings Plan ("401(k) Plan"); and
- other compensation, including perquisites, personal benefits and post-termination compensation.

Our long and short-term incentive compensation generally include conditional and/or performance-based cash and/or equity incentive compensation.

The components of our executive compensation program combine to promote the objectives and policies described above. Base salary, 401(k) Plan benefits and other benefits and perquisites provided generally to employees provide a minimum level of compensation for our NEOs. Long-term equity and/or performance-based incentive compensation align NEO compensation with the creation of long-term shareholder value and generally promote retention. Short-term cash and/or equity incentives reward individual, business group and/or company performance and achievement of shorter-term goals important to us.

We have not required that a certain percentage of an executive's compensation be provided in one form versus another. However, our goal is to award compensation that is reasonable in relation to our compensation program and objectives when all elements of potential compensation are considered. Each element of our executive compensation and the rationale for each element are described below.

Base Salary

We have traditionally included salary in our executive compensation package under the belief that it is appropriate that some portion of the compensation paid to our executive officers be provided in a form that is fixed and liquid occurring over regular intervals. The Board of Directors has traditionally been free to set base salary at any level deemed appropriate, with the Compensation Committee setting the base salary of the Chairman. The Compensation Committee and the Board of Directors typically review base salaries of our NEOs. Any increases or decreases in base salary on a year-over-year basis have usually been dependent on a combination of the factors outlined above in "General Compensation Levels," with particular emphasis on:

- EchoStar's and our subsidiaries' overall financial and business performance;
- the performance of the NEO's business unit;
- the NEO's individual contributions to EchoStar and our subsidiaries; and
- the rate of standard annual merit increases for employees who are performing at a satisfactory level.

Equity Incentive Compensation

We believe that our executive officers generally will be better able to contribute to our success and help build incremental shareholder value if they have a stake in our future success and value. We believe this stake helps retain executives and focuses the executive officers' attention on managing as owners with equity positions and aligns their interests with the interests of our shareholders. Equity awards therefore have generally represented an important component of our compensation program for most of our NEOs. We have historically attempted to create general incentives with standard stock option grants and conditional or performance-based incentives through awards that may include payouts in cash or equity. Grants of equity incentive compensation have usually been dependent on a combination of the factors outlined above in "General Compensation Levels."

To aid in our retention of employees, options and restricted stock unit awards granted under our stock incentive plans, including those granted to our NEOs, generally have vested at the rate of 20% per year and, in the case of options, have had exercise prices not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the date of grant is not a trading day). Generally, our option agreements and restricted stock unit agreements with executive officers have included acceleration of vesting following a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control.

Stock Incentive Plan

We have two general employee stock incentive plans, which we refer to as the Amended and Restated 2008 Stock Incentive Plan (the “2008 Stock Incentive Plan”) and the EchoStar Corporation 2017 Stock Incentive Plan (the “2017 Stock Incentive Plan,” and together with the 2008 Stock Incentive Plan, the “Stock Incentive Plans”).

The 2008 Stock Incentive Plan expired on January 1, 2018. No new awards have been or will be granted under the 2008 Stock Incentive Plan after May 2, 2017, but any awards previously granted under this plan remain outstanding and vest and/or are exercised in accordance with their terms. The 2017 Stock Incentive Plan was approved by our shareholders on May 2, 2017, and we have used this plan for equity grants to our executive officers and other key employees since that date.

The purpose of our Stock Incentive Plans is to provide incentives to attract, motivate and retain executive officers, employees, consultants and advisors, to offer participants incentives to put forth maximum efforts for the success of our business and to afford participants an opportunity to acquire a proprietary interest in EchoStar. The Stock Incentive Plans are administered by the Compensation Committee which retains the discretion, subject to plan limits, to modify the terms of outstanding awards and to re-price awards. Awards available to be granted under the 2017 Stock Incentive Plan include: (i) stock options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. We generally grant equity awards on the first day of each calendar quarter following the quarter in which the award was approved and have set exercise prices at not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the grant date is not a trading day). As of December 31, 2021, there were (i) outstanding options to purchase approximately 4.7 million of our Class A Shares under our Stock Incentive Plans; (ii) no outstanding restricted stock units; and (iii) approximately 6.0 million of our Class A Shares remaining available for issuance under the 2017 Stock Incentive Plan. Our outstanding option awards generally vest at the rate of 20% per year commencing one year from the date of grant. In connection with the BSS Transaction, we adjusted options to acquire Class A Shares that were unexercised and outstanding on September 10, 2019 to maintain the value of such awards before and after such transaction, which resulted in an increase in the number of shares subject to such options and a reduction in the exercise price of such options.

Class B Chairman Stock Option Plan

We have adopted a Class B Chairman stock option plan, which we refer to as the 2008 Class B Chairman Stock Option Plan. The purpose of the 2008 Class B Chairman Stock Option Plan is to promote the interests of the Corporation by aiding in the retention of Mr. Ergen, who our Board of Directors believes is crucial to assuring our future success, to offer Mr. Ergen incentives to put forth maximum efforts for our future success and to afford Mr. Ergen an opportunity to acquire additional proprietary interests in the Corporation. Mr. Ergen abstained from our Board of Directors’ vote regarding the adoption of the 2008 Class B Chairman Stock Option Plan. Awards available to be granted under the 2008 Class B Chairman Stock Option Plan include nonqualified stock options and dividend equivalent rights with respect to our Class B Shares. Up to 4.0 million of our Class B Shares are available for award under the 2008 Class B Chairman Stock Option Plan. Only Mr. Ergen is eligible to participate in the 2008 Class B Chairman Stock Option Plan. No awards have been granted under the 2008 Class B Chairman Stock Option Plan.

Employee Stock Purchase Plan (“ESPP”)

We have an employee stock purchase plan, which we refer to as the ESPP. The purpose of the ESPP is to provide our eligible employees with an opportunity to acquire a proprietary interest in the Corporation through the purchase of our Class A Shares. Generally, all full-time employees who have been employed by the Corporation or certain of our subsidiaries for at least one calendar quarter are eligible to participate in the ESPP. Employee stock purchases are made through payroll deductions during an offering period under the plan. Unless otherwise provided by the Board of Directors prior to the beginning of an offering period, stock purchases are made on the last business day of each such quarterly purchase period at 85% of the closing price of the Class A Shares on that date. Under the terms of the ESPP, each employee’s deductions are limited so that the maximum such employee may purchase under our ESPP is \$25,000 in fair market value of Class A Shares per year. The ESPP is intended to qualify under Section 423 of the Internal Revenue Code and thereby provide participating employees with an opportunity to receive certain favorable income tax consequences as to stock purchase rights under the ESPP. Our NEOs are eligible to participate in the ESPP on the same terms as our other employees.

Short-Term Cash Incentive Compensation

In November 2021, we amended and restated our short-term cash incentive program for our NEOs, which we refer to as the Executive Officer Bonus Incentive Plan. The Executive Officer Bonus Incentive Plan is a cash incentive plan intended to promote our success by providing performance-oriented incentives to motivate our executive officers whose decisions and performance have a significant impact on our success and to reward them for superior managerial performance and our successful performance and growth. Participants in the Executive Officer Bonus Incentive Plan include those executive officers of EchoStar who are subject to Section 16

of the Exchange Act whom the Compensation Committee may designate from time to time as eligible for awards under the Executive Officer Bonus Incentive Plan. Under the Executive Officer Bonus Incentive Plan, cash payments are awarded and are based on target award amounts for each year determined by the Compensation Committee for each participant and on the achievement of corporate, business segment and/or individual executive performance metrics established by the Compensation Committee for each fiscal year from among those set forth in the Executive Officer Bonus Incentive Plan. For each participant, at least 25% of the payout target is based on the achievement of company-wide and applicable business segment performance metrics and the remaining amount of the payout target, if any, is based on the achievement of individual performance metrics. Individual awards under the Executive Officer Bonus Incentive Plan may range between zero and a maximum amount equal to or exceeding 100% of the applicable target award amount as determined by the Compensation Committee for each participant. All of our NEOs are eligible to receive, and did receive, short-term cash incentive payments for 2021 pursuant to the Executive Officer Bonus Incentive Plan. See “Summary Compensation Table” below.

We may provide a discretionary cash bonus to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar’s performance. None of our NEOs received discretionary cash bonuses in 2021. See “Summary Compensation Table” below.

401(k) Plan

We have adopted a defined-contribution tax-qualified 401(k) Plan for eligible employees, including our executives, to facilitate our employees’ ability to save some percentage of their cash compensation for retirement. New employees become immediately eligible for participation in the 401(k) Plan upon the commencement of their employment. Participants in the 401(k) Plan are entitled to contribute up to 75% of their eligible compensation subject to the maximum contribution limit provided by the Internal Revenue Code. Eligible employees have the option to contribute up to 75% of their compensation on a pre-tax and/or after-tax basis subject to the Internal Revenue Code limits. All employee contributions to the 401(k) Plan are immediately vested. The Corporation matches 50 cents on the dollar for the first 6% of each employee’s salary contributions to the 401(k) Plan for a total of 3% match on a pre-tax basis up to a maximum of \$7,500 annually. Our match is calculated each pay period there is an employee contribution. In addition, we may make an annual discretionary contribution to the 401(k) Plan in cash or our stock. All Corporation contributions under the 401(k) Plan vest at 20% per year and are 100% vested after an eligible employee has completed five years of employment. Our NEOs participate in the 401(k) Plan, including corporate contributions, on the same terms as our other employees.

Nonqualified Plan

We have adopted a nonqualified plan for the benefit of a select group of officers (as amended from time to time, the “Nonqualified Plan”), including our NEOs, whose benefits under our 401(k) Plan are limited by the Internal Revenue Code. Nonqualified Plan participants can elect to contribute up to 75% of their eligible compensation and up to 100% of their eligible bonus compensation into the Nonqualified Plan on a pre-tax basis each pay period. We do not match any employee contributions in the Nonqualified Plan. Participants are always 100% vested in the contributions they make into the Nonqualified Plan. During 2021, all of our NEOs were eligible to participate in the Nonqualified Plan, and Messrs. Dugan, Johnson and Rayner were the only NEOs who contributed to the Nonqualified Plan. See “Nonqualified Deferred Compensation” below.

Perquisites, Personal Benefits, Post-Termination Compensation and Other Compensation

We have traditionally offered numerous plans and other benefits to our executive officers, on the same terms as other employees. These plans and benefits have included medical, vision, and dental insurance, life insurance, the ESPP and the 401(k) Plan as well as discounts on our and other companies’ products and services. Relocation benefits may also be provided and reimbursed, but are individually negotiated when they occur. In some years, we have permitted certain NEOs and their family members and guests to use our corporate aircraft for personal use. During 2021, none of our NEOs used our corporate aircraft for personal use. We have also paid, on behalf of Mr. Kaul, amounts relating to excess medical benefits, personal liability insurance, and financial planning services pursuant to the Expired Kaul Employment Agreement. See “Summary Compensation Table” below.

We have not traditionally had any plans in place to provide severance benefits to employees. However, generally the equity awards that have been granted to our executive officers are subject to acceleration of vesting following a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control. See “Potential Payments Upon Termination or Following a Change in Control” below.

Shareholder Advisory Vote on Executive Compensation

We provided our shareholders with the opportunity to cast a non-binding shareholder advisory vote on executive compensation at the annual meeting of shareholders held in April 2020. Over 99% of the voting power represented at the meeting and entitled to vote on

that matter voted to approve, on a non-binding advisory basis, the compensation paid to our named executive officers, as described in the proxy statement for that meeting. The Compensation Committee reviewed these voting results after such meeting, and the Corporation did not change its approach to executive compensation as a direct result of the vote. In May 2017, a majority of our shareholders approved, on a non-binding advisory basis, that we should provide our shareholders with the opportunity to cast a non-binding advisory vote on executive compensation at our annual meeting of shareholders at least once every three years. After considering the preference of our shareholders and other factors, our Board of Directors determined that we will hold, and include in our proxy materials, a non-binding shareholder advisory vote on the compensation of our named executive officers every three years until the next required shareholder vote on the frequency of such non-binding shareholder advisory votes on executive compensation. The next non-binding advisory shareholder vote on executive compensation will be submitted to our shareholders in 2023.

2021 Executive Compensation

With respect to the executive compensation of our NEOs, we reviewed total compensation of each NEO and the factors outlined above in “General Compensation Levels.” In light of Mr. Ergen’s role as Chairman and as our controlling shareholder, the Compensation Committee and the Board of Directors, as applicable, placed substantial weight on Mr. Ergen’s recommendations regarding all executive compensation matters.

Compensation of Our Chief Executive Officer and President

2021 Base Salary. Base salary for our Chief Executive Officer and President is reviewed and discussed by the Compensation Committee and determined by the Board of Directors primarily based on Mr. Ergen’s recommendations. Mr. Ergen made a recommendation with respect to the 2021 base salary of our Chief Executive Officer and President after considering the factors outlined above in “General Compensation Levels,” placing primary weight on (a) Mr. Dugan’s base salary in 2020, (b) Mr. Dugan’s performance in 2020, and (c) whether, in Mr. Ergen’s subjective view, an increase in base salary was warranted based on such performance or in order to retain Mr. Dugan. In determining Mr. Dugan’s 2021 base salary, Mr. Ergen recommended, the Compensation Committee reviewed, discussed and recommended and the Board of Directors determined that a base salary increase for 2021 for Mr. Dugan was not necessary.

2021 Cash Bonus. We may provide a discretionary cash bonus to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar’s performance. No discretionary cash bonus was paid to Mr. Dugan for 2021. See “Summary Compensation Table” below.

2021 Short-Term Cash Incentive Compensation. The purpose of short-term cash incentives under our Executive Officer Bonus Incentive Plan is to provide performance-oriented incentives to motivate the achievement of superior managerial performance and successful performance and growth of the Corporation. This determination is made by the Compensation Committee for Mr. Dugan primarily on the basis of Mr. Ergen’s recommendations. For 2021, Mr. Ergen based his recommendation on, and the Compensation Committee took into account, among other things, the factors described in “General Compensation Levels” above, placing primary weight on Mr. Dugan’s role in driving the Corporation’s overall performance, including 50% based on the Corporation’s and its Hughes and EchoStar Satellite Services (“ESS”) business units’ financial and operational performances in 2021, and 50% based on management effectiveness and individual executive performance in 2021. Mr. Ergen recommended, and the Compensation Committee reviewed, discussed and determined, payout targets and performance metrics for 2021 for the payment of a short-term cash incentive award under our Executive Officer Bonus Incentive Plan for Mr. Dugan, and the Compensation Committee determined whether and to what extent such performance metrics were met for Mr. Dugan for 2021, and the amount of the cash incentive award for 2021 paid under the Executive Officer Bonus Incentive Plan to Mr. Dugan. Based on the recommendation of Mr. Ergen, the Compensation Committee determined that the 2021 payout target for Mr. Dugan would be \$1,000,000 (100% of base salary), and the Compensation Committee approved a short-term cash incentive award of \$694,000 to Mr. Dugan for 2021 under the Executive Officer Bonus Incentive Plan based on the Compensation Committee’s determination of the extent to which the performance metrics applicable to Mr. Dugan for 2021 were met. These determinations were based on a combination of financial and operational performance of the Corporation overall and our Hughes and ESS business segments, as well as factors regarding management effectiveness and individual executive performance. See “Summary Compensation Table” below.

2021 Equity Incentives. With respect to equity incentives, we took into account, among other things, the factors described in “General Compensation Levels” above, placing primary weight on evaluating the position of our Chief Executive Officer and President to determine whether he has appropriate incentives tied to the performance of our Class A Shares. This determination is made by the Compensation Committee primarily on the basis of Mr. Ergen’s subjective recommendation.

Taking into account, among other things, the factors described in “General Compensation Levels” above, Mr. Dugan’s 2021 salary and 2021 payout target under the Executive Officer Bonus Incentive Plan, the equity awards appropriate to retain, motivate and reward Mr. Dugan, the value of Mr. Dugan’s existing equity awards, the date and amount of the last equity award received by Mr. Dugan and

whether Mr. Dugan is entitled to severance payments, Mr. Ergen recommended and the Compensation Committee did not grant to Mr. Dugan an option to purchase Class A Shares in 2021.

Compensation of Other Named Executive Officers

2021 Base Salary. Base salaries for each of our NEOs, other than Mr. Dugan, are reviewed and discussed by the Compensation Committee and determined by the Board of Directors primarily based on Mr. Dugan's and Mr. Ergen's recommendations. Messrs. Dugan and Ergen made recommendations with respect to the 2021 base salary of each of our NEOs, other than Mr. Dugan, after considering the factors outlined above in "General Compensation Levels," placing primary weight on (a) the NEO's base salary in 2020, (b) the NEO's performance in 2020, and (c) whether, in their subjective view, an increase in base salary was warranted based on such performance or in order to retain the NEO. In determining the 2021 base salaries for our NEOs, other than Mr. Dugan, Messrs. Dugan and Ergen recommended that base salary increases for 2021 for each of Messrs. Johnson, Kaul, Manson and Rayner were not necessary. The Compensation Committee reviewed, discussed and recommended, and the Board of Directors accepted, Messrs. Dugan and Ergen's recommendations with respect to the 2021 base salaries for each of these NEOs.

2021 Cash Bonus. We may provide a discretionary cash bonus to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar's performance. None of our NEOs received a discretionary cash bonus for 2021. See "Summary Compensation Table" below.

2021 Short-Term Cash Incentive Compensation. The purpose of short-term cash incentives under our Executive Officer Bonus Incentive Plan is to provide performance-oriented incentives to motivate the achievement of superior managerial performance and successful performance and growth of the Corporation. This determination for our NEOs other than Mr. Dugan is made by the Compensation Committee primarily on the basis of Mr. Dugan's and Mr. Ergen's recommendations. For 2021, Messrs. Dugan and Ergen based their recommendations on, and the Compensation Committee took into account, among other things, the factors described in "General Compensation Levels" above, placing primary weight on each NEO's role in driving the Corporation's overall performance, including 50% based on the Corporation's and applicable business units' financial and operational performances in 2021 and 50% based on management effectiveness and individual executive performance in 2021. Messrs. Dugan and Ergen recommended, and the Compensation Committee reviewed, discussed and determined, payout targets and performance metrics for 2021 for the payment of short-term cash incentive awards under our Executive Officer Bonus Incentive Plan for each of our NEOs other than Mr. Dugan, and the Compensation Committee determined whether and to what extent the applicable performance metrics were met for each such NEO for 2021, and the amount of the cash incentive award for 2021 paid under the Executive Officer Bonus Incentive Plan to each of our other NEOs.

Based on the recommendations of Messrs. Dugan and Ergen, the Compensation Committee approved the following 2021 payout targets and short-term cash incentive awards under our Executive Officer Bonus Incentive Plan for 2021 for the following NEOs:

NEO	2021 Payout Target	2021 Performance Metrics	2021 Incentive Award Payment
Anders N. Johnson	\$800,000 (100% of base salary)	Combination of financial and operational performance metrics of the Corporation as well as factors regarding management effectiveness and individual executive performance.	\$635,200
Pradman P. Kaul	\$880,000 (100% of base salary)	Combination of financial and operational performance metrics of the Corporation as well as factors regarding management effectiveness and individual executive performance.	\$698,720
Dean A. Manson	\$600,000 (100% of base salary)	Combination of financial and operational performance metrics of the Corporation as well as factors regarding management effectiveness and individual executive performance.	\$476,400
David J. Rayner	\$660,000 (100% of base salary)	Combination of financial and operational performance metrics of the Corporation as well as factors regarding management effectiveness and individual executive performance.	\$524,040

See "Summary Compensation Table" below.

2021 Equity Incentives. With respect to equity incentives, we took into account, among other things, the factors described in "General Compensation Levels" above, placing primary weight on evaluating the position of each of our other NEOs to determine whether each NEO has appropriate incentives tied to the performance of our Class A Shares. These determinations are made by the Compensation Committee primarily on the basis of Messrs. Ergen's and Dugan's subjective recommendations. Taking into account, among other things, the factors described in "General Compensation Levels" above, each of our other NEOs 2021 salary and 2021 payout target under the Executive Officer Bonus Incentive Plan, the equity awards appropriate to retain, motivate and reward each of our other

NEOs, the date and amount of the last equity award received by each of our other NEOs, the value of each of their existing equity awards and whether any of them is entitled to severance payments, Messrs. Dugan and Ergen recommended and the Compensation Committee agreed that no equity grants were warranted to NEOs in 2021.

Anti-Hedging. Our insider trading policy prohibits our employees, including our executive officers, and members of our Board of Directors from engaging in any type of hedging or monetization transaction with respect to our securities. The prohibited transactions include, but are not limited to, the pledging as collateral of any of our securities, including establishing or increasing margin loans.

Risk Assessment

We believe that our compensation programs and practices, which include a mix of short-term and long-term compensation and consist primarily of fixed cash salary, short-term incentive cash awards and equity incentive awards with multi-year vesting, assist in our efforts to mitigate excessive risk-taking by our employees. We annually review the cash and equity incentive programs for the Corporation's senior officers, including our executive officers, who are the employees whose actions could expose the Corporation to the most significant business risks. We concluded that certain features of these programs tend to reduce the likelihood of excessive risk-taking, including a balance of compensation that is designed to promote the Corporation's goals and create shareholder value by aligning the interests of management and shareholders through equity and cash incentives, multi-year vesting of equity awards and a mix of short-term and long-term compensation, thus reducing the incentive to take risks that are not consistent with the Corporation's goals, and the Compensation Committee's and Board of Directors' ongoing oversight to ensure the Corporation's compensation programs and practices appropriately balance the interests of employees and shareholders.

For the foregoing reasons, the Board of Directors believes that the Corporation's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Corporation.

Compensation Committee Report

The Compensation Committee is appointed by the Board of Directors to discharge certain of the Board of Directors' responsibilities relating to compensation of EchoStar's executive officers.

Based on the review of the Compensation Discussion and Analysis and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Option Exercises and Stock Vested

The following table summarizes the exercises of stock options by our NEOs and the vesting of stock and restricted stock units held by our NEOs during the year ended December 31, 2021.

The following table summarizes nonqualified deferred compensation earned or contributed by, or on behalf of, our NEOs under our Nonqualified Plan for the year ended December 31, 2021.

(1) Aggregate earnings are dependent on the investment decisions made by the executive. All earnings are market earnings, and none are preferential or set by the Corporation.

Potential Payments upon Termination or Following a Change in Control

As discussed in “Compensation Discussion and Analysis” above, our option agreements and restricted stock unit agreements given to our NEOs have generally included acceleration of vesting following a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control. There are no benefits under such agreements triggered solely by a change in control or solely because of termination.

Generally a “change in control” is deemed to occur upon: (i) a transaction or a series of transactions the result of which is that any person (other than Mr. Ergen, our controlling shareholder, or a related party) individually owns more than 50% of the total equity interests of either (a) EchoStar or (b) the surviving entity in any such transaction(s) or a controlling affiliate of such surviving entity in such transaction(s); and (ii) except in the case of awards under the 2017 Stock Incentive Plan, the first day on which a majority of the members of the Board of Directors are not continuing directors (as such term is used in the individual award agreements).

Assuming a change in control was to have taken place as of December 31, 2021, and the NEO’s employment had been terminated by EchoStar or the surviving entity other than for cause on December 31, 2021, the estimated benefits that would have been provided to our NEOs are as follows:

Name	Maximum Value of Accelerated Vesting of Options and stock (\$)
Michael T. Dugan	—
Anders N. Johnson	—
Pradman P. Kaul	—
Dean A. Manson	—
David J. Rayner	—

Equity Compensation Plan Information

The following table sets forth information regarding outstanding stock options and restricted stock unit awards and the Class A Shares reserved for future issuance under our equity compensation plans, including the Stock Incentive Plans, Director Plans and the ESPP, as of December 31, 2021:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a) (1) (2)	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights (b) (2) (3)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a)) (c) (1) (4)
Equity compensation plans approved by shareholders	4,799,255	\$ 38.86	7,670,620
Equity compensation plans not approved by shareholders	—	—	—
Total	4,799,255	\$ 38.86	7,670,620

(1) These securities represent Class A Shares of the Corporation.

(2) In connection with the BSS Transaction, we adjusted options to acquire Class A Shares that were unexercised and outstanding on September 10, 2019, which resulted in an increase in the number of shares subject to such options and a reduction in the exercise price of such options.

(3) The calculation of the weighted-average exercise price of outstanding options, warrants and rights excludes options and restricted stock units that provide for the issuance of Class A Shares automatically upon vesting and awards under our Employee Innovator Recognition Program because these awards do not require payment of an exercise price in order to obtain the underlying shares. There were no restricted stock units or any such options outstanding as of December 31, 2021.

(4) These securities are composed of 6,002,235; 281,716; 91,493; and 1,295,176 Class A Shares remaining available for future issuance under our 2017 Stock Incentive Plan, 2017 Director Plan, 2008 Director Plan and ESPP, respectively. The annual maximum that any employee may purchase under our ESPP is \$25,000 in fair market value of Class A Shares per year. Our 2008 Stock Incentive Plan expired on January 1, 2018, and no new awards have been or will be granted under this plan after May 2, 2017, but any awards previously granted under this plan remain outstanding and will vest and/or be exercised in accordance with their terms. The shares available for issuance under the 2008 Class B Chairman Stock Option Plan are not included.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our Board of Directors has adopted a written policy for the review and approval of transactions involving EchoStar or our subsidiaries, on the one hand, and certain related parties, such as directors or executive officers and their immediate family members, and DISH and its subsidiaries (collectively, “DISH Network”), on the other hand. We distribute questionnaires to our officers and directors on a quarterly basis. Our General Counsel directs the appropriate review of potential related-party transactions and schedules their presentation at meetings of the Audit Committee and/or the Board of Directors, as applicable. Generally, our Audit Committee and/or the Board of Directors, as applicable, must approve these transactions, with all interested parties abstaining from the vote. Once each calendar year, the Audit Committee and/or the Board of Directors, as applicable, undertake a review of certain recurring potential related-party transactions to determine whether to approve the continuation of such transactions, with all interested parties abstaining. Transactions involving DISH Network generally are also subject to the approval of (i) management, (ii) the Non-Interlocking Committee, (iii) the Audit Committee and (iv) the Board of Directors. Our Board of Directors, however, has delegated authority to approve certain transactions with DISH Network to non-interlocking management which reports such approvals to the Board of Directors. For purposes of this section entitled “Certain Relationships and Related Party Transactions,” the terms “we,” “us,” “EchoStar,” the “Corporation” and “our” refer to EchoStar Corporation and its subsidiaries.

Related Party Transactions with DISH Network

A substantial majority of the voting power of the shares of each of EchoStar and DISH is owned beneficially by Charles W. Ergen, our Chairman, and by certain entities established for the benefit of his family. Certain of our directors and executive officers currently are or have previously been employed by DISH and its subsidiaries.

EchoStar and DISH have operated as separate publicly-traded companies since 2008.

In January 2017, we and certain of our subsidiaries entered into a Share Exchange Agreement (the “Share Exchange Agreement”) with DISH and certain of its subsidiaries, pursuant to which, among other things, in February 2017, we and certain of our subsidiaries received all of the shares of the Hughes Retail Preferred Tracking Stock previously issued by us (the “EchoStar Tracking Stock”) and the Hughes Retail Preferred Tracking Stock previously issued by our subsidiary Hughes Satellite Systems Corporation (“HSS”) (the “HSS Tracking Stock,” together with the EchoStar Tracking Stock, the “Tracking Stock”) in exchange for 100% of the equity interests of certain of our subsidiaries that held substantially all of our former EchoStar Technologies businesses and certain other assets (collectively, the “Share Exchange”). Following consummation of the Share Exchange, we no longer operate our former EchoStar Technologies businesses and the Tracking Stock was retired and all agreements, arrangements and policy statements with respect to such Tracking Stock terminated and are of no further effect.

In September 2019, pursuant to a master transaction agreement (the “Master Transaction Agreement”) with DISH and a wholly-owned subsidiary of DISH (“Merger Sub”), (i) we transferred certain real property and the various businesses, products, licenses, technology, revenues, billings, operating activities, assets and liabilities primarily related to the former portion of our satellite services business that managed, marketed and provided (1) broadcast satellite services primarily to DISH Network and our joint venture Dish Mexico, S. de R.L. de C.V. and its subsidiaries, and (2) telemetry, tracking and control (“TT&C”) services for satellites owned by DISH Network and a portion of our other businesses (collectively, the “BSS Business”) to one of our former subsidiaries, EchoStar BSS Corporation (“BSS Corp.”); (ii) we distributed to each holder of shares of our Class A Shares or Class B Shares entitled to receive consideration in the transaction an amount of shares of common stock of BSS Corp., par value \$0.001 per share (“BSS Common Stock”), equal to one share of BSS Common Stock for each of our Class A Shares or Class B Shares owned by such stockholder (the “Distribution”); and (iii) immediately after the Distribution, (1) Merger Sub merged with and into BSS Corp. (the “Merger”), such that BSS Corp. became a wholly-owned subsidiary of DISH and with DISH then owning and operating the BSS Business, and (2) each issued and outstanding share of BSS Common Stock owned by EchoStar stockholders was converted into the right to receive 0.23523769 shares of DISH Class A common stock, par value \$0.001 per share (“DISH Common Stock”) (the foregoing clauses (i) - (iii) collectively, the “BSS Transaction”). Following the consummation of the BSS Transaction, we no longer operate the BSS Business.

In connection with and following the Spin-off, the Share Exchange and the BSS Transaction, we and DISH Network entered into certain agreements pursuant to which we obtain certain products, services and rights from DISH Network; DISH Network obtains certain products, services and rights from us; and we and DISH Network indemnify each other against certain liabilities arising from our respective businesses. Generally, the amounts we or DISH Network pay for products and services provided under the agreements are based on cost plus a fixed margin (unless noted differently below), which varies depending on the nature of the products and services provided. We may also enter into additional agreements with DISH Network in the future.

2019 TT&C Agreement. In September 2019, in connection with the BSS Transaction, we entered into an agreement pursuant to which DISH Network provides TT&C services to us for a period ending in September 2021, with the option for us to renew for a one-

year period upon written notice at least 90 days prior to the initial expiration (the “2019 TT&C Agreement”). In June 2021, we amended the 2019 TT&C Agreement to extend the term until September 2022 and to add an option for us to renew the 2019 TT&C Agreement for up to an additional three years. The fees for services provided under the 2019 TT&C Agreement are calculated at either: (i) a fixed fee or (ii) cost plus a fixed margin, which will vary depending on the nature of the services provided. Any party is able to terminate the 2019 TT&C Agreement for any reason upon 12 months’ notice. We incurred expenses of approximately \$2.8 million payable to DISH Network under this agreement for the year ended December 31, 2021.

BSS Transaction Employee Matters Agreement. Effective September 2019, in connection with the BSS Transaction, we and DISH Network entered into an employee matters agreement that addressed the transfer of employees from us to DISH Network, including certain benefit and compensation matters and the allocation of responsibility for employee related liabilities relating to current and past employees of the BSS Business. DISH Network assumed employee-related liabilities relating to the BSS Business as part of the BSS Transaction, except that we are responsible for certain pre-BSS Transaction compensation and benefits for employees who transferred to DISH Network in connection with the BSS Transaction. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

BSS Transaction Intellectual Property and Technology License Agreement. Effective September 2019, in connection with the BSS Transaction, we and DISH Network entered into an intellectual property and technology license agreement (the “BSS IPTLA”) pursuant to which we and DISH Network license to each other certain intellectual property and technology. The BSS IPTLA will continue in perpetuity, unless mutually terminated by the parties. Pursuant to the BSS IPTLA, we granted to DISH Network a license to our intellectual property and technology for use by DISH Network, among other things, in connection with its continued operation of the BSS Business acquired pursuant to the BSS Transaction, including a limited license to use the “ESS” and “ECHOSTAR SATELLITE SERVICES” trademarks during a transition period. EchoStar retains full ownership of the “ESS” and “ECHOSTAR SATELLITE SERVICES” trademarks. In addition, DISH Network granted a license back to us, among other things, for the continued use of all intellectual property and technology that is used in our retained businesses but the ownership of which was transferred to DISH Network pursuant to the BSS Transaction. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

BSS Transaction Tax Matters Agreement. Effective September 2019, in connection with the BSS Transaction, we, BSS Corp. and DISH entered into a tax matters agreement. This agreement governs certain of our rights, responsibilities and obligations with respect to taxes of the BSS Business transferred pursuant to the BSS Transaction. Generally, we are responsible for all tax returns and tax liabilities for the BSS Business for periods prior to the BSS Transaction and DISH is responsible for all tax returns and tax liabilities for the BSS Business from and after the BSS Transaction. Both we and DISH made certain tax-related representations and are subject to various tax-related covenants after the consummation of the BSS Transaction. Both we and DISH Network have agreed to indemnify each other for certain losses if there is a breach of any the tax representations or violation of any of the tax covenants in the tax matters agreement and that breach or violation results in the failure of the BSS Transaction being treated as a transaction that is tax-free for EchoStar or its stockholders for U.S. federal income tax purposes. In addition, DISH Network has agreed to indemnify us if the BSS Business is acquired, either directly or indirectly (e.g., via an acquisition of DISH Network), by one or more persons, where either it took an action, or knowingly facilitated, consented to or assisted with an action by its stockholders, that resulted in the failure of the BSS Transaction being treated as a transaction that is tax-free for EchoStar and its stockholders for U.S. federal income tax purposes. This tax matters agreement supplements the Share Exchange Tax Matters Agreement and the Tax Sharing Agreement outlined below, both of which continue in full force and effect. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

Collocation and Antenna Space Agreements. We and DISH Network entered into an agreement pursuant to which DISH Network provided us with collocation space in El Paso, Texas. This agreement was for an initial period ending in July 2015, and provided us with renewal options for four consecutive three-year terms. We exercised our first renewal option for a period commencing in August 2015 and ending in July 2018, in April 2018 we exercised our second renewal option for a period ending in July 2021, and in May 2021 we exercised our third renewal option for a period ending in July 2024. In connection with the Share Exchange, effective March 2017, we also entered into certain agreements pursuant to which DISH Network provides collocation and antenna space to EchoStar through February 2022 at the following locations: Cheyenne, Wyoming; Gilbert, Arizona; New Braunfels, Texas; Monee, Illinois; Spokane, Washington; and Englewood, Colorado. In October 2019, we provided a termination notice for our New Braunfels, Texas agreement to be effective May 2020. In November 2020, we provided a termination notice for one of our Englewood, Colorado agreements to be effective May 2021. In August 2017, we and DISH Network also entered into certain other agreements pursuant to which DISH Network provides additional collocation and antenna space to us in Monee, Illinois and Spokane, Washington through August 2022. In November 2021, we exercised our right to renew the collocation agreements at Gilbert, Arizona; Cheyenne, Wyoming; Spokane, Washington; Englewood, Colorado; and Monee, Illinois for a period ending in February 2025. Generally, we may renew our collocation and antenna space agreements for three-year periods by providing DISH Network with prior written notice no more than 120 days but no less than 90 days prior to the end of the then-current term. We may terminate certain of these agreements with 180 days’ prior written notice. The fees for the services provided under these agreements depend on the number of

racks located at the location. Also in connection with the BSS Transaction, in September 2019, we entered into an agreement pursuant to which DISH Network provides us with antenna space and power in Cheyenne, Wyoming for a period of five years commencing in August 2020, with four three-year renewal terms, with prior written notice of renewal required no more than 120 days but no less than 90 days prior to the end of the then-current term. In March 2021, we entered into additional agreements pursuant to which DISH Network provides us with antenna space and power in Cheyenne, Wyoming, and the right to use an antenna and certain space in Gilbert, Arizona. The Cheyenne, Wyoming agreement is for an initial five-year term ending in August 2025 and the Gilbert, Arizona agreement is for an initial five-year term ending in July 2025, and both agreements provide for four three-year renewal terms, with prior written notice of renewal required no more than 120 days but no less than 90 days prior to the end of the then-current term. We incurred expenses of approximately \$1.3 million payable to DISH Network under these agreements for the year ended December 31, 2021.

DBSD North America Agreement. In March 2012, DISH Network completed its acquisition of all of the equity of DBSD North America, Inc. (“DBSD North America”). Prior to DISH Network’s acquisition of DBSD North America and our completion of the Hughes Acquisition, DBSD North America and HNS entered into various agreements pursuant to which we provide, among other things, warranty, operations and maintenance and hosting services of DBSD North America’s gateway and ground-based communications equipment. In December 2017, we and DBSD North America amended these agreements, effective as of January 1, 2018, to reduce certain pricing terms through December 31, 2023, and to modify certain termination provisions. DBSD North America has the right to continue to receive operations and maintenance services from us on a quarter-to-quarter basis, unless terminated by DBSD North America upon at least 120 days’ written notice to us. In February 2019, we further amended these agreements to provide DBSD North America with the right to continue to receive warranty services from us on a month-to-month basis until December 2023, unless terminated by DBSD North America upon at least 21 days’ written notice to us. The provision of hosting services will continue until February 2027 unless terminated by DBSD North America upon at least 180 days’ written notice to us. In addition, DBSD North America generally may terminate any and all such services for convenience, subject to providing us with prior notice and/or payment of termination charges. We earned revenue of approximately \$1.9 million from DBSD North America under this agreement for the year ended December 31, 2021.

Hughes Broadband Distribution Agreement. Effective October 2012, we and DISH Network entered into a distribution agreement (the “Distribution Agreement”) pursuant to which DISH Network has the right, but not the obligation, to market, sell and distribute our Gen 4 HughesNet satellite Internet service (the “HughesNet service”). DISH Network pays us a monthly per subscriber wholesale service fee for our Gen 4 HughesNet service based upon a subscriber’s service level and based upon certain volume subscription thresholds. The Distribution Agreement also provides that DISH Network has the right, but not the obligation, to purchase certain broadband equipment from us to support the sale of our Gen 4 HughesNet service. The Distribution Agreement had an initial term of five years with automatic renewal for successive one-year terms unless terminated by either party with a written notice at least 180 days before the expiration of the then-current term. In February 2014, we and DISH Network entered into an amendment to the Distribution Agreement which, among other things, extended the initial term of the Distribution Agreement until March 2024. Upon expiration or termination of the Distribution Agreement, we and DISH Network will continue to provide our Gen 4 HughesNet service to the then-current DISH Network subscribers pursuant to the terms and conditions of the Distribution Agreement. We earned revenue of approximately \$11.9 million from DISH Network under this agreement for the year ended December 31, 2021.

Hughes Broadband Master Services Agreement. In conjunction with the launch of our EchoStar XIX satellite, in March 2017, we and DISH Network entered into a master service agreement (the “Hughes Broadband MSA”) pursuant to which DISH Network, among other things: (i) has the right, but not the obligation, to market, promote and solicit orders and upgrades for our Gen 5 HughesNet service and related equipment and other telecommunication services and (ii) installs Gen 5 HughesNet service equipment with respect to activations generated by DISH Network. Under the Hughes Broadband MSA, we and DISH Network make certain payments to each other relating to sales, upgrades, purchases and installation services. The current term of the Hughes Broadband MSA is through March 2023 with automatic renewal for successive one-year terms. Either party has the ability to terminate the Hughes Broadband MSA, in whole or in part, for any reason upon at least 90 days’ notice to the other party. Upon expiration or termination of the Hughes Broadband MSA, we will continue to provide our Gen 5 HughesNet service to subscribers and make certain payments to DISH Network pursuant to the terms and conditions of the Hughes Broadband MSA. We incurred expenses of approximately \$8.4 million payable to DISH Network under this agreement for the year ended December 31, 2021.

Hughes Referral Marketing Agreement. In June 2021, we and DISH Network entered into an agreement pursuant to which we will pre-qualify prospects contacting Hughes call centers and transfer those prospects to DISH Network for introduction to DISH Network’s video services, and for prospects that convert, Hughes will receive a commission. This agreement has an indefinite term and, after June 2022, may be terminated by either party upon 90 days’ prior written notice. We earned revenue of approximately \$0.1 million from DISH Network under this agreement for the year ended December 31, 2021.

Hughes Equipment and Services Agreement. In February 2019, we and DISH Network entered into an agreement pursuant to which we will sell to DISH Network our HughesNet Service and HughesNet equipment that has been modified to meet DISH Network’s internet-of-things specifications for the transfer of data to DISH Network’s network operations centers. This agreement has an initial

term of five years expiring February 2024 with automatic renewal for successive one-year terms unless terminated by DISH Network with at least 180 days' written notice to us or by us with at least 365 days' written notice to DISH Network. We did not earn revenue from DISH Network under this agreement for the year ended December 31, 2021.

Amended and Restated Professional Services Agreement. In connection with the Spin-off, we entered into various agreements with DISH Network including a transition services agreement, satellite procurement agreement and services agreement, all of which expired in January 2010 and were replaced by a professional services agreement (the "Professional Services Agreement"). In January 2010, we and DISH Network agreed that we continue to have the right, but not the obligation, to receive the following services from DISH Network, among others, certain of which were previously provided under a transition services agreement: information technology, travel and event coordination, internal audit, legal, accounting and tax, benefits administration, program acquisition services and other support services. Additionally, we and DISH Network agreed that DISH Network would continue to have the right, but not the obligation, to engage us to manage the process of procuring new satellite capacity for DISH Network (previously provided under a satellite procurement agreement), receive logistics, procurement and quality assurance services from us (previously provided under a services agreement) and provide other support services. In connection with the consummation of the Share Exchange, we and DISH amended and restated the Professional Services Agreement (as amended to date, the "Amended and Restated Professional Services Agreement") to provide that we and DISH Network shall have the right to receive additional services that either we or DISH Network may require as a result of the Share Exchange, including access to antennas owned by DISH Network for our use in performing TT&C services and maintenance and support services for our antennas (collectively, the "TT&C Antennas"). In September 2019, in connection with the BSS Transaction, we and DISH further amended the Amended and Restated Professional Services Agreement to provide that we and DISH Network shall have the right to receive additional services that either we or DISH Network may require as a result of the BSS Transaction and to remove our access to and the maintenance and support services for the TT&C Antennas. The current term of the Amended and Restated Professional Services Agreement is through January 2023 and renews automatically for successive one-year periods thereafter, unless the agreement is terminated earlier by either party upon at least 60 days' notice. We or DISH Network may generally terminate the Amended and Restated Professional Services Agreement in part with respect to any particular service it receives for any reason upon at least 30 days' notice, unless the statement of work for particular services states otherwise. Certain services provided under the Amended and Restated Professional Services Agreement may survive the termination of the agreement. We incurred expenses of approximately \$1.0 million payable to DISH Network under this agreement for the year ended December 31, 2021. We had cost reimbursements of approximately \$4.6 million and earned no revenue from DISH Network under this agreement for the year ended December 31, 2021.

Real Estate Leases from DISH Network. Effective March 2017, we entered into a lease with DISH Network for certain space at 530 EchoStar Drive in Cheyenne, Wyoming for an initial period ending in February 2019. In August 2018, we exercised our option to renew this lease for a one-year period ending in February 2020. In connection with the BSS Transaction, we transferred the Cheyenne Satellite Operations Center, including any equipment, software licenses, and furniture located within, to DISH Network and amended this lease to reduce the space provided to us for the Cheyenne Satellite Access Center for a period ending in September 2021. In March 2021, we exercised our option to renew this lease for a one-year period ending September 2022 and amended the lease to provide us the option to renew this lease for up to three additional years. In November 2021, we exercised our option to renew this lease for a one-year period ending September 2023. The rent on a per square foot basis is comparable to per square foot rental rates of similar commercial property in the same geographic area at the time of the lease or subsequent amendments and includes our portion of the taxes, insurance, utilities and/or maintenance of the premises. We incurred expenses of approximately \$31,000 payable to DISH Network under this agreement for the year ended December 31, 2021.

Real Estate Leases to DISH Network. We have entered into lease agreements pursuant to which DISH Network currently leases or did lease certain real estate from us. The rent on a per-square-foot basis for each of the leases is or was comparable to per-square-foot rental rates of similar commercial property in the same geographic area at the time of the leases or subsequent amendments and includes or included DISH Network's portion of the taxes, insurance, utilities and/or maintenance of the premises. The terms of each of the leases are set forth below:

100 Inverness Occupancy License Agreement. In March 2017, we and DISH Network entered into a license agreement for DISH Network to use certain of our space at 100 Inverness Terrace East, Englewood, Colorado for an initial period ending in December 2020. Effective December 2020, we amended this agreement to extend the license until December 2021. Effective December 2021, we amended this agreement to extend the license until December 2022. We earned revenue of approximately \$0.7 million from DISH Network under this agreement for the year ended December 31, 2021.

Meridian Lease Agreement. The lease for all of 9601 S. Meridian Blvd., Englewood, Colorado was originally for a period ending in December 2016. We and DISH Network have amended this lease over time to, among other things, extend the term through December 2022. We earned revenue of approximately \$7.6 million from DISH Network under this agreement for the year ended December 31, 2021.

Satellite Capacity Leased to DISH Network. We entered into certain agreements to lease satellite capacity pursuant to which we provided satellite services to DISH Network on certain satellites owned or leased by us. The fees for the services provided under these agreements depended, among other things, upon the orbital location of the applicable satellite, the number of transponders that provided services on the applicable satellite and the length of the service arrangements. The terms of each service arrangement are set forth below:

EchoStar IX. Effective January 2008, DISH Network began leasing satellite capacity from us on the EchoStar IX satellite. Subject to availability, DISH Network generally has the right to continue leasing satellite capacity from us on the EchoStar IX satellite on a month-to-month basis. We earned revenue of approximately \$2.4 million from DISH Network under this agreement for the year ended December 31, 2021.

Nimiq 5 Agreement. In September 2009, we entered into an agreement with Telesat Canada to lease satellite capacity from Telesat Canada on all 32 direct broadcast satellite (“DBS”) transponders on the Nimiq 5 satellite at the 72.7 degree west longitude orbital location (the “Telesat Transponder Agreement”). In September 2009, we entered into an agreement with DISH Network, pursuant to which DISH Network leased satellite capacity from us on all 32 of the DBS transponders covered by the Telesat Transponder Agreement (the “DISH Nimiq 5 Agreement”). Under the terms of the DISH Nimiq 5 Agreement, DISH Network made certain monthly payments to us that commenced in September 2009, when the Nimiq 5 satellite was placed into service. This agreement was transferred to DISH Network as part of the BSS Transaction and we have no further obligations (other than certain obligations related to DISH Network’s performance under this agreement) and have earned no revenue under this agreement for the year ended December 31, 2021.

Share Exchange Agreement. In January 2017, we and certain of our subsidiaries entered into the Share Exchange Agreement, described above, relating to the Tracking Stock, with DISH and certain of its subsidiaries pursuant to which we transferred certain assets, investments in joint ventures, spectrum licenses and real estate properties and DISH Network assumed certain liabilities relating to the transferred assets and businesses. The Share Exchange Agreement contained customary representations and warranties by the parties, including representations by us related to the transferred assets, assumed liabilities and the financial condition of the transferred businesses. We and DISH Network also agreed to customary indemnification provisions whereby each party indemnifies the other against certain losses with respect to breaches of representations, warranties or covenants and certain liabilities and if certain actions undertaken by us or DISH causes the transaction to be taxable to the other party after closing. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

Share Exchange Employee Matters Agreement. Effective March 2017, in connection with the Share Exchange, we and DISH Network entered into an employee matters agreement that addressed the transfer of employees from us to DISH Network, including certain benefit and compensation matters and the allocation of responsibility for employee related liabilities relating to current and past employees of the transferred businesses. DISH Network assumed employee-related liabilities relating to the transferred businesses as part of the Share Exchange, except that we are responsible for certain existing employee related litigation as well as certain pre-Share Exchange compensation and benefits for employees who transferred to DISH Network in connection with the Share Exchange. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

Share Exchange Intellectual Property and Technology License Agreement. Effective March 2017 in connection with the Share Exchange, we and DISH Network entered into an intellectual property and technology license agreement (“IPTLA”) pursuant to which we and DISH Network license to each other certain intellectual property and technology. The IPTLA will continue in perpetuity, unless mutually terminated by the parties. Pursuant to the IPTLA, we granted to DISH Network a license to our intellectual property and technology for use by DISH Network, among other things, in connection with its continued operation of the businesses acquired pursuant to the Share Exchange, including a limited license to use the “EHOSTAR” trademark during a transition period. EchoStar retains full ownership of the “EHOSTAR” trademark. In addition, DISH Network granted a license back to us, among other things, for the continued use of all intellectual property and technology that is used in our retained businesses but the ownership of which was transferred to DISH Network pursuant to the Share Exchange. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

Share Exchange Tax Matters Agreement. Effective March 2017, in connection with the Share Exchange, we and DISH entered into a tax matters agreement. This agreement governs certain of our rights, responsibilities and obligations with respect to taxes of the transferred businesses pursuant to the Share Exchange. Generally, we are responsible for all tax returns and tax liabilities for the transferred businesses and assets for periods prior to the Share Exchange, and DISH Network is responsible for all tax returns and tax liabilities for the transferred businesses and assets from and after the Share Exchange. Both we and DISH Network made certain tax-related representations and are subject to various tax-related covenants after the consummation of the Share Exchange. Both we and DISH Network have agreed to indemnify each other if there is a breach of any such tax representation or violation of any such tax covenant and that breach or violation results in the Share Exchange not qualifying for tax free treatment for the other party. In

addition, DISH Network has agreed to indemnify us if the transferred businesses are acquired, either directly or indirectly (e.g., via an acquisition of DISH Network), by one or more persons and such acquisition results in the Share Exchange not qualifying for tax free treatment. This tax matters agreement supplements the Tax Sharing Agreement outlined below, which continues in full force and effect. There were no revenue, expenses or payments between us and DISH Network under or relating to this agreement for the year ended December 31, 2021.

Tax Sharing Agreement. Effective December 2007, we and DISH Network entered into a tax sharing agreement (the “Tax Sharing Agreement”) in connection with the Spin-off. This agreement governs our and DISH Network’s respective rights, responsibilities and obligations after the Spin-off with respect to taxes for the periods ending on or before the Spin-off. Generally, all pre-Spin-off taxes, including any taxes that are incurred as a result of restructuring activities undertaken to implement the Spin-off, are borne by DISH Network, and DISH Network indemnifies us for such taxes. However, DISH Network is not liable for and does not indemnify us for any taxes that are incurred as a result of the Spin-off or certain related transactions failing to qualify as tax-free distributions pursuant to any provision of Section 355 or Section 361 of the Internal Revenue Code, because of: (i) a direct or indirect acquisition of any of our stock, stock options or assets; (ii) any action that we take or fail to take; or (iii) any action that we take that is inconsistent with the information and representations furnished to the IRS in connection with the request for the private letter ruling, or to counsel in connection with any opinion being delivered by counsel with respect to the Spin-off or certain related transactions. In such case, we will be solely liable for, and will indemnify DISH Network for, any resulting taxes, as well as any losses, claims and expenses. The Tax Sharing Agreement will terminate after the later of the full period of all applicable statutes of limitations, including extensions, or once all rights and obligations are fully effectuated or performed.

In light of the Tax Sharing Agreement, among other things, and in connection with our consolidated federal income tax returns for certain tax years prior to and for the year of the Spin-off, in September 2013, we and DISH Network agreed upon a supplemental allocation of the tax benefits arising from certain tax items resolved in the course of the IRS’s examination of our consolidated tax returns. Prior to the agreement with DISH Network in 2013, the federal tax benefits were reflected as a deferred tax asset for depreciation and amortization, which was netted in our noncurrent deferred tax liabilities. The agreement with DISH Network in 2013 requires DISH Network to pay us the federal tax benefit it receives at such time as we would have otherwise been able to realize such tax benefit. We recorded a noncurrent receivable from DISH Network and a corresponding increase in our net deferred tax liabilities to reflect the effects of this agreement in September 2013. In addition, in September 2013, we and DISH Network agreed upon a tax sharing arrangement for filing certain combined state income tax returns and a method of allocating the respective tax liabilities between us and DISH Network for such combined returns, through the taxable period ending on December 31, 2017 (the “State Tax Arrangement”). No payments were made with respect to the Tax Sharing Agreement during the year ended December 31, 2021.

In August 2018, we and DISH Network amended the Tax Sharing Agreement and the 2013 agreements (the “Tax Sharing Amendment”). Under the Tax Sharing Amendment, to the extent permitted by applicable tax law, DISH Network is entitled to apply the benefit of our 2009 net operating losses (the “SATS 2009 NOLs”) to DISH Network’s federal tax return for the year ended December 31, 2008, in exchange for DISH Network paying us over time the value of the net annual federal income taxes paid by us that would have been otherwise offset by the SATS 2009 NOLs. The Tax Sharing Amendment also requires us and DISH Network to pay the other for the benefits of certain past and future federal research and development tax credits that we or DISH Network receive or received as a result of being part of a controlled group under the Internal Revenue Code and requires DISH Network to compensate us for certain past tax losses utilized by DISH Network and for certain past and future excess California research and development tax credits generated by us and used by DISH Network. In addition, the Tax Sharing Amendment extends the term of the State Tax Arrangement to the earlier to occur of termination of the Tax Sharing Agreement, a change in control of either us or DISH Network or, for any particular state, if we and DISH Network no longer file a combined tax return for such state.

We and DISH Network filed combined income tax returns in certain states from 2008 through 2019. We have earned and recognized tax benefits for certain state income tax credits that we would be unable to fully utilize currently if we had filed separately from DISH Network. Consistent with accounting principles that apply to transfers of assets between entities under common control, we record a charge to additional paid-in capital representing the amount that we estimate is more likely than not to be realized by DISH Network as a result of its utilization of the tax credits that we earned. We did not record a charge to additional paid-in capital for the year ended December 31, 2021. We expect to increase additional paid-in capital upon receipt of any consideration that DISH Network pays to us in exchange for these tax credits.

Telesat Obligation Agreement. We transferred the Telesat Transponder Agreement to DISH Network as part of the BSS Transaction; however, we retained certain obligations related to DISH Network’s performance under that agreement. In September 2019, we and DISH Network entered into an agreement whereby DISH Network compensates us for retaining such obligations. We earned revenue of approximately \$0.5 million from DISH Network under this agreement for the year ended December 31, 2021.

TerreStar Agreement. In March 2012, DISH Network completed its acquisition of substantially all the assets of TerreStar Networks Inc. (“TerreStar”). Prior to DISH Network’s acquisition of substantially all the assets of TerreStar and our completion of the Hughes

Acquisition, TerreStar and HNS entered into various agreements pursuant to which we provide, among other things, warranty, operations and maintenance and hosting services for TerreStar's ground-based communications equipment (the "TerreStar Agreements"). In December 2017, we and DISH Network amended these agreements, effective as of January 1, 2018, to reduce certain pricing terms through December 31, 2023, and to modify certain termination provisions. DISH Network generally has the right to continue to receive warranty services from us for our products on a month-to-month basis unless terminated by DISH Network upon at least 21 days' written notice to us. DISH Network generally has the right to continue to receive operations and maintenance services from us on a quarter-to-quarter basis unless terminated by DISH Network upon at least 90 days' written notice to us. The provision of hosting services will continue until May 2022. In addition, DISH Network generally may terminate any and all services for convenience subject to providing us with prior notice and/or payment of termination charges. In March 2020, we entered into an agreement with DISH Network (the "2020 Agreement") pursuant to which we added a service under the Amended and Restated Professional Services Agreement (as defined above) whereby we perform certain work and provide certain credits to amounts owed to us under the TerreStar Agreements in exchange for DISH Network's granting us rights to use certain satellite capacity under the Amended and Restated Professional Services Agreement. As a result, we and DISH Network amended the TerreStar Agreements to suspend our provision of warranty services to DISH Network from April 2020 through December 2020. Following the expiration of this suspension, we recommenced providing warranty services to DISH Network. We earned revenue of approximately \$3.7 million from DISH Network under the TerreStar Agreements for the year ended December 31, 2021.

Hallandale Settlement. A class action litigation arising out of our sale of certain broadcast satellite services assets to DISH was filed against us and DISH in state court in Nevada in 2019 (the "Hallandale Action"). The defendants reached an agreement with the plaintiffs for the settlement of the Hallandale Action. The defendants have executed an agreement regarding the allocation of the settlement amount.

Related Party Transactions with Hughes Systique Corporation ("Hughes Systique")

We contract with Hughes Systique for software development services. In addition to our approximately 42% ownership in Hughes Systique, Mr. Pradman Kaul, the President of Hughes Communications and a member of our board of directors, and his brother, who is the Chief Executive Officer and President of Hughes Systique, own in the aggregate approximately 25%, on an undiluted basis, of Hughes Systique's outstanding shares as of December 31, 2021. Furthermore, Mr. Kaul serves on the board of directors of Hughes Systique. Hughes Systique is a variable interest entity and we are considered the primary beneficiary of Hughes Systique due to, among other factors, our ability to direct the activities that most significantly impact the economic performance of Hughes Systique. As a result, we consolidate Hughes Systique's financial statements in our consolidated financial statements. We incurred expenses of approximately \$15.9 million payable to Hughes Systique for the year ended December 31, 2021.

Related Party Transactions with TerreStar Solutions, Inc. ("TSI")

DISH Network owns more than 15% of TSI. In May 2018, we and TSI entered into an equipment and services agreement pursuant to which we design, manufacture and install upgraded ground communications network equipment for TSI's network and provide, among other things, warranty and support services. We earned revenue from TSI under this agreement of approximately \$1.9 million for the year ended December 31, 2021.

Related Party Transactions with Skillsoft Corporation ("Skillsoft")

Mr. Jeffrey R. Tarr is a member of our Board of Directors. Mr. Tarr has served as the Chief Executive Officer and as a director of Skillsoft since June 2021. We have agreements in place with Skillsoft and certain of its affiliated companies to provide employee training and associated services. These agreements were negotiated on an arm's length basis and were entered into in the ordinary course of business prior to Mr. Tarr becoming Chief Executive Officer of Skillsoft. We incurred expenses of approximately \$262,900 payable to Skillsoft and certain of its affiliated companies for the year ended December 31, 2021.

PROPOSAL 2 — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Independent Registered Public Accounting Firm

We customarily ask our shareholders to ratify the appointment of our independent registered public accounting firm at each annual meeting. The Audit Committee and the Board of Directors have selected and appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022, and we are asking our shareholders to ratify this appointment at the Annual Meeting. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of EchoStar. Representatives of KPMG LLP are expected to be present at the Annual Meeting and will have the opportunity to make any statements they may desire. They also will be available to respond to appropriate questions of shareholders.

The Board of Directors unanimously recommends a vote FOR the ratification of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Audit Committee Pre-Approval Process

The Audit Committee is responsible for appointing, setting compensation, retaining and overseeing the work of our independent registered public accounting firm. The Audit Committee has established a process regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm.

Requests are submitted to the Audit Committee in one of the following ways:

- Request for approval of services at a meeting of the Audit Committee; or
- Request for approval of services by members of the Audit Committee acting by written consent.

The request may be made with respect to either specific services or a type of service for predictable or recurring services. All of the fees paid by us to KPMG LLP for services for 2021 and 2020 were pre-approved by the Audit Committee.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of EchoStar's financial reporting process, as is more fully described in our charter. EchoStar's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with generally accepted accounting principles. EchoStar's independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not and may not be employees of EchoStar, and we may not represent ourselves to be, or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on representations by EchoStar's management that its financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We have also relied on representations of EchoStar's independent registered public accounting firm included in their report on its financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with EchoStar's management and independent registered public accounting firm do not assure that EchoStar's financial statements are presented in accordance with generally accepted accounting principles, that the audit of EchoStar's financial statements has been carried out in accordance with the applicable requirements of the Public Company Accounting Oversight Board (United States) ("PCAOB") and the Securities and Exchange Commission or that EchoStar's independent registered public accounting firm is in fact "independent."

In the performance of our oversight function, we reviewed and discussed with EchoStar's management its audited financial statements for the fiscal year ended December 31, 2021. We also discussed these audited financial statements with EchoStar's independent registered public accounting firm. Our discussions with the independent registered public accounting firm included matters required to be discussed pursuant to the rules adopted by the PCAOB. We also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, we received and reviewed the written disclosures from KPMG LLP required by applicable requirements of the PCAOB. Finally, we have considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, we are not aware of any relationship between the independent registered public accounting firm and EchoStar that affects the objectivity or independence of the independent registered public accounting firm. Based on these discussions and our review discussed above, we recommended to the Board of Directors that its audited financial statements for fiscal year 2021 be included in EchoStar's Annual Report on Form 10-K for the year ended December 31, 2021 for filing with the SEC.

Respectfully submitted,

The Audit Committee (approved February 15, 2022)

C. Michael Schroeder (Chair)
Lisa W. Hershman
Jeffrey R. Tarr
William D. Wade
