Item 1.01 Entry into a Material Definitive Agreement.

On May 27, 2008, EchoStar DBS Corporation (the “Company”), an indirect wholly-owned subsidiary of DISH Network Corporation, entered into an Indenture, between the Company, the guarantors named on the signature pages thereto and U.S. Bank National Association, as trustee, relating to the Company’s issuance of \$750 million aggregate principal amount of its 7.75% Senior Notes due 2015 (the “Notes”). A copy of the Indenture is attached hereto as Exhibit 4.1 and incorporated herein by reference. For a description of the material terms of the Indenture and the Notes, see the information set forth below under Item 2.03, which is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 27, 2008, the Company issued \$750 million aggregate principal amount of Notes pursuant to the Indenture. The Notes were sold in a private placement to (1) “qualified institutional buyers” in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”) and (2) outside the United States to persons who are not “U.S. persons” (as defined in Rule 902 of Regulation S under the Securities Act) in compliance with Regulation S under the Securities Act.

The Notes bear interest at a rate of 7.75% per annum and mature on May 31, 2015. Interest on the Notes will be payable semi-annually on May 31 and November 30 of each year, starting on November 30, 2008, to the holders of record of such Notes at the close of business on the May 15 or November 15, respectively, preceding such interest payment date. The Indenture contains covenants that will limit the Company’s ability and, in certain instances, the ability of certain of the Company’s subsidiaries to (i) incur additional debt; (ii) pay dividends or make distributions on the Company’s capital stock or repurchase the Company’s capital stock; (iii) make certain investments; (iv) create liens or enter into sale and leaseback transactions; (v) enter into transactions with affiliates; (vi) merge or consolidate with another company; and (vii) transfer and sell assets. These covenants include partial exceptions.

The Company, at its option, may at any time and from time to time redeem all or any portion of the Notes on not less than 30 and not more than 60 days’ prior notice mailed to the holders of the Notes to be redeemed. The Notes will be redeemable at a price equal to the principal amount of the Notes being redeemed, plus accrued and unpaid interest to the date of redemption and a “make-whole” premium calculated under the Indenture. The Company, at any time prior to May 31, 2011, may also redeem up to 35% of the aggregate principal amount of the Notes, at a redemption price equal to 107.75% of the principal amount of the Notes being redeemed with the net cash proceeds from certain equity offerings or capital contributions.

The Indenture provides for customary events of default, including: nonpayment, breach of the covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy, insolvency and reorganization. If any event of default occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately, together with interest, if any, accrued thereon.

Under the terms of a Registration Rights Agreement, the Company has agreed to register notes having substantially identical terms as the Notes with the Securities and Exchange Commission as part of an offer to exchange freely tradable exchange notes for the Notes.

The description set forth above is qualified in its entirety by the Indenture and the Registration Rights Agreement filed herewith as exhibits.

A copy of the Registration Rights Agreement is attached hereto as Exhibit 4.2 and incorporated herein by reference.

All Global Notes will be exchanged by the Company for Definitive Notes if (i) the Company delivers to the Trustee notice from the Depository that it is unwilling or unable to continue to act as Depository and a successor Depository is not appointed by the Company within 90 days after the date of such notice from the Depository, (ii) the Depository has ceased to be a clearing agency registered under the Exchange Act or (iii) there shall have occurred and be continuing a Default or an Event of Default under this Indenture and the Depository shall have so requested. In any such case, the Company will notify the Trustee in writing that, upon surrender by the Direct Participants and Indirect Participants of their interest in such Global Note, Certificated Notes will be issued to each Person that such Direct Participants and Indirect Participants and DTC identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 of this Indenture. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or, (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon consummation of an Exchange Offer by the Company in accordance with Section 2.06(f), the requirements of this Section 2.06(b)(ii) shall be deemed to have been satisfied upon receipt by the Registrar of the instructions contained in the Letter of Transmittal delivered by the Holder of such beneficial interests in the Restricted Global Notes. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) above and the Registrar receives the following:

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (B) or (D) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate, one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (D) above.

(D) the Registrar receives the following:

(y) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit D hereto, including the certifications in item (1)(d) thereof; or

(z) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (4) thereof; and, in each such case set forth in this subparagraph (D), if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Exchange Offer. Upon the occurrence of an Exchange Offer in accordance with the Registration Rights Agreement, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate (i) one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount

of the beneficial interests in the Restricted Global Notes tendered for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not Broker-Dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not “affiliates” (as defined in Rule 144) of the Company, and accepted for exchange in an Exchange Offer and (ii) Definitive Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Notes accepted for exchange in an Exchange Offer. Concurrently with the issuance of such Notes, the Trustee shall cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly, and the Company shall execute and the Trustee shall authenticate and deliver to the Persons designated by the Holders of Restricted Definitive Notes so accepted Unrestricted Definitive Notes in the appropriate principal amount.

(g) Legends. The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(i) Private Placement Legend.

(A) Except as permitted by subparagraph (B) below, each Global Note (other than an Unrestricted Global Note) and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the Private Placement Legend.

(B) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraphs (b)(iv), (c)(ii), (c)(iii), (d)(ii), (d)(iii), (e)(ii), (e)(iii) or (f) to this Section 2.06 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(ii) Global Note Legend. Each Global Note shall bear the Global Note Legend.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Company's order or at the Registrar's request.

(ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.08 and 9.05).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits of this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the day of any selection of Notes for redemption under Section 3.02 of this Indenture and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 of this Indenture.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

SECTION 2.07. Replacement Notes.

If any mutilated Note is surrendered to the Trustee, or the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon the written order of the Company signed by two Officers of the Company, shall authenticate a replacement Note if the Trustee's requirements for

replacements of Notes are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. Each of the Company and the Trustee may charge for its expenses in replacing a Note.

Every replacement Note is an obligation of the Company.

SECTION 2.08. Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.09, a Note does not cease to be outstanding because the Company, a Subsidiary of the Company or an Affiliate of the Company holds the Note.

SECTION 2.09. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, any Subsidiary of the Company or any Affiliate of the Company shall be considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Responsible Officer knows to be so owned shall be so considered. Notwithstanding the foregoing, Notes that are to be acquired by the Company, any Subsidiary of the Company or an Affiliate of the Company pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by the Company, a Subsidiary of the Company or an Affiliate of the Company until legal title to such Notes passes to the Company, such Subsidiary or such Affiliate, as the case may be.

SECTION 2.10. Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee, upon receipt of the written order of the Company signed by two Officers of the Company, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

SECTION 2.11. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy canceled Notes (subject to the record retention requirement of the Exchange Act), unless the Company directs canceled Notes to be returned to it. The Company may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All canceled Notes held by the Trustee shall be destroyed and certification of their destruction delivered to the Company, unless by a written order, signed by two Officers of the Company, the Company shall direct that canceled Notes be returned to it.

SECTION 2.12. Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders of the Notes on a subsequent special record date, which date shall be at the earliest practicable date but in all events at least five Business Days prior to the payment date, in each case at the rate provided in the Notes. The Company shall, with the consent of the Trustee, fix or cause to be fixed each such special record date and payment date. At least 15 days before the special record date, the Company (or the Trustee, in the name of and at the expense of the Company) shall mail to Holders of the Notes a notice that states the special record date, the related payment date and the amount of such interest to be paid.

SECTION 2.13. Record Date.

The record date for purposes of determining the identity of Holders of the Notes entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture shall be determined as provided for in TIA Section 316(c).

SECTION 2.14. CUSIP Number.

The Company in issuing the Notes may use a "CUSIP" number and, if it does so, the Trustee shall use the CUSIP number in notices of redemption or exchange as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes and that reliance may be placed only on the other identification numbers printed on the Notes. The Company will promptly notify the Trustee of any change in the CUSIP number.

ARTICLE 3
REDEMPTION

SECTION 3.01. Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, it shall furnish to the Trustee, at least 35 days (unless a shorter period

is acceptable to the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (i) the redemption date, (ii) the principal amount of Notes to be redeemed and (iii) the redemption price. If the Company is required to make the redemption pursuant to Section 3.08, it shall furnish the Trustee, at least one but not more than 10 Business Days before a redemption date, an Officers' Certificate setting forth (i) the redemption date and (ii) the redemption price.

SECTION 3.02. Selection of Notes to Be Redeemed.

If less than all of the Notes are to be redeemed at any time, the selection of Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed, or if the Notes are not so listed on a pro rata basis, by lot or in accordance with any other method the Trustee deems fair and appropriate, provided that no Notes with a principal amount of \$1,000 or less shall be redeemed in part. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of them selected shall be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption.

Subject to the provisions of Sections 3.08, at least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued in the name of the Holder thereof upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;

(v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(vi) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; provided that the Company shall have delivered to the Trustee, at least 35 days (unless a shorter period is acceptable to the Trustee) prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04. Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date at the redemption price.

SECTION 3.05. Deposit of Redemption Price.

On or prior to any redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

On and after the redemption date, if the Company does not default in the payment of the redemption price, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes.

SECTION 3.06. Notes Redeemed in Part.

Upon surrender and cancellation of a Note that is redeemed in part, the Company shall issue and the Trustee shall authenticate for the Holder of the Notes at the expense of the

Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Optional Redemption.

Except as provided below, the Notes are not redeemable at the option of the Company prior to May 31, 2015.

The Notes will be subject to redemption at the option of the Company, at any time in whole, or from time to time in part, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the applicable redemption date plus the "Make-Whole Premium." The "Make-Whole Premium," with respect to any Note or any portion of any Note to be redeemed shall be equal to the greater of:

- (a) 1% of the principal amount of such Note or such portion of a Note being redeemed and
- (b) the excess, if any, of
 - (i) the sum of the present values, calculated as of the redemption date, of:
 - (A) each interest payment that, but for the redemption, would have been payable on the Note, or portion of a Note, being redeemed on each interest payment date occurring after the redemption date, excluding any accrued interest for the period prior to the redemption date, plus
 - (B) the principal amount that, but for the redemption, would have been payable on the maturity date of the Note, or portion of a Note, being redeemed; over
 - (ii) the principal amount of the Note, or portion of a Note, being redeemed.

The present values of interest and principal payments referred to in clause (b)(i) above will be determined in accordance with generally accepted principles of financial analysis. The present values will be calculated by discounting the amount of each payment of interest or principal from the date that each such payment would have been payable, but for the redemption, to the redemption date at a discount rate equal to the Treasury Yield, as defined below, plus 50 basis points.

The Company shall appoint an independent investment banking institution of national standing to calculate the Make-Whole Premium; provided that if the Company fails to appoint such an institution at least 45 days prior to the date set for redemption or if the institution that the Company appoints is unwilling or unable to make such calculation, such calculation shall be made by Credit Suisse Securities (USA) LLC or, if such firm is unwilling or unable to

make such calculation, by an independent investment banking institution of national standing appointed by the Trustee.

For purposes of determining the Make-Whole Premium, "Treasury Yield" shall refer to an annual rate of interest equal to the weekly average yield to maturity of United States Treasury Notes that have a constant maturity that corresponds to the remaining term to maturity of the Notes being redeemed, calculated to the nearest 1/12th of a year (the "Remaining Term"). The Treasury Yield shall be determined as of the third Business Day immediately preceding the applicable redemption date.

The weekly average yields of United States Treasury Notes shall be determined by reference to the most recent statistical release published by the Federal Reserve Bank of New York and designated "H.15(519) Selected Interest Rates" or any successor release (the "H.15 Statistical Release"). If the H.15 Statistical Release sets forth a weekly average yield for United States Treasury Notes having a constant maturity that is the same as the Remaining Term, then the Treasury Yield shall be equal to such weekly average yield. In all other cases, the Treasury Yield shall be calculated by interpolation, on a straight-line basis, between the weekly average yields on the United States Treasury Notes that have a constant maturity closest to and greater than the Remaining Term and the United States Treasury Notes that have a constant maturity closest to and less than the Remaining Term, in each case as set forth in the H.15 Statistical Release. Any weekly average yields as calculated by interpolation shall be rounded to the nearest 0.01%, with any figure of 0.005% or more being rounded upward. If weekly average yields for United States Treasury Notes are not available in the H.15 Statistical Release or otherwise, then the Treasury Yield shall be calculated by interpolation of comparable rates selected by the independent investment banking institution.

Notwithstanding the foregoing, (i) Holders of record on the relevant record date shall have the right to receive interest due on any interest payment date that is on or prior to the redemption date and (ii) the redemption price shall never be less than 100% of the principal amount of the Notes being redeemed plus accrued interest to the redemption date.

Notwithstanding the foregoing, at any time prior to May 31, 2011, the Company may redeem up to 35% of the aggregate principal amount of the Notes outstanding at a redemption price equal to 107.75% of the principal amount thereof, on the redemption date, together with accrued and unpaid interest to such redemption date, with the net cash proceeds of any capital contributions or one or more public or private sales (including sales to DISH, regardless of whether DISH obtained such funds from an offering of Equity Interests or Indebtedness of DISH or otherwise) of Equity Interests (other than Disqualified Stock) of the Company (other than proceeds from a sale to any Subsidiary of the Company or any employee benefit plan in which the Company or any of its Subsidiaries participates); provided that: (a) at least 65% in aggregate of the originally issued principal amount of the Notes remains outstanding immediately after the occurrence of such redemption; and (b) the sale of such Equity Interests is made in compliance with the terms of this Indenture.

SECTION 3.08. Offer to Purchase by Application of Excess Proceeds.

When the cumulative amount of Excess Proceeds that have not been applied in accordance with Section 4.10 or this Section 3.08 exceeds \$100.0 million, the Company shall be obligated to make an offer to all Holders of the Notes (an “Excess Proceeds Offer”) to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 101% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for the closing of such offer in accordance with the procedures set forth in this Indenture. To the extent the Company or a Restricted Subsidiary is required under the terms of Indebtedness of the Company or such Restricted Subsidiary which is ranked equally with the Notes to make an offer to purchase such other Indebtedness with any proceeds which constitute Excess Proceeds under this Indenture, the Company shall make a *pro rata* offer to the holders of all other *pari passu* Indebtedness (including the Notes) with such proceeds. If the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis.

The Excess Proceeds Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “Offer Period”). No later than five Business Days after the termination of the Offer Period (the “Purchase Date”), the Company shall purchase the maximum principal amount of Notes that may be purchased with such Excess Proceeds (which maximum principal amount of Notes shall be the “Offer Amount”) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Excess Proceeds Offer.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Excess Proceeds Offer.

Upon the commencement of any Excess Proceeds Offer, the Company shall send, by first class mail, a notice to each of the Holders of the Notes, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Excess Proceeds Offer. The notice, which shall govern the terms of the Excess Proceeds Offer, shall state:

- (i) that the Excess Proceeds Offer is being made pursuant to this Section 3.08 and the length of time the Excess Proceeds Offer shall remain open;
- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (iv) that any Note accepted for payment pursuant to the Excess Proceeds Offer shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to any Excess Proceeds Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Company, a depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three business days before the Purchase Date;

(vi) that Holders shall be entitled to withdraw their election if the Company, Depository or Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have the Note purchased;

(vii) that, if the aggregate principal amount of Notes surrendered by Holders exceeds the Offer Amount, the Company shall select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$1,000, or integral multiples thereof, shall be purchased); and

(viii) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

On or before the Purchase Date, the Company shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Excess Proceeds Offer, or if less than the Offer Amount has been tendered, all Notes or portion thereof tendered, and deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.08. The Company, Depository or Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Note tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Note, and the Trustee shall authenticate and mail or deliver such new Note, to such Holder equal in principal amount to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Excess Proceeds Offer on the Purchase Date. To the extent that the aggregate principal amount of Notes tendered pursuant to an Excess Proceeds Offer is less than the amount of such Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. Upon completion of an Excess Proceeds Offer, the amount of Excess Proceeds shall be reset at zero.

Other than as specifically provided in this Section 3.08, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

ARTICLE 4
COVENANTS

SECTION 4.01. Payment of Notes.

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company, holds as of 10:00 a.m. Eastern Time on the due date money deposited by or on behalf of the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency.

The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

SECTION 4.03. Reports.

(a) In the event (i) that the Company is no longer subject to the reporting requirements of Section 13(a) and 15(d) under the Exchange Act and (ii) any Notes are outstanding, the Company will furnish to the Holders of the Notes all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms

10-Q and 10-K if the Company were required to file such forms and, with respect to the annual information only, a report thereon by our independent registered public accounting firm.

(b) The Company shall provide the Trustee with a sufficient number of copies of all documents and information that the Trustee may be required to deliver to the Holders of the Notes under this Section 4.03.

SECTION 4.04. Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether each has kept, observed, performed and fulfilled its obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge each entity has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture including, without limitation, a default in the performance or breach of Section 4.07, Section 4.09, Section 4.10 or Section 4.15 (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action each is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action each is taking or proposes to take with respect thereto.

(b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of (i) any Default or Event of Default, or (ii) any default under any Indebtedness referred to in Section 6.01(f) or (g) of this Indenture, an Officers' Certificate specifying such Default, Event of Default or default and what action the Company or any of its Affiliates is taking or proposes to take with respect thereto.

SECTION 4.05. Taxes.

The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except as contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06. Stay, Extension and Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the

execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments.

Neither the Company nor any of its Restricted Subsidiaries may, directly or indirectly:

(a) declare or pay any dividend or make any distribution on account of any Equity Interests of the Company other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company;

(b) purchase, redeem or otherwise acquire or retire for value any Equity Interests of DISH, the Company or any of their respective Subsidiaries or Affiliates, other than any such Equity Interests owned by the Company or by any Wholly Owned Restricted Subsidiary;

(c) purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness that is expressly subordinated in right of payment to the Notes or the Guarantees, except:

(i) in accordance with the scheduled mandatory redemption, sinking fund or repayment provisions set forth in the original documentation governing such Indebtedness and

(ii) the purchase, repurchase or other acquisition of subordinated Indebtedness with a stated maturity earlier than the maturity of the Notes or the Guarantees purchased in anticipation of satisfying a payment of principal at the stated maturity thereof, within one year of such stated maturity;

(d) declare or pay any dividend or make any distribution on account of any Equity Interests of any Restricted Subsidiary, other than:

(i) to the Company or any Wholly Owned Restricted Subsidiary; or

(ii) to all holders of any class or series of Equity Interests of such Restricted Subsidiary on a pro rata basis; provided that in the case of this clause (ii), such dividends or distributions may not be in the form of Indebtedness or Disqualified Stock; or

(e) make any Restricted Investment (all such prohibited payments and other actions set forth in clauses (a) through (e) being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(i) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(ii) after giving effect to such Restricted Payment and the incurrence of any Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Indebtedness to Cash Flow Ratio of the Company would not have exceeded 8.0 to 1; and

(iii) such Restricted Payment, together with the aggregate of all other Restricted Payments made by the Company after December 28, 2001, is less than the sum of:

(A) the difference of

(C) if any Unrestricted Subsidiary is designated by the Company as a Restricted Subsidiary, an amount equal to the fair market value of the net Investment by the Company or a Restricted Subsidiary in such Subsidiary at the time of such designation; provided, however, that the foregoing sum shall not exceed the amount of the Investments made by the Company or any Restricted Subsidiary in any such Unrestricted Subsidiary since December 28, 2001; plus

(D) 100% of any cash dividends and other cash distributions received by the Company and its Wholly Owned Restricted Subsidiaries from an Unrestricted Subsidiary since December 28, 2001 to the extent not included in cumulative Consolidated Cash Flow of the Company; plus

(E) to the extent not included in clauses (A) through (D) above, an amount equal to the net reduction in Investments of the Company and its Restricted Subsidiaries since December 28, 2001 resulting from payments in cash

of interest on Indebtedness, dividends, or repayment of loans or advances, or other transfers of property, in each case, to the Company or to a Wholly Owned Restricted Subsidiary or from the net cash proceeds from the sale, conveyance or other disposition of any such Investment; provided, however, that the foregoing amount shall not exceed, with respect to any Person in whom such Investment was made, the amount of Investments previously made by the Company or any Restricted Subsidiary in such Person which were included in computations made pursuant to this clause (iii).

- (2) the redemption, repurchase, retirement or other acquisition of any Equity Interests of the Company in exchange for, or out of the net proceeds of the substantially concurrent capital contribution from DISH or from the substantially concurrent issue or sale (including to DISH) of Equity Interests (other than Disqualified Stock) of the Company (other than Equity Interests issued or sold to any Subsidiary of the Company);
- (3) Investments in an aggregate amount not to exceed \$500 million plus, to the extent not included in Consolidated Cash Flow, an amount equal to the net reduction in such Investments resulting from payments in cash of interest on Indebtedness, dividends or repayment of loans or advances, or other transfers of property, in each case, to the Company or to a Wholly Owned Restricted Subsidiary or from the net cash proceeds from the sale, conveyance or other disposition of any such Investment; provided, however, that the foregoing sum shall not exceed, with respect to any Person in whom such Investment was made, the amount of Investments previously made by the Company or any Restricted Subsidiary in such Person pursuant to this clause (3);
- (4) Investments to fund the financing activity of DNCC in the ordinary course of its business in an amount not to exceed, as of the date of determination, the sum of (A) \$100 million plus (B) 50% of the aggregate cost to DNCC for each Satellite Receiver purchased by DNCC and leased by DNCC to a retail consumer in excess of 100,000 units;

(8) Investments in any Restricted Subsidiary which is not a Wholly Owned Restricted Subsidiary, but which is a Guarantor and Investments in the form of intercompany debt with any direct or indirect parent company or any Wholly Owned Subsidiary of such direct or indirect parent company provided that such debt is incurred in the ordinary course of business and is used in a business described in Section 4.16 of this Indenture;

(12) Investments made as a result of the receipt of non-cash proceeds from Asset Sales made in compliance with Section 4.10 of this Indenture and Investments entered into in connection with an acquisition of assets used in or constituting a business permitted under Section 4.16 of this Indenture as a result of “earn-outs” or other deferred payments or similar obligations;

(13) any Restricted Payment permitted under any of the EDBS Notes Indentures;

(14) Investments which are used to pay for the construction, launch, operation or insurance of satellites owned or leased by the Company or any Subsidiaries of the Company in an amount not to exceed \$500 million;

(15) Investments in a foreign direct-to-home satellite provider in an amount not to exceed \$500 million; provided that the Investments are made through the supply of satellite receivers and related equipment to the provider, or the proceeds from the Investments are used to purchase satellite receivers and related equipment from DISH or a Subsidiary of DISH;

(16) the redemption, repurchase, defeasance or other acquisition or retirement for value of subordinated Indebtedness, including premium, if any, and accrued and unpaid interest, with the proceeds of, or in exchange for: (a) the proceeds of a capital contribution or a substantially concurrent offering of, shares of Capital Stock of the Company (or options, warrants or other rights to acquire such Capital Stock), or (b) Indebtedness that is at least as subordinated in right of payment to the Notes, including premium, if any, and accrued and unpaid interest, as the Indebtedness being redeemed, repurchased, defeased, acquired or retired and with a final maturity equal to or greater than, and a Weighted Average Life to Maturity equal to or greater than, the final maturity and Weighted Average Life to Maturity, respectively, of the Indebtedness being redeemed, repurchased, defeased, acquired or retired;

(17) repurchases of Equity Interests deemed to occur upon (a) the exercise of stock options, warrants or convertible securities issued as compensation if such Equity Interests represent a portion of the exercise price thereof and (b) the withholding of a portion of the Equity Interests granted or awarded to an employee to pay taxes associated therewith (or a dividend or distribution to finance such a deemed repurchase by DISH);

(18) amounts paid by the Company to DISH or any other person with which the Company is included in a consolidated tax return equal to the amount of federal, state and local income taxes payable in respect of the income of the Company and its Subsidiaries, including without limitation, any payments made in accordance with tax allocation agreements between the Company and its Affiliates in effect from time to time; and

(19) the making of a Restricted Payment so long as after giving effect to such Restricted Payment and the incurrence of any Indebtedness the net proceeds of which are used to finance such Restricted Payment, the Company's Indebtedness to Cash Flow Ratio would not exceed 3.5 to 1.

Restricted Payments made pursuant to clauses (1), (2), (4), (7), (16) (but only to the extent that net proceeds received by the Company as set forth in such clause (2), (7) or (16) were included in the computations made in clause (iii)(B) of the first paragraph of this Section 4.07), (10) or (13) (but only to the extent such Restricted Payment is included as a Restricted Payment in any computation made pursuant to clause (iii) of the first paragraph of Section 4.07 contained in the EDBS Notes Indentures), shall be included as Restricted Payments in any computation made pursuant to clause (iii) of the first paragraph of this Section 4.07.

Restricted Payments made pursuant to clauses (3), (5), (6), (7), (16) (but only to the extent that net proceeds received by the Company as set forth in such clause (7) or (16) were not included in the computations made in clause (iii)(B) of the first paragraph of this

Section 4.07), (8), (9), (11), (12), (13) (to the extent such Restricted Payment is not included as a Restricted Payment in any computation made pursuant to clause (iii) of the first paragraph of Section 4.07 contained in an EDBS Notes Indenture), (14), (15), (17), (18) or (19) shall not be included as Restricted Payments in any computation made pursuant to clause (iii) of the first paragraph of this Section 4.07.

If the Company or any Restricted Subsidiary makes an Investment that was included in computations made pursuant to this Section 4.07 and the Person in which such Investment was made subsequently becomes a Restricted Subsidiary that is a Guarantor, to the extent such Investment resulted in a reduction in the amounts calculated under clause (iii) of the first paragraph of or under any other provision of this Section 4.07, then such amount shall be increased by the amount of such reduction.

Not later than ten Business Days following a request from the Trustee, the Company shall deliver to the Trustee an Officers' Certificate stating that each Restricted Payment made in the six months preceding the date of the request was permitted and setting forth the basis upon which the calculations required by this Section 4.07 were computed, which calculations shall be based upon the Company's latest available financial statements.

SECTION 4.08. Limitations on Dividend and Other Payment Restrictions Affecting Subsidiaries.

The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

(a) pay dividends or make any other distribution to the Company or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Subsidiaries;

(b) make loans or advances to the Company or any of its Subsidiaries; or

(c) transfer any of its properties or assets to the Company or any of its Subsidiaries; except for such encumbrances or restrictions existing under or by reasons of:

(ii) applicable law or regulation;

(iii) any instrument governing Acquired Debt as in effect at the time of acquisition (except to the extent such Indebtedness was incurred in connection with, or in contemplation of, such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired, provided that the Consolidated Cash Flow of such Person shall not be taken into account in determining whether such acquisition was permitted by the terms of this Indenture, except to the extent that dividends or other

distributions are permitted notwithstanding such encumbrance or restriction and could have been distributed;

(iv) by reason of customary non-assignment provisions in leases entered into in the ordinary course of business and consistent with past practices;

(v) Refinancing Indebtedness (as defined in Section 4.09 of this Indenture); provided that the restrictions contained in the agreements governing such Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced;

(vi) this Indenture or any of the Notes;

(vii) Permitted Liens; or

(viii) any agreement for the sale of any Subsidiary or its assets that restricts distributions by that Subsidiary pending its sale; provided that during the entire period in which such encumbrance or restriction is effective, such sale (together with any other sales pending) would be permitted under the terms of this Indenture.

SECTION 4.09. Limitation on Incurrence of Indebtedness.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to (collectively, "incur") any Indebtedness (including Acquired Debt); provided, however, that, notwithstanding the foregoing the Company and any Guarantor may incur Indebtedness (including Acquired Debt), if, after giving effect to the incurrence of such Indebtedness and the application of the net proceeds thereof on a pro forma basis (including, in the case of an acquisition, merger or other business combination giving pro forma effect to such transaction), either (a) the Indebtedness to Cash Flow Ratio of the Company would not have exceeded 8.0 to 1 or (b) the aggregate amount of Indebtedness of the Company and the Guarantors would not exceed \$1,500 per Subscriber.

The foregoing limitation will not apply to any of the following incurrences of Indebtedness:

(1) Indebtedness represented by the Notes, the Guarantees thereof and this Indenture;

(2) the incurrence by the Company or any Guarantor of Acquired Subscriber Debt not to exceed \$1,750 per Acquired Subscriber (less any amount used to incur Indebtedness pursuant to clause (b) of the immediately preceding paragraph);

(3) the incurrence by the Company or any Guarantor of Deferred Payments and letters of credit with respect thereto;

(4) Indebtedness of the Company or any Guarantor in an aggregate principal amount not to exceed \$1,050,000,000 at any one time outstanding;

(5) Indebtedness between and among the Company and any Guarantor;

(6) Acquired Debt of a Person incurred prior to the date upon which such Person was acquired by the Company or any Guarantor (excluding Indebtedness incurred by such entity other than in the ordinary course of its business in connection with, or in contemplation of, such entity being so acquired) in an amount not to exceed (A) \$250 million in the aggregate for all such Persons other than those described in the immediately following clause (B); and (B) Acquired Debt owed to the Company or any of its Restricted Subsidiaries;

(7) Existing Indebtedness;

(8) the incurrence of Purchase Money Indebtedness by the Company or any Guarantor in an amount not to exceed the cost of construction, acquisition or improvement of assets used in any business permitted under Section 4.16 of this Indenture, as well as any launch costs and insurance premiums related to such assets;

(9) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations that are incurred in the ordinary course of business and not for speculative purposes, including without limitation Hedging Obligations covering the principal amount of Indebtedness entered into in order to protect the Company or any of its Restricted Subsidiaries from fluctuation in interest rates on Indebtedness;

(10) Indebtedness of the Company or any Restricted Subsidiary in respect of performance bonds or letters of credit of the Company or any Restricted Subsidiary or surety bonds provided by the Company or any Restricted Subsidiary incurred in the ordinary course of business and on ordinary business terms in connection with the businesses permitted under Section 4.16 of this Indenture;

(11) Indebtedness of the Company or any Guarantor the proceeds of which are used solely to finance the construction and development of call centers owned by the Company or any of its Restricted Subsidiaries or any refinancing thereof; provided that the aggregate of all Indebtedness incurred pursuant to this clause (11) shall in no event exceed \$100 million at any one time outstanding;

(12) the incurrence by the Company or any Guarantor of Indebtedness issued in exchange for, or the proceeds of which are used to extend, refinance, renew, replace, substitute or refund in whole or in part Indebtedness referred to in the first paragraph of this Section 4.09 or in clauses (1), (2), (3), (6), (7) or (8) above ("Refinancing Indebtedness"); provided, however, that:

(A) the principal amount of such Refinancing Indebtedness shall not exceed the principal amount and accrued interest of the Indebtedness so exchanged, extended, refinanced, renewed, replaced, substituted or refunded and any premiums payable and reasonable fees, expenses, commissions and costs in connection therewith;

(B) the Refinancing Indebtedness shall have a final maturity equal to or later than, and a Weighted Average Life to Maturity equal to or greater than, the final

maturity and Weighted Average Life to Maturity, respectively, of the Indebtedness being exchanged, extended, refinanced, renewed, replaced, substituted or refunded; and

(C) the Refinancing Indebtedness shall be subordinated in right of payment to the Notes and the Guarantees, if at all, on terms at least as favorable to the holders of Notes as those contained in the documentation governing the Indebtedness being extended, refinanced, renewed, replaced, substituted or refunded (a "Permitted Refinancing");

(13) the guarantee by the Company or any Guarantor of Indebtedness of the Company or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 4.09;

(14) Indebtedness under Capital Lease Obligations of the Company or any Guarantor with respect to no more than seven direct broadcast satellites at any time; and

(15) Indebtedness of the Company or any Restricted Subsidiary owed to (including obligations in respect of letters of credit for the benefit of) any Person in connection with workers' compensation, health, disability or other employee benefits or property, casualty or liability insurance provided by such Person to the Company or such Restricted Subsidiary pursuant to reimbursement or indemnification obligations to such Person, in each case incurred in the ordinary course of business and consistent with industry practices.

For purposes of determining compliance with this Section 4.09, if an item of Indebtedness meets the criteria of more than one of the categories described in clauses (1) through (15) above or is permitted to be incurred pursuant to the first paragraph of this Section 4.09 and also meets the criteria of one or more of the categories described in clauses (1) through (15) above, the Company shall, in its sole discretion, classify such item of Indebtedness in any manner that complies with this Section 4.09 and may from time to time reclassify such item of Indebtedness in any manner in which such item could be incurred at the time of such reclassification. Accrual of interest and the accretion of accreted value will not be deemed to be an incurrence of Indebtedness for purposes of this Section 4.09.

SECTION 4.10. Asset Sales.

If the Company or any Restricted Subsidiary, in a single transaction or a series of related transactions:

(a) sells, leases (in a manner that has the effect of a disposition), conveys or otherwise disposes of any of its assets (including by way of a sale-and-leaseback transaction), other than:

(1) sales or other dispositions of inventory in the ordinary course of business;

(2) sales or other dispositions to the Company or a Wholly Owned Restricted Subsidiary of the Company by the Company or any Restricted Subsidiary;

(3) sales or other dispositions of accounts receivable to DNCC for cash in an amount at least equal to the fair market value of such accounts receivable;

(4) sales or other dispositions of rights to construct or launch satellites; and

(5) sales or other dispositions permitted under Section 4.19 of this Indenture (provided that the sale, lease, conveyance or other disposition of all or substantially all of the assets of the Company shall be governed by the provisions of Section 5.01 of this Indenture); or

(b) issues or sells Equity Interests of any Restricted Subsidiary (other than any issue or sale of Equity Interests of ETC or a Subsidiary which constitutes a Non-Core Asset permitted under Section 4.19 of this Indenture);

in either case, which assets or Equity Interests: (1) have a fair market value in excess of \$100 million (as determined in good faith by the Board of Directors evidenced by a resolution of the Board of Directors set forth in an Officers' Certificate delivered to the Trustee); or (2) are sold or otherwise disposed of for net proceeds in excess of \$100 million (each of the foregoing, an "Asset Sale"), then:

(A) the Company or such Restricted Subsidiary, as the case may be, must receive consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Board of Directors evidenced by a resolution of the Board of Directors and set forth in an Officers' Certificate delivered to the Trustee not later than ten Business Days following a request from the Trustee, which certificate shall cover each Asset Sale made in the six months preceding the date of request, as the case may be) of the assets sold or otherwise disposed of; and

(B) at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, must be in the form of:

(x) cash, Cash Equivalents or Marketable Securities;

(y) any asset which is promptly (and in no event later than 180 days after the date of transfer to the Company or a Restricted Subsidiary) converted into cash; provided that to the extent that such conversion is at a price that is less than the fair market value (as determined above) of such asset at the time of the Asset Sale in which such asset was acquired, the Company shall be deemed to have made a Restricted Payment in the amount by which such fair market value exceeds the cash received upon conversion; and/or

(z) properties and capital assets (including Capital Stock of an entity owning such property or assets so long as the receipt of such Capital Stock otherwise complies with Section 4.07 (other than clause (12) of the second paragraph thereof) to be used by the Company or any of its Restricted Subsidiaries in a business permitted under Section 4.16 of this Indenture;

provided, however, that up to \$100 million of assets in addition to assets specified in clauses (x), (y) or (z) above at any one time may be considered to be cash for purposes of this clause (B), so long as the provisions of the next paragraph are complied with as such non-cash assets are converted to cash. The amount of any liabilities of the Company or any Restricted Subsidiary that are assumed by or on behalf of the transferee in connection with an Asset Sale (and from which the Company or such Restricted Subsidiary are unconditionally released) shall be deemed to be cash for the purpose of this clause (B).

The Net Proceeds from such Asset Sale shall be used only to acquire assets used in, or stock or other ownership interests in a Person that upon the consummation of such Asset Sale, becomes a Restricted Subsidiary and will be engaged primarily in, a business permitted under Section 4.16 of this Indenture, to repurchase Notes or EDBS Notes, to prepay, repay or purchase other senior Indebtedness or, if the Company sells any of its satellites after launch such that the Company or its Restricted Subsidiaries own fewer than three in-orbit satellites, only to purchase a replacement satellite. Any Net Proceeds from any Asset Sale that are not applied or invested as provided in the preceding sentence within 365 days after such Asset Sale shall constitute "Excess Proceeds" and shall be applied to an offer to purchase Notes and other senior Indebtedness of the Company if and when required under Section 3.08 of this Indenture.

Clause (B) of the second preceding paragraph shall not apply to all or such portion of the consideration:

(1) as is properly designated by the Company in connection with an Asset Sale as being subject to this paragraph; and

(2) with respect to which the aggregate fair market value at the time of receipt of all consideration received by the Company or any Restricted Subsidiary in all such Asset Sales so designated does not exceed the amount that the Company and its Subsidiaries are permitted to designate as a result of the cash contributions made to the Company by DISH pursuant to any of the EDBS Notes Indentures plus, to the extent any such consideration did not satisfy clause (B)(x) or (B)(z) above, upon the exchange or repayment of such consideration for or with assets which satisfy either or both such clauses, an amount equal to the fair market value of such consideration (evidenced by a resolution of the Board of Directors and set forth in an Officers' Certificate delivered to the Trustee as set forth in clause (A) above).

In addition, clause (B) above shall not apply to any Asset Sale:

(x) where assets not essential to the direct broadcast satellite business are contributed to a joint venture between the Company or one of its Restricted Subsidiaries and a third party that is not an Affiliate of DISH or any of its Subsidiaries; provided that following the sale, lease, conveyance or other disposition the Company or one of its Wholly Owned Restricted Subsidiaries owns at least 50% of the voting and equity interest in such joint venture;

(y) to the extent the consideration therefor received by the Company or any of its Restricted Subsidiaries would constitute Indebtedness or Equity Interests of a Person

that is not an Affiliate of DISH, the Company or one of their respective Subsidiaries; provided that the acquisition of such Indebtedness or Equity Interests is permitted under the provisions of Section 4.07 of this Indenture; and

(z) where the assets sold are satellites, uplink centers or call centers; provided that, in the case of this clause (z), the Company and its Restricted Subsidiaries continue to own at least three satellites, one uplink center and one call center.

(c) Transactions described under clause (xii) of Section 4.11 of this Indenture shall not be subject to the requirements of this Section 4.10.

SECTION 4.11. Limitation on Transactions with Affiliates.

The Company shall not and shall not permit any Restricted Subsidiary to, sell, lease, transfer or otherwise dispose of any of its or their properties or assets to, or purchase any property or assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (including any Unrestricted Subsidiary) (each of the foregoing, an "Affiliate Transaction"), unless:

(a) such Affiliate Transaction is on terms that are no less favorable to the Company or its Restricted Subsidiaries than those that would have been obtained in a comparable transaction by the Company or such Subsidiaries with an unrelated Person; and

(b) if such Affiliate Transaction involves aggregate payments in excess of \$200 million, such Affiliate Transaction has either (i) been approved by a majority of the disinterested members of the Board of Directors or (ii) if there are no disinterested members of the Board of Directors, the Company or such Restricted Subsidiary has obtained the favorable opinion of an independent expert as to the fairness of such Affiliate Transaction to the Company or the relevant Restricted Subsidiary, as the case may be, from a financial point of view, and the Company delivers to the Trustee no later than ten Business Days following a request from the Trustee a resolution of the Board of Directors set forth in an Officers' Certificate certifying that such Affiliate Transaction has been so approved and complies with clause (a) above;

provided, however, that

(i) the payment of reasonable fees, compensation or employee benefit arrangements to, and any indemnity provided for the benefit of, directors, officers, consultants or employees of DISH and its Subsidiaries;

(ii) transactions between or among the Company and its Wholly Owned Subsidiaries (other than Unrestricted Subsidiaries);

(iii) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of employment arrangements, stock options and stock ownership plans approved by the Board of Directors;

(iv) transactions in the ordinary course of business, including loans, expense allowances, reimbursements or extensions of credit (including indemnity arrangements) between the Company or any of its Restricted Subsidiaries on the one hand, and any employee of the Company or any of its Restricted Subsidiaries, on the other hand;

(v) the granting and performance of registration rights for shares of Capital Stock of the Company under a written registration rights agreement approved by a majority of the members of the Board of Directors that are disinterested with respect to these transactions;

(vi) transactions with Affiliates solely in their capacity as holders of Indebtedness or Capital Stock of the Company or any of its Subsidiaries, so long as a significant amount of Indebtedness or Capital Stock of the same class is also held by persons that are not Affiliates of the Company and these Affiliates are treated no more favorably than holders of the Indebtedness or the Capital Stock generally;

(vii) any dividend, distribution, sale, conveyance or other disposition of any assets of, or Equity Interests in, any Non-Core Assets or the proceeds of a sale, conveyance or other disposition thereof, in accordance with the provisions of this Indenture;

(viii) Restricted Payments that are permitted by Section 4.07 of this Indenture;

(ix) any transactions pursuant to agreements in effect on the date of this Indenture and any modifications, extensions or renewals thereof that are no less favorable to the Company or the applicable Restricted Subsidiary than such agreement as in effect on the date of this Indenture;

(x) so long as it complies with clause (a) above, the provision of backhaul, uplink, transmission, billing, customer service, programming acquisition and other ordinary course services by the Company or any of its Restricted Subsidiaries to Satellite Communications Operating Corporation and to Transponder Encryption Services Corporation on a basis consistent with past practice;

(xi) the provision of services to DISH and its Affiliates by the Company or any of its Restricted Subsidiaries so long as no cash or other assets are transferred by the Company or its Restricted Subsidiaries in connection with such transactions (other than up to \$100 million in cash in any fiscal year and other than nonmaterial assets used in the operations of the business in the ordinary course pursuant to the agreement governing the provision of the services), and so long as such transaction or agreement is determined by a majority of the members of the Board of Directors to be fair to the Company and its Restricted Subsidiaries when taken together with all other such transactions and agreements entered into with DISH and its Affiliates;

(xii) the disposition of assets of the Company and its Restricted Subsidiaries in exchange for assets of DISH and its Affiliates so long as (i) the value to

the Company in its business of the assets the Company receives is determined by a majority of the members of the Board of Directors to be substantially equivalent or greater than the value to the Company in its business of the assets disposed of, and (ii) the assets acquired by the Company and its Restricted Subsidiaries constitute properties and capital assets (including Capital Stock of an entity owning such property or assets so long as the receipt of such Capital Stock otherwise complies with Section 4.07 of this Indenture (other than clause (12) of the second paragraph thereof)) to be used by the Company or any of its Restricted Subsidiaries in a business permitted as described under Section 4.16 of this Indenture;

(xiii) sales of Equity Interests (other than Disqualified Stock) to Affiliates of the Company;

(xiv) any transactions between the Company or any Restricted Subsidiary of the Company and any Affiliate of the Company the Equity Interests of which Affiliate are owned solely by the Company or one of its Restricted Subsidiaries, on the one hand, and by Persons who are not Affiliates of the Company or Restricted Subsidiaries of the Company, on the other hand; and

(xv) any transactions with EchoStar or any of its controlled Affiliates that have been approved by a majority of the members of the audit committee of DISH Network Corporation or a special committee of the board of directors of DISH Network Corporation consisting solely of members of the board of directors of DISH Network Corporation who are not directors, officers or employees of EchoStar or any of its controlled Affiliates

shall, in each case, not be deemed Affiliate Transactions.

SECTION 4.12. Limitation on Liens.

The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien on any asset now owned or hereafter acquired, or on any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens. Solely for purposes of this Section 4.12, at any time following a Fall Away Event or during any period (a "Suspension Period") during which specified covenants do not apply pursuant to the second paragraph of Section 4.21, "Restricted Subsidiaries" shall mean the Restricted Subsidiaries on the Business Day immediately prior to the date of the Fall Away Event or the first day of the applicable Suspension Period, as the case may be.

SECTION 4.13. Additional Subsidiary Guarantees.

If the Company or any Guarantor transfers or causes to be transferred, in one transaction or a series of related transactions, property or assets (including, without limitation, businesses, divisions, real property, assets or equipment) having a fair market value (as determined in good faith by the Board of Directors evidenced by a resolution of the Board of Directors and set forth in an Officers' Certificate delivered to the Trustee no later than five Business Days following April 1 and October 1 of each year or ten Business Days following a

request from the Trustee, which Officers' Certificate shall cover the six months preceding April 1, October 1 or the date of request, as the case may be) exceeding the sum of \$100 million in the aggregate for all such transfers after the Issue Date (fair market value being determined as of the time of such acquisition) to Restricted Subsidiaries that are not Guarantors, the Company shall, or shall cause each of such Subsidiaries to which any amount exceeding such \$100 million (less such fair market value) is transferred to:

(i) execute and deliver to the Trustee a supplemental indenture to this Indenture in form and substance reasonably satisfactory to the Trustee pursuant to which such Subsidiary shall unconditionally guarantee all of the Company's obligations under the Notes on the terms set forth in this Indenture; and

(ii) deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee that such supplemental indenture and Guarantee have been duly authorized, executed and delivered by and are valid and binding obligations of such Subsidiary or such owner, as the case may be;

provided, however, that the foregoing provisions shall not apply to transfers of property or assets (other than cash) by the Company or any Guarantor in exchange for cash, Cash Equivalents or Marketable Securities in an amount equal to the fair market value (as determined in good faith by the Board of Directors evidenced by a resolution of the Board of Directors and set forth in an Officers' Certificate delivered to the Trustee no later than five Business Days following April 1 and October 1 of each year or ten Business Days following a request from the Trustee, which Officers' Certificate shall cover the six months preceding April 1, October 1 or the date of request, as the case may be) of such property or assets. In addition, if (i) the Company or any of its Restricted Subsidiaries acquires or creates another Restricted Subsidiary or (ii) an Unrestricted Subsidiary of the Company is redesignated as a Restricted Subsidiary or otherwise ceases to be an Unrestricted Subsidiary, such Subsidiary shall execute a supplemental indenture to this Indenture and deliver an opinion of counsel, each as required in the preceding sentence; provided that no supplemental indenture or opinion shall be required if the fair market value (as determined in good faith by the Board of Directors and set forth in an Officers' Certificate delivered to the Trustee no later than five Business Days following April 1 and October 1 of each year or ten Business Days following a request from the Trustee, which certificate shall cover the six months preceding such April 1, October 1 or the date of request, as the case may be) of all such Restricted Subsidiaries created, acquired or designated since the Issue Date (fair market value being determined as of the time of creation, acquisition or designation) does not exceed the sum of \$100 million in the aggregate minus the fair market value of the assets transferred to any Subsidiaries of the Company which do not execute supplemental indentures pursuant to the preceding sentences; provided further that to the extent a Restricted Subsidiary is subject to the terms of any instrument governing Acquired Debt, as in effect at the time of acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition) which instrument or restriction prohibits such Restricted Subsidiary from issuing a Guarantee, such Restricted Subsidiary shall not be required to execute such a supplemental indenture until it is permitted to issue such Guarantee pursuant to the terms of such Acquired Debt.

SECTION 4.14. Corporate Existence.

Subject to Article 5 of this Indenture, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence as a corporation, and subject to Sections 4.10 and 4.19, the corporate, partnership or other existence of any Restricted Subsidiary, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any Restricted Subsidiary and (ii) subject to Section 4.10 and 4.19, the rights (charter and statutory), licenses and of the Company and its Restricted Subsidiaries; provided, however, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any Restricted Subsidiary if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.15. Offer to Purchase Upon Change of Control Event.

Upon the occurrence of a Change of Control Event, the Company shall be required to make an offer (a "Change of Control Offer") to each Holder of Notes to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of repurchase (the "Change of Control Payment"). Within 30 days following any Change of Control Event, the Company shall mail a notice to each Holder stating:

(a) that the Change of Control Offer is being made pursuant to Section 4.15 of this Indenture;

(b) the purchase price and the purchase date, which shall be no earlier than 30 days nor later than 60 days after the date such notice is mailed (the "Change of Control Payment Date");

(c) that any Notes not tendered will continue to accrue interest in accordance with the terms of this Indenture;

(d) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(e) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have such Notes purchased;

(f) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$1,000 in principal amount or an integral multiple thereof; and

(g) any other information material to such Holder's decision to tender Notes.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes required in the event of a Change of Control Event.

SECTION 4.16. Limitation on Activities of the Company.

Neither the Company nor any of its Restricted Subsidiaries may engage in any business other than developing, owning, engaging in and dealing with all or any part of the business of domestic and international media, entertainment, electronics or communications, and reasonably related extensions thereof, including but not limited to the purchase, ownership, operation, leasing and selling of, and generally dealing in or with, one or more communications satellites and the transponders thereon, and communications uplink centers, the acquisition, transmission, broadcast, production and other provision of programming relating thereto and the manufacturing, distribution and financing of equipment (including consumer electronic equipment) relating thereto.

SECTION 4.17. Intentionally Omitted.

SECTION 4.18. Accounts Receivable Subsidiary.

The Company:

(a) may, and may permit any of its Subsidiaries to, notwithstanding the provisions of Section 4.07 of this Indenture, make Investments in an Accounts Receivable Subsidiary:

(i) the proceeds of which are applied within five Business Days of the making thereof solely to finance:

(A) the purchase of accounts receivable of the Company and its Subsidiaries; or

(B) payments required in connection with the termination of all then existing arrangements relating to the sale of accounts receivable or participation interests therein by an Accounts Receivable Subsidiary (provided that the Accounts Receivable Subsidiary shall receive cash, Cash Equivalents and accounts receivable having an aggregate fair market value not less than the amount of such payments in exchange therefor); and

(ii) in the form of Accounts Receivable Subsidiary Notes to the extent permitted by clause (b) below;

(b) shall not, and shall not permit any of its Subsidiaries to, sell accounts receivable to an Accounts Receivable Subsidiary except for consideration in an amount not less than that which would be obtained in an arm's length transaction and solely in the form of cash

or Cash Equivalents; provided that an Accounts Receivable Subsidiary may pay the purchase price for any such accounts receivable in the form of Accounts Receivable Subsidiary Notes so long as, after giving effect to the issuance of any such Accounts Receivable Subsidiary Notes, the aggregate principal amount of all Accounts Receivable Subsidiary Notes outstanding shall not exceed 20% of the aggregate purchase price paid for all outstanding accounts receivable purchased by an Accounts Receivable Subsidiary since the Issue Date (and not written off or required to be written off in accordance with the normal business practice of an Accounts Receivable Subsidiary);

(c) shall not permit an Accounts Receivable Subsidiary to sell any accounts receivable purchased from the Company or its Subsidiaries or participation interests therein to any other Person except on an arm's length basis and solely for consideration in the form of cash or Cash Equivalents or certificates representing undivided interests of a Receivables Trust; provided an Accounts Receivable Subsidiary may not sell such certificates to any other Person except on an arm's length basis and solely for consideration in the form of cash or Cash Equivalents;

(d) shall not, and shall not permit any of its Subsidiaries to, enter into any guarantee, subject any of their respective properties or assets (other than the accounts receivable sold by them to an Accounts Receivable Subsidiary) to the satisfaction of any liability or obligation or otherwise incur any liability or obligation (contingent or otherwise), in each case, on behalf of an Accounts Receivable Subsidiary or in connection with any sale of accounts receivable or participation interests therein by or to an Accounts Receivable Subsidiary, other than obligations relating to breaches of representations, warranties, covenants and other agreements of the Company or any of its Subsidiaries with respect to the accounts receivable sold by the Company or any of its Subsidiaries to an Accounts Receivable Subsidiary or with respect to the servicing thereof; provided that neither the Company nor any of its Subsidiaries shall at any time guarantee or be otherwise liable for the collectibility of accounts receivable sold by them;

(e) shall not permit an Accounts Receivable Subsidiary to engage in any business or transaction other than the purchase and sale of accounts receivable or participation interests therein of the Company and its Subsidiaries and activities incidental thereto;

(f) shall not permit an Accounts Receivable Subsidiary to incur any Indebtedness other than the Accounts Receivable Subsidiary Notes, Indebtedness owed to the Company and Non-Recourse Indebtedness; provided that the aggregate principal amount of all such Indebtedness of an Accounts Receivable Subsidiary shall not exceed the book value of its total assets as determined in accordance with GAAP;

(g) shall cause any Accounts Receivable Subsidiary to remit to the Company or a Restricted Subsidiary of the Company on a monthly basis as a distribution all available cash and Cash Equivalents not held in a collection account pledged to acquirors of accounts receivable or participation interests therein, to the extent not applied to:

(i) pay interest or principal on the Accounts Receivable Subsidiary Notes or any Indebtedness of such Accounts Receivable Subsidiary owed to the Company;

(ii) pay or maintain reserves for reasonable operating expenses of such Accounts Receivable Subsidiary or to satisfy reasonable minimum operating capital requirements; or

(iii) to finance the purchase of additional accounts receivable of the Company and its Subsidiaries; and

(h) shall not, and shall not permit any of its Subsidiaries to, sell accounts receivable to, or enter into any other transaction with or for the benefit of, an Accounts Receivable Subsidiary:

(i) if such Accounts Receivable Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case;

(B) consents to the entry of an order for relief against it in an involuntary case;

(C) consents to the appointment of a custodian of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors; or

(E) generally is not paying its debts as they become due; or

(ii) if a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against such Accounts Receivable Subsidiary in an involuntary case;

(B) appoints a Custodian of such Accounts Receivable Subsidiary or for all or substantially all of the property of such Accounts Receivable Subsidiary; or

(C) orders the liquidation of such Accounts Receivable Subsidiary, and, with respect to this clause (h)(ii), the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 4.19. Dispositions of ETC and Non-Core Assets.

Notwithstanding the provisions of Section 4.07 and Section 4.10 of this Indenture, in the event that the Indebtedness to Cash Flow Ratio of the Company would not have exceeded

6.0 to 1 on a pro forma basis after giving effect to the sale of all of the Equity Interests in or assets of ETC owned by the Company and its Subsidiaries, then:

(1) the payment of any dividend or distribution consisting of Equity Interests in or assets of ETC, or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets or the sale, conveyance or other disposition of Equity Interests in or assets of ETC or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets shall not constitute a Restricted Payment;

(2) the sale, conveyance or other disposition of the Equity Interests in or assets of ETC or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets shall not constitute an Asset Sale; and

(3) upon delivery of an Officers' Certificate to the Trustee evidencing satisfaction of the conditions to such release and a written request to the Trustee requesting such release, ETC shall be discharged and released from its Guarantee and, so long as the Company designates ETC as an Unrestricted Subsidiary, ETC shall be discharged and released from all covenants and restrictions contained in this Indenture,

provided that no such payment, sale, conveyance or other disposition (collectively, a "Payout") described in clauses (1) or (2) above shall be permitted if at the time of such Payout:

(a) after giving pro forma effect to such Payout, the Company would not have been permitted under Section 4.07 of this Indenture to make a Restricted Payment in an amount equal to the total (the "ETC Amount Due") of:

(i) the amount of all Investments (other than the contribution of:

(x) title to the headquarters building of ETC in Inverness, Colorado and the tangible assets therein to the extent used by ETC as of the date of this Indenture; and

(y) patents, trademarks and copyrights applied for or granted as of the date of this Indenture to the extent used by ETC or resulting from the business of ETC, in each case, to ETC)

made in ETC by the Company or its Restricted Subsidiaries since the date of this Indenture (which, in the case of Investments in exchange for assets, shall be valued at the fair market value of each such asset at the time each such Investment was made); minus

(ii) the amount of the after-tax value of all cash returns on such Investments paid to the Company or its Wholly Owned Restricted Subsidiaries (or, in the case of a non-Wholly Owned Restricted Subsidiary, the pro rata portion thereof attributable to the Company); minus

(iii) \$100 million; and

(b) any contract, agreement or understanding between ETC and the Company or any Restricted Subsidiary of the Company and any loan or advance to or guarantee with, or for the benefit of, ETC issued or made by the Company or one of its Restricted Subsidiaries, is on terms that are no less favorable to the Company or its Restricted Subsidiaries than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiaries with an unrelated Person, all as evidenced by a resolution of the Board of Directors set forth in an Officers' Certificate delivered to the Trustee, within ten Business Days of a request by the Trustee certifying that each such contract, agreement, understanding, loan, advance and guarantee has been approved by a majority of the members of the Board of Directors.

If at the time of such Payout, the condition set forth in clause (a) of the proviso of the preceding sentence cannot be satisfied, ETC may seek to have a Person other than the Company or one of its Restricted Subsidiaries pay in cash an amount to the Company or its Restricted Subsidiaries such that after taxes, such amount is greater than or equal to the ETC Amount Due or the portion of the ETC Amount Due which would not have been permitted to be made as a Restricted Payment by the Company; provided that such payment shall be treated for purposes of this Section 4.19 as a cash return on the Investments made in ETC; and provided further that for all purposes under this Indenture, such payment shall not be included in any calculation under clauses (iii)(A) through (iii)(E) of the first paragraph of Section 4.07 of this Indenture. To the extent that the ETC Amount Due or any portion thereof would have been permitted to be made as a Restricted Payment by the Company and was not paid by another Person as permitted by the preceding sentence, the Company shall be deemed to have made a Restricted Payment in the amount of such ETC Amount Due or portion thereof, as the case may be.

Notwithstanding the provisions of Section 4.07 and Section 4.10 of this Indenture:

(1) the payment of any dividend or distribution consisting of Equity Interests in or assets of any Non-Core Asset or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets or the sale, conveyance or other disposition of Equity Interests in or assets of any Non-Core Asset or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets shall not constitute a Restricted Payment;

(2) the sale, conveyance or other disposition of the Equity Interests in or assets of any Non-Core Asset or the proceeds of a sale, conveyance or other disposition of such Equity Interests or assets shall not constitute an Asset Sale; and

(3) upon delivery of an Officers' Certificate to the Trustee evidencing satisfaction of the conditions to such release and a written request to the Trustee requesting such a release, any such Non-Core Asset that is a Guarantor shall be discharged and released from its Guarantee and, so long as the Company designates such Non-Core Asset as an Unrestricted Subsidiary, such Non-Core Asset shall be released from all covenants and restrictions contained in this Indenture;

provided that no Payout of any Non-Core Asset shall be permitted such as described in clauses (1) and (2) above if at the time of such Payout:

(a) after giving pro forma effect to such Payout, the Company would not have been permitted under Section 4.07 of this Indenture to make a Restricted Payment in an amount equal to the total (the "Non-Core Asset Amount Due") of:

(i) the amount of all Investments made in such Non-Core Asset by the Company or its Restricted Subsidiaries since the Issue Date (which, in the case of Investments in exchange for assets, shall be valued at the fair market value of each such asset at the time each such Investment was made); minus

(ii) the amount of the after-tax value of all cash returns on such Investments paid to the Company or its Wholly Owned Restricted Subsidiaries (or, in the case of a non-Wholly Owned Restricted Subsidiary, the pro rata portion thereof attributable to the Company); minus

(iii) \$100 million in the aggregate for all such Payouts and \$25 million for any single such Payout; and

(b) any contract, agreement or understanding between or relating to a Non-Core Asset and the Company or a Restricted Subsidiary of the Company and any loan or advance to or guarantee with, or for the benefit of, a Restricted Subsidiary which is a Non-Core Asset issued or made by the Company or one of its Restricted Subsidiaries, is on terms that are less favorable to the Company or its Restricted Subsidiaries than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiaries with an unrelated Person, all as evidenced by a resolution of the Board of Directors as set forth in an Officers' Certificate delivered within ten Business Days of a request by the Trustee, certifying that each such contract, agreement, understanding, loan, advance and guarantee has been approved by a majority of the Board of Directors.

If at the time of such Payout, the condition set forth in clause (a) of the proviso of the preceding sentence cannot be satisfied, such Restricted Subsidiary which is a Non-Core Asset may seek to have a Person other than the Company or one of its Restricted Subsidiaries pay in cash an amount to the Company such that, after taxes, such amount is greater than or equal to the Non-Core Asset Amount Due or the portion of the Non-Core Asset Amount Due which would not have been permitted to be made as a Restricted Payment by the Company; provided that such payment shall be treated for purposes of this Section 4.19 as a cash return on the Investments made in a Non-Core Asset and provided further that for all purposes under this Indenture, such payment shall not be included in any calculation under clauses (iii)(A) through (iii)(E) of the first paragraph of Section 4.07 of this Indenture. To the extent that the Non-Core Asset Amount Due or any portion thereof would have been permitted to be made as a Restricted Payment by the Company and was not paid by another Person as permitted by the preceding sentence, the Company shall be deemed to have made a Restricted Payment in the amount of such Non-Core Asset Amount Due or portion thereof, as the case may be.

Promptly after any Payout pursuant to the terms of this Section 4.19, within ten Business Days of a request by the Trustee, the Company shall deliver an Officers' Certificate to the Trustee setting forth the Investments made by the Company or its Restricted Subsidiaries in a Non-Core Asset, as the case may be, and certifying that the requirements of this Section 4.19 have been satisfied in connection with the making of such Payout.

Notwithstanding anything contained in this Section 4.19 to the contrary, any disposition of ETC or Non-Core Assets permitted pursuant to the EDBS Notes Indentures shall also be permitted pursuant to this Indenture and shall not be considered a "Restricted Payment" or "Asset Sale" for purposes of this Indenture.

SECTION 4.20. Payments for Consent.

The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of a Note for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid or agreed to be paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SECTION 4.21. Termination or Suspension of Certain Covenants Under Certain Conditions.

If, on any date following the Issue Date, the Notes receive an Investment Grade rating from both Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Fall Away Event") then, beginning on that date and continuing at all times thereafter regardless of any subsequent changes in the rating of the Notes, the provisions of the Indenture contained in Sections 3.08, 4.07, 4.08, 4.09, 4.10, 4.11, 4.15, 4.16, 4.18 and 4.19 and clause (d) under Section 5.01 (collectively, the "Fall Away Covenants") will no longer be applicable to the Notes.

In addition to the foregoing, during any period in which the Notes have an Investment Grade rating from one of the Rating Agencies and no Default or Event of Default has occurred and is continuing, the Fall Away Covenants will not apply to the Notes.

Upon the termination or suspension of the Fall Away Covenants under either of the two preceding paragraphs, the amount of Excess Proceeds for purposes of Section 3.08 of this Indenture shall be set at zero.

ARTICLE 5 SUCCESSORS

SECTION 5.01. Merger, Consolidation, or Sale of Assets of the Company.

The Company shall not consolidate or merge with or into (whether or not the Company is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of

all or substantially all of its properties or assets in one or more related transactions to, another Person unless:

(a) the Company is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the Company under this Indenture and the Notes pursuant to a supplemental indenture to this Indenture in form reasonably satisfactory to the Trustee;

(c) immediately after such transaction no Default or Event of Default exists; and

(d) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made

(i) will have Consolidated Net Worth immediately after the transaction (but prior to any purchase accounting adjustments or accrual of deferred tax liabilities resulting from the transaction) not less than the Consolidated Net Worth of the Company immediately preceding the transaction; and

(ii) would, at the time of such transaction after giving pro forma effect thereto as if such transaction had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Indebtedness to Cash Flow Ratio test set forth in the first paragraph of Section 4.09.

Notwithstanding the foregoing, the Company may merge with another Person if

(a) the Company is the surviving Person;

(b) the consideration issued or paid by the Company in such merger consists solely of Equity Interests (other than Disqualified Stock) of the Company or Equity Interests of DISH; and

(c) immediately after giving effect to such merger (determined on a pro forma basis), the Company's Indebtedness to Cash Flow Ratio either (i) does not exceed 8.0 to 1 or (ii) does not exceed the Company's Indebtedness to Cash Flow Ratio immediately prior to such merger.

SECTION 5.02. Successor Corporation Substituted.

Upon any consolidation or merger, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with

Section 5.01, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person has been named as the Company, herein.

ARTICLE 6
DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following constitutes an “Event of Default”:

(a) default for 30 days in the payment when due of interest on the Notes;

(b) default in the payment when due of principal of the Notes at maturity, upon repurchase, redemption or otherwise;

(c) failure to comply with the provisions of Section 4.10, Section 4.11 or Section 4.15;

(d) default under Section 4.07 or Section 4.09, which default remains uncured for 30 days, or the breach of any representation or warranty, or the making of any untrue statement, in any certificate delivered by the Company pursuant to this Indenture;

(e) failure by the Company for 60 days after notice from the Trustee or the Holders of at least 25% in principal amount then outstanding of the Notes to comply with any of its other agreements in this Indenture or the Notes;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), which default is caused by a failure to pay when due of principal or interest on such Indebtedness within the grace period provided in such Indebtedness (a “Payment Default”), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$250 million or more;

(g) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated,

aggregates \$250 million or more; provided that any acceleration (other than an acceleration which is the result of a Payment Default under clause (f) above) of Indebtedness under the outstanding Deferred Payments in aggregate principal amount not to exceed \$250 million shall be deemed not to constitute an acceleration pursuant to this clause (g);

(h) failure by the Company or any of its Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating in excess of \$250 million, which judgments are not stayed within 60 days after their entry;

(i) DISH, the Company or any Significant Subsidiary of the Company pursuant to or within the meaning of Bankruptcy Law: (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors;

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against DISH, the Company or any Significant Subsidiary of the Company in an involuntary case; (ii) appoints a custodian of DISH, the Company or any Significant Subsidiary of the Company or for all or substantially all of the property of DISH, the Company or any Significant Subsidiary of the Company; or (iii) orders the liquidation of DISH or any Significant Subsidiary of the Company, and the order or decree remains unstayed and in effect for 60 consecutive days; and

(k) any Guarantee shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor, or any person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Guarantee.

SECTION 6.02. Acceleration.

If an Event of Default (other than an Event of Default specified in clause (i) or (j) of Section 6.01 with respect to the Company or any Guarantor) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes by written notice to the Company and the Trustee, may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default specified in clause (i) or (j) of Section 6.01 with respect to the Company or any Guarantor, all outstanding Notes shall become and be immediately due and payable without further action or notice. Holders of the Notes may not enforce this Indenture or the Notes except as provided in this Indenture. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such Holders' interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived.

In the case of any Event of Default occurring by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Company or its Subsidiaries with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to Section 3.07, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law.

All powers of the Trustee under this Indenture will be subject to applicable provisions of the Communications Act, including without limitation, the requirements of prior approval for de facto or de jure transfer of control or assignment of Title III licenses.

SECTION 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults.

Holders of not less than a majority in aggregate principal amount of Notes then outstanding, by notice to the Trustee, may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default in the payment of interest or premium on, or principal of, the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with the law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits.

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder of the Note.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), the Company's creditors or the Company's property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder of a Note to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of the Notes, to pay to the Trustee any amount due to it for the reasonable

compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders of the Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Note any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder of a Note thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Note in any such proceeding.

SECTION 6.10. Priorities.

If the Trustee collects any money pursuant to this Article, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holder of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) Except with respect to Section 4.01, the Trustee shall have no duty to inquire as to the performance of the Company's covenants in Article 4. In addition, the Trustee shall not be deemed to have knowledge of any Default or Event of Default except (i) any Event of Default occurring pursuant to Sections 4.01, 6.01(a) and 6.01(b) or (ii) any Default or Event of Default of which the Trustee shall have received written notification or obtained actual knowledge.

(h) Delivery of documents and information to the Trustee under Section 4.03 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if any of the Notes are registered pursuant to the Securities Act), or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06. Reports by Trustee to Holders of the Notes.

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA Section 313(a) (but if no event described in TIA Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA Section 313(b). The Trustee shall also transmit by mail all reports as required by TIA Section 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Company and filed with the SEC and each stock exchange on which any Notes are listed. The Company shall promptly notify the Trustee when any Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity.

The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not

be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, except any such loss, liability or expense as may be attributable to the gross negligence, willful misconduct or bad faith of the Trustee. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture.

To secure the Company's payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i) or (j) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08. Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company and obtaining the prior written approval of the FCC, if so required by the Communications Act, including Section 310(d) and the rules and regulations promulgated thereunder. The Holders of at least a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee (subject to the prior written approval of the FCC, if required by the Communications Act, including Section 310(d), and the rules and regulations promulgated thereunder) if:

- (a) the Trustee fails to comply with Section 7.10;

- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) the Trustee is no longer in compliance with the foreign ownership provisions of Section 310 of the Communications Act and the rules and regulations promulgated thereunder.
- (d) a Custodian or public officer takes charge of the Trustee or its property; or
- (e) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee after written request by any Holder of a Note who has been a Holder of a Note for at least six months fails to comply with Section 7.10, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state thereof authorized under such laws to exercise corporate trustee power, shall be subject to

supervision or examination by federal or state authority and shall have a combined capital and surplus of at least \$25 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA Section 310(a)(1), (2) and (5). The Trustee is subject to TIA Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Company.

The Trustee is subject to TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, with respect to the Notes, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company shall be deemed to have been discharged from its obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due, or on the redemption date, as the case may be, (b) the Company's obligations with respect to such Notes under Sections 2.05, 2.07, 2.08, 2.10, 2.11 and 4.02, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's obligations in connection therewith and (d) this Article 8. Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 with respect to the Notes.

SECTION 8.03. Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company shall be released from its obligations under the covenants contained

in Sections 3.08, 4.03, 4.04, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.18, 4.19 and 5.01 with respect to the outstanding Notes on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for GAAP). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01(c), but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, Sections 6.01(c) through 6.01(h) and Section 6.01(k) shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or Section 8.03 to the outstanding Notes:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article 8 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Notes, (i) cash in U.S. Dollars, (ii) non-callable Government Securities which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, cash in U.S. Dollars, or (iii) a combination thereof, in such amounts, as will be sufficient in each case, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be; provided that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such non-callable Government Securities to said payments with respect to the Notes;

(b) In the case of an election under Section 8.02, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably satisfactory to the Trustee confirming that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) In the case of an election under Section 8.03, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) No Default or Event of Default with respect to the Notes shall have occurred and be continuing on the date of such deposit or, insofar as Section 6.01(i) or 6.01(j) is concerned, at any time in the period ending on the 91st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(e) Such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(f) The Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit made by the Company pursuant to its election under Section 8.02 or 8.03 was not made by the Company with the intent of preferring the Holders over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any of the other creditors of the Company or others; and

(g) The Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for or relating to either the Legal Defeasance under Section 8.02 or the Covenant Defeasance under Section 8.03 (as the case may be) have been complied with as contemplated by this Section 8.04.

SECTION 8.05. Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a secured creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustees thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 8.07. Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States Dollars or Government Notes in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; provided, however, that, if the Company makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Guarantees without the consent of any Holder of a Note:

- (a) to cure any ambiguity, defect or inconsistency;

(b) to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees;

(c) to provide for the assumption of the Company's or any Guarantor's obligations to the Holders of the Notes in the case of a merger or consolidation pursuant to Article 5 or Article 10;

(d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder of the Notes; or

(e) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA.

Upon the request of the Company accompanied by a resolution of the Board of Directors of the Company and a resolution of the board of directors of each Guarantor and upon receipt by the Trustee of the documents described in Section 11.04, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. With Consent of Holders of Notes.

The Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Guarantees or any amended or supplemental indenture with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes), and any existing Default and its consequences or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes). Notwithstanding the foregoing, (a) Sections 3.08, 4.10 and 4.15 of this Indenture (including, in each case, the related definitions) may not be amended or waived without the written consent of at least 66-2/3% in principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) and (b) without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder of Notes):

(a) reduce the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes;

(c) reduce the rate of or change the time for payment of interest on any Note;

(d) waive a Default or Event of Default in the payment of principal of, or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(e) make any Note payable in money other than that stated in the Notes;

(f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes;

(g) waive a redemption payment or mandatory redemption with respect to any Note; or

(h) make any change in the foregoing amendment and waiver provisions.

Upon the request of the Company accompanied by a resolution of the Board of Directors of the Company and a resolution of the board of directors of each Guarantor, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 11.04, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section becomes effective, the Company shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes.

SECTION 9.03. Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture and the Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if

notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder of a Note.

The Company may fix a record date for determining which Holders of the Notes must consent to such amendment, supplement or waiver. If the Company fixes a record date, the record date shall be fixed at (i) the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders of Notes furnished to the Trustee prior to such solicitation pursuant to Section 2.05 or (ii) such other date as the Company shall designate.

SECTION 9.05. Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, Etc.

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. Neither the Company nor any Guarantor may sign any amended or supplemental indenture until its board of directors approves it.

ARTICLE 10

GUARANTEES

SECTION 10.01. Guarantee.

Each of the Guarantors, jointly and severally, hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Company hereunder or thereunder, that:

(a) the principal of and interest on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in

accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each of the Guarantors, jointly and severally, will be obligated to pay the same immediately.

Each of the Guarantors, jointly and severally, hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

Each of the Guarantors, jointly and severally, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice (except that the Trustee shall provide at least ten days' prior written notice to the Company on behalf of the Guarantors before taking any action for which the Communications Act and/or the FCC rules require such notice and which right to notice is not waivable by any Guarantor) and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the Obligations guaranteed hereby. If any Holder or the Trustee is required by any court or otherwise to return to the Company or any Guarantor, or any Custodian, Trustee, liquidator or other similar official acting in relation to either the Company or any Guarantor, any amount paid by either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each of the Guarantors, jointly and severally, agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby. Each of the Guarantors, jointly and severally, further agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee. Notwithstanding the foregoing, in the event that any Guarantee would constitute or result in a violation of any applicable fraudulent conveyance or similar law of any relevant jurisdiction, the liability of the applicable Guarantor under its Guarantee shall be reduced to the maximum amount permissible under such fraudulent conveyance or similar law.

The Guarantors hereby agree as among themselves that each Guarantor that makes a payment or distribution under a Guarantee shall be entitled to a pro rata contribution from each other Guarantor hereunder based on the net assets of such Guarantor and each other Guarantor. The preceding sentence shall in no way affect the rights of the Holders of Notes to the benefits of this Indenture, the Notes or the Guarantees.

Nothing in this Section 10.01 shall apply to claims of, or payments to, the Trustee under or pursuant to the provisions of Section 7.07. Nothing contained in this Section 10.01 or

elsewhere in this Indenture, the Notes or the Guarantees shall impair, as between any Guarantor and the Holder of any Note, the obligation of such Guarantor, which is unconditional and absolute, to pay to the Holder thereof the principal of, premium, if any, and interest on the Notes in accordance with their terms and the terms of the Guarantee and this Indenture, nor shall anything herein or therein prevent the Trustee or the Holder of any Note from exercising all remedies otherwise permitted by applicable law or hereunder or thereunder upon the occurrence of an Event of Default.

SECTION 10.02. Execution and Delivery of Guarantees.

To evidence its Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form of Exhibit B shall be endorsed by an officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by its President or one of its Vice Presidents and attested to by an Officer. Each of the Guarantors, jointly and severally, hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee. If an officer or Officer whose signature is on this Indenture or on the Guarantee of a Guarantor no longer holds that office at the time the Trustee authenticates the Note on which the Guarantee of such Guarantor is endorsed, the Guarantee of such Guarantor shall be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantees set forth in this Indenture on behalf of the Guarantors.

SECTION 10.03. Merger, Consolidation or Sale of Assets of Guarantors.

Subject to Section 10.05, a Guarantor may not, and the Company will not cause or permit any Guarantor to, consolidate or merge with or into (whether or not such Guarantor is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person other than the Company or a Guarantor unless:

(a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(b) the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of such Guarantor under this Indenture and the Notes pursuant to a supplemental indenture to this Indenture in form reasonably satisfactory to the Trustee; and

(c) immediately after such transaction no Default or Event of Default exists.

Nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor that is a Wholly Owned Restricted Subsidiary of the Company or shall prevent any sale or conveyance of the property of a

Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor that is a Wholly Owned Restricted Subsidiary of the Company. Except as set forth in Articles 4 and 5, nothing contained in this Indenture shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor that is a Restricted Subsidiary of the Company or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor that is a Restricted Subsidiary of the Company.

SECTION 10.04. Successor Corporation Substituted.

Upon any consolidation, merger, sale or conveyance described in clauses (a) through (c) of Section 10.03, and upon the assumption by the successor corporation, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of any Guarantee previously signed by the Guarantor and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor corporation shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor corporation thereupon may cause to be signed any or all of the Guarantees to be issuable hereunder by such Guarantor and delivered to the Trustee. All the Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution of such Guarantee by such Guarantor.

SECTION 10.05. Releases from Guarantees.

If pursuant to any direct or indirect sale of assets (including, if applicable, all of the capital stock of any Guarantor) or other disposition by way of merger, consolidation or otherwise the assets sold include all or substantially all of the assets of any Guarantor or all of the capital stock of any such Guarantor, then such Guarantor or the Person acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such a Guarantor) shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04, as the case may be; provided that in the event of an Asset Sale, the Net Proceeds from such sale or other disposition are applied in accordance with the provisions of Section 4.10. In addition, a Guarantor shall be released and relieved of its obligations under its Guarantee or Section 10.03 and Section 10.04, as the case may be (1) if such Guarantor is dissolved or liquidated in accordance with the provisions of this Indenture; (2) if the Company designates any such Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or (3) without limiting the generality of the foregoing, in the case of any Guarantor which constitutes a Non-Core Asset, upon the sale or other disposition of any Equity Interest of such Guarantor which constitutes a Non-Core Asset. Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture, including without limitation Section 4.10 or 4.20 if applicable, the Trustee shall execute any documents reasonably required in order to evidence the release of any such Guarantor from its obligations under its Guarantee. Any such Guarantor not released from its obligations under its Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in this Article 10.

If the Company mails a notice or communication to Holders of Notes, it shall mail a copy to the Trustee and each Agent at the same time.

SECTION 11.03. Communication by Holders of Notes with Other Holders of Notes.

Holders of the Notes may communicate pursuant to TIA Section 312(b) with other Holders of Notes with respect to their rights under this Indenture or the Notes. The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA Section 312(c).

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 11.08. Governing Law.

The internal law of the State of New York shall govern and be used to construe this Indenture, the Notes and the Guarantees.

SECTION 11.09. No Adverse Interpretation of Other Agreements.

SECTION 11.10. Successors.

All agreements of the Company and the Guarantors in this Indenture and the Notes and the Guarantees shall bind the successors of the Company and the Guarantors, respectively. All agreements of the Trustee in this Indenture shall bind its successor.

Capitalized terms used herein have the meanings assigned to them in the Indenture (as defined below) unless otherwise indicated.

(1) Interest. EchoStar DBS Corporation, a Colorado corporation (the “Company”) promises to pay interest on the principal amount of this Note at the rate and in the manner specified below. Interest on this Note will accrue at the rate of 7.75% per annum, payable semi-annually in arrears in cash on May 31 and November 30 of each year, commencing November 30, 2008, or if any such day is not a Business Day on the next succeeding Business Day, (each an “Interest Payment Date”) to the Holder of record of this Note at the close of business on the immediately preceding May 15 and November 15, whether or not a Business Day. Interest on this Note will be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on this Note shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. To the extent lawful, the Company shall pay interest on overdue principal at the rate of the then applicable interest rate on this Note; it shall pay interest on overdue installments of interest (without regard to any applicable grace periods) at the same rate to the extent lawful. In addition, Holders of Notes may be entitled to the benefits of certain provisions of the Registration Rights Agreement.

(2) Method of Payment. The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the record date next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Holder hereof must surrender this Note to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. The Notes will be payable both as to principal and interest at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest may be made by check mailed to the Holders of Notes at their respective addresses set forth in the register of Holders of Notes. Unless otherwise designated by the Company, the Company’s office or agency will be the office of the Trustee maintained for such purpose.

(3) Paying Agent and Registrar. Initially, the Trustee will act as Paying Agent and Registrar. The Company may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder of a Note. The Company may act in any such capacity.

(4) Indenture. The Company issued the Notes under an Indenture, dated as of May 27, 2008 (the “Indenture”), among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code Sections 77aaa-77bbb), as in effect on the date of the Indenture. The Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and such act for a statement of such terms. The terms of the Indenture shall govern any inconsistencies between the Indenture and the Notes. The Notes are unsecured obligations of the Company.

(5) Optional Redemption. Except as provided below, the Notes are not redeemable at the option of the Company prior to May 31, 2015.

The Notes will be subject to redemption at the option of the Company, at any time in whole, or from time to time in part, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the applicable redemption date plus the "Make-Whole Premium" as set forth in the Indenture.

Notwithstanding the foregoing, at any time prior to May 31, 2011, the Company may redeem up to 35% of the aggregate principal amount of the Notes outstanding at a redemption price equal to 107.75% of the principal amount thereof on the redemption date, together with accrued and unpaid interest to such redemption date, with the net cash proceeds of any capital contributions or one or more public or private sales (including sales to DISH, regardless of whether DISH obtained such funds from an offering of Equity Interests or Indebtedness of DISH or otherwise) of Equity Interests (other than Disqualified Stock) of the Company (other than proceeds from a sale to any Subsidiary of the Company or any employee benefit plan in which the Company or any of its Subsidiaries participates); provided that: (a) at least 65% in aggregate of the originally issued principal amount of the Notes remains outstanding immediately after the occurrence of such redemption; and (b) the sale of such Equity Interests is made in compliance with the terms of the Indenture.

(6) Repurchase at Option of Holder. Upon the occurrence of a Change of Control Event, the Company will be required to offer to repurchase from each Holder of Notes on the Change of Control Payment Date all or any part of outstanding Notes at a purchase price equal to 101% of the aggregate principal amount thereof, together with accrued and unpaid interest thereon to the date of purchase. Holders of Notes that are subject to an offer to purchase will receive a Change of Control Offer from the Company prior to any related Change of Control Payment Date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" appearing below.

When the cumulative amount of Excess Proceeds that have not been applied in accordance with Section 4.10 (Asset Sales) or Section 3.08 (Offer to Purchase by Application of Excess Proceeds) of the Indenture, exceeds \$100.0 million, the Company will be required to offer to purchase the maximum principal amount of Notes that may be purchased out of such Excess Proceeds at an offer price in cash equal to 101% of the principal amount thereof, together with accrued and unpaid interest thereon to the date of purchase. To the extent the Company or a Restricted Subsidiary is required under the terms of Indebtedness of the Company or such Restricted Subsidiary which is ranked equally with the Notes to make an offer to purchase such other Indebtedness with any proceeds which constitute Excess Proceeds under the Indenture, the Company shall make a *pro rata* offer to the holders of all other *pari passu* Indebtedness (including the Notes) with such proceeds. To the extent that the principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the amount of such Excess Proceeds, the Trustee shall select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Notes that are subject to an offer to purchase will receive an Excess Proceeds Offer from the Company prior to any related Purchase Payment Date and may elect to

have such Notes purchased by completing the form entitled “Option of Holder to Elect Purchase” appearing below.

(7) Notice of Redemption. Notice of redemption shall be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder of Notes are to be redeemed. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption unless the Company fails to redeem such Notes or such portions thereof.

(8) Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder of a Note, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not exchange or register the transfer of any Note or portion of a Note selected for redemption. Also, it need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(9) Persons Deemed Owners. Prior to due presentment to the Trustee for registration of the transfer of this Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name this Note is registered as its absolute owner for the purpose of receiving payment of principal of, premium, if any, and interest on this Note and for all other purposes whatsoever, whether or not this Note is overdue, and neither the Trustee, any Agent nor the Company shall be affected by notice to the contrary. The registered Holder of a Note shall be treated as its owner for all purposes.

(10) Amendments, Supplement and Waivers. Subject to certain exceptions, the Indenture or Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes), and any existing default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes). Notwithstanding the foregoing, (a) Sections 3.08 (Offer to Purchase by Application of Excess Proceeds), 4.10 (Asset Sales) and 4.15 (Offer to Repurchase Upon Change in Control) of the Indenture (including, in each case, the related definitions) may not be amended or waived without the written consent of at least 66 2/3% in principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) and (b) without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder of Notes) (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (ii) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes; (iii) reduce the rate of or change the time for payment of interest on any Note; (iv) waive a Default or Event of Default in the payment of principal of, or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted

from such acceleration); (v) make any Note payable in money other than that stated in the Notes; (vi) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of or interest on the Notes; (vii) waive a redemption payment or mandatory redemption with respect to any Note; or (viii) make any change in the foregoing amendment and waiver provisions. Notwithstanding the foregoing, without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented (i) to cure any ambiguity, defect or inconsistency; (ii) to provide for uncertificated Notes or Guarantees in addition to or in place of certificated Notes or Guarantees; (iii) to provide for the assumption of the Company's or any Guarantor's obligations to the Holders of the Notes in case of a merger or consolidation; (iv) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder; or (v) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act.

(11) Defaults and Remedies. Each of the following constitutes an Event of Default:

(a) default for 30 days in the payment when due of interest on the Notes;

(b) default in payment when due of principal of the Notes at maturity, upon repurchase, redemption or otherwise;

(c) failure to comply with the provisions described under Section 4.10 (Asset Sales), Section 4.11 (Limitation on Transactions with Affiliates), or Section 4.15 (Offer to Purchase Upon Change in Control) of the Indenture;

(d) default under the provisions described under Section 4.07 (Limitation on Restricted Payments) or Section 4.09 (Incurrence of Indebtedness) of the Indenture which default remains uncured for 30 days, or the breach of any representation or warranty, or the making of any untrue statement, in any certificate delivered by the Company pursuant to the Indenture;

(e) failure by the Company for 60 days after notice from the Trustee or the holders of at least 25% in principal amount of the then outstanding Notes to comply with any of its other agreements in the Indenture or the Notes;

(f) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), which default is caused by a failure to pay when due of principal or interest on such Indebtedness within the grace period provided in such Indebtedness (a "Payment Default"), and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, aggregates \$250 million or more;

(g) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for

money borrowed by the Company and any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), which default results in the acceleration of such Indebtedness prior to its express maturity and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$250 million or more; provided that any acceleration (other than an acceleration which is the result of a Payment Default under clause (f) above) of Indebtedness under the Outstanding Deferred Payments in aggregate principal amount not to exceed \$250 million shall be deemed not to constitute an acceleration pursuant to this clause (g);

(h) failure by the Company or any of its Restricted Subsidiaries to pay final judgments (other than any judgment as to which a reputable insurance company has accepted full liability) aggregating in excess of \$250 million, which judgments are not stayed within 60 days after their entry;

(i) DISH, the Company or any Significant Subsidiary of the Company pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property; or (iv) makes a general assignment for the benefit of its creditors;

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against DISH, the Company or any Significant Subsidiary of the Company in an involuntary case; (ii) appoints a custodian of DISH, the Company or any Significant Subsidiary of the Company or for all or substantially all of the property of DISH, the Company or any Significant Subsidiary of the Company; or (iii) orders the liquidation of DISH or any Significant Subsidiary of the Company, and the order or decree remains unstayed and in effect for 60 consecutive days; and

(k) any Guarantee shall be held in a judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor, or any person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Guarantee.

If any Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately (plus, in the case of an Event of Default that is the result of an action by the Company or any of its Subsidiaries intended to avoid restrictions on or premiums related to redemptions of the Notes contained in the Indenture or the Notes, an amount of premium that would have been applicable pursuant to the Notes or as set forth in the Indenture). Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency with respect to the Company or any of its Subsidiaries described in (i) above, all outstanding Notes shall become and be immediately due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust

or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in such holders' interest.

The Holders of a majority in aggregate principal amount of the then outstanding Notes, by notice to the Trustee, may on behalf of the holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of interest or premium on, or principal of, the Notes.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required upon becoming aware of any Default or Event of Default to deliver to the Trustee a statement specifying such Default or Event of Default.

All powers of the Trustee under the Indenture will be subject to applicable provisions of the Communications Act, including without limitation, the requirements of prior approval for *de facto* or *de jure* transfer of control or assignment of Title III licenses.

(12) Trustee Dealings with Company. The Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not Trustee; however, if the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee, or resign.

(13) No Personal Liabilities of Directors, Officers, Employees, Incorporators and Stockholders. No director, officer, employee, incorporator or stockholder of the Company, the Guarantors or any of their Affiliates, as such, shall have any liability for any obligations of the Company, the Guarantors or any of their Affiliates under this Note or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. “Transfer Restricted Securities”: Each Note, until the earliest to occur of (a) the date on which such Note is exchanged in an Exchange Offer for an Exchange Note which is entitled to be resold to the public by the Holder thereof without complying with the prospectus delivery requirements of the Securities Act, (b) the date on which such Note has been disposed of in accordance with a Shelf Registration Statement, (c) the date on which such Note may be sold to the public in accordance with Rule 144 under the Securities Act by a person that is not an “affiliate” (as defined in Rule 144 under the Securities Act) of us where no conditions of Rule 144 are then applicable (other than the holding period requirement in paragraph (d)(1)(ii) of Rule 144 so long as such holding period requirement is satisfied at such time of determination) or (d) each Exchange Note until the date on which such Exchange Note is disposed of by a Broker-Dealer pursuant to the “Plan of Distribution” contemplated by the Exchange Offer Registration Statement (including the delivery of the Prospectus contained therein).

SECTION 2. HOLDERS

A person is deemed to be a holder of Transfer Restricted Securities (each, a **“Holder”** and, collectively, the **“Holders”**) whenever such Person owns Transfer Restricted Securities.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Company determines, after consultation with counsel, either (x) that an Exchange Offer with respect to the Notes is not permitted by applicable law or Commission policy or (y) that such an Exchange Offer is not effective to make Exchange Notes freely tradeable to the extent contemplated hereby under applicable law or Commission policy (after the procedures set forth in Section 6(a) below have been complied with), the Company shall: (i) cause an Exchange Offer Registration Statement to be filed with the Commission as soon as reasonably practicable after the Closing Date, but in no event later than 180 days after the Closing Date (such 180th day being the “**Filing Deadline**”), (ii) use its reasonable best efforts to cause such Exchange Offer Registration Statement to become effective at the earliest possible time, but in no event later than 270 days after the Closing Date (such 270th day being the “**Effectiveness Deadline**”), (iii) in connection with the foregoing, (A) file all pre-effective amendments to such Exchange Offer Registration Statement as may reasonably be necessary in order to cause it to become effective, (B) file, if applicable, a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Securities Act, and (C) cause all necessary filings, if any, in connection with the registration and qualification of the Exchange Notes to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offers, and (iv) upon the effectiveness of such Exchange Offer Registration Statement, use its reasonable best efforts to commence and consummate the Exchange Offers such that the Exchange Offers are Consummated not later than the 315th day after the Closing Date. The Exchange Offers shall be on the appropriate form permitting (i) registration of the Exchange Notes to be offered in exchange for the Notes that are Transfer Restricted Securities and (ii) resales of Exchange Notes by Broker-Dealers that tendered the Exchange Notes that such Broker-Dealer acquired for its own account as a result of market-making activities or other trading activities (other than Notes acquired directly from the Company or any of its Affiliates) as contemplated by Section 3(c) below.

(b) The Company shall use its reasonable best efforts to cause an Exchange Offer Registration Statement with respect to the Exchange Notes to be effective continuously and shall keep the Exchange Offers open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offers; provided, however, that in no event shall such period be less than twenty (20) Business Days. The Company shall cause the Exchange Offers to comply with all applicable federal and state securities laws. No securities other than Exchange Notes shall be included in any Exchange Offer Registration Statement. The Company shall use its reasonable best efforts to cause the Exchange Offers to be Consummated not later than the 315th day after the Closing Date (such 315th day being the “**Consummation Deadline**”).

(c) The Company shall include a “Plan of Distribution” section in the Prospectus contained in each Exchange Offer Registration Statement and indicate therein that any Broker-Dealer who holds Transfer Restricted Securities that were acquired for the account of such Broker-Dealer as a result of market-making activities or other trading activities (other than Notes acquired directly from the Company or any Affiliate of the Company), may exchange such Transfer Restricted Securities pursuant to the Exchange Offers. Such “Plan of Distribution” section shall also contain all other information with respect to such sales by such Broker-Dealers that the Commission may require in order to permit such sales pursuant thereto, but such “Plan

of Distribution” shall not name any such Broker-Dealer or disclose the amount of Transfer Restricted Securities held by any such Broker-Dealer, except to the extent required by the Commission as a result of a change in policy, rules or regulations after the date of this Agreement.

Because such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any initial sale of any Exchange Notes received by such Broker-Dealer in the Exchange Offers, the Company shall permit the use of the Prospectus contained in each Exchange Offer Registration Statement by such Broker-Dealer to satisfy such prospectus delivery requirement. To the extent necessary to ensure that the Prospectus contained in each Exchange Offer Registration Statement is available for sales of Exchange Notes by Brokers-Dealers, the Company shall use its reasonable best efforts to keep each Exchange Offer Registration Statement continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(a) and 6(c) hereof and in conformity with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of six months from the date on which each Exchange Offer is Consummated or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold pursuant thereto. The Company shall provide sufficient copies of the latest version of such Prospectus to such Broker-Dealers, promptly upon request, and in no event later than two Business Days after such request, at any time during such period.

(d) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

SECTION 4. SHELF REGISTRATION

(a) Shelf Registration. If (i) the Company determines, after consultation with counsel, either (x) that an Exchange Offer is not permitted by applicable law or Commission policy or (y) that such an Exchange Offer is not effective to make Exchange Notes freely tradeable to the extent contemplated hereby under applicable law or Commission policy (after the Company has complied with the procedures set forth in Section 6(a) below) or (ii) if any Holder of Transfer Restricted Securities shall notify the Company within twenty (20) Business Days following the date on which any Exchange Offer is Consummated that (A) such Holder was prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (B) such Holder may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and that the Prospectus contained in such Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (C) that such Holder is a Broker-Dealer and holds Notes acquired directly from the Company or any of its Affiliates, then the Company shall:

(x) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act (the “Shelf Registration Statement”), relating to all Transfer Restricted Securities, on or prior to the later of (1) ninety (90) days after the date on which the Company determines that an Exchange Offer Registration Statement cannot be filed as a

result of clause (a)(i) above, (2) ninety (90) days after the date on which the Company receives notice specified in clause (a)(ii) above, and (3) the 180th day after the Closing Date (such later date, the “**Filing Deadline**”); and

(y) shall use its reasonable best efforts to cause such Shelf Registration Statement to become effective on or prior to the 270th day after the Filing Deadline (such 270th day, the “**Effectiveness Deadline**”). To the extent necessary to ensure that the Shelf Registration Statement is available for sales of Transfer Restricted Securities by the Holders thereof entitled to the benefit of this Section 4(a) and other securities required to be registered therein pursuant to Section 6(b)(ii) hereof, the Company shall use its reasonable best efforts to keep such Shelf Registration Statement required by this Section 4(a) continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(b) and (c) hereof and in conformity with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years (as extended pursuant to Section 6(d) hereof) following the Closing Date or such shorter period as will terminate where all Transfer Restricted Securities covered by such Shelf Registration Statement have been sold pursuant thereto.

(b) Provision by Holders of Certain Information in connection with the Shelf Registration Statement. No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within twenty (20) days after receipt of a request therefor, (i) the information specified in Item 507 or 508 of Regulation S-K, as applicable, of the Securities Act, and any successor provisions, for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein and (ii) the undertaking specified in Section 8(b) hereof. No Holder of Transfer Restricted Securities shall be entitled to liquidated damages pursuant to Section 5 hereof unless and until such Holder shall have used its reasonable best efforts to provide all such information. Each selling Holder agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. LIQUIDATED DAMAGES

If (i) any Registration Statement required by this Agreement is not filed with the Commission on or prior to the applicable Filing Deadline, (ii) any such Registration Statement has not been declared effective by the Commission on or prior to the applicable Effectiveness Deadline, (iii) any Exchange Offer has not been Consummated on or prior to the Consummation Deadline or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter (and before the second anniversary of the initial sale) cease to be effective or fail to be usable in connection with resales of the Transfer Restricted Securities without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective, and only for such time of non-effectiveness or non-usability (each such event referred to in clauses (i) through (iv), a “**Registration Default**”), then the Company hereby agrees to pay (and the Guarantors agree to guarantee such payments) liquidated damages to each Holder of Transfer Restricted

Securities affected thereby for the first 90-day period immediately following the occurrence of such Registration Default, in an amount equal to \$0.05 per week per \$1,000 in principal amount of Transfer Restricted Securities held by such Holder for each week or portion thereof that the Registration Default continues. The amount of the liquidated damages shall increase by an additional \$0.05 per week per \$1,000 in principal amount of Transfer Restricted Securities with respect to each subsequent 90-day period until all Registration Defaults have been cured, the Transfer Restricted Securities become freely tradable without registration under the Securities Act or no Transfer Restricted Securities are outstanding, up to a maximum amount of liquidated damages of \$0.25 per week per \$1,000 in principal amount of Transfer Restricted Securities; provided that the Company shall in no event be required to pay liquidated damages for more than one Registration Default at any given time. All accrued liquidated damages shall be paid to the Holders entitled thereto, in the manner provided for the payment of interest, on each Interest Payment Date, as more fully set forth in the Indenture and the Notes. Notwithstanding anything to the contrary set forth herein, (1) upon filing of an Exchange Offer Registration Statement with respect to the Transfer Restricted Securities (and/or, if applicable, the Shelf Registration Statement), in the case of (i) above, (2) upon the effectiveness of an Exchange Offer Registration Statement with respect to the Transfer Restricted Securities (and/or, if applicable, the Shelf Registration Statement), in the case of (ii) above, (3) upon Consummation of an Exchange Offer with respect to the Transfer Restricted Securities, in the case of (iii) above, or (4) upon the filing of a post-effective amendment to a Registration Statement or an additional Registration Statement that causes the Exchange Offer Registration Statement with respect to the Transfer Restricted Securities (and/or, if applicable, the Shelf Registration Statement) to again be declared effective or made usable in the case of (iv) above, the liquidated damages payable with respect to the Transfer Restricted Securities as a result of such clause (i), (ii), (iii) or (iv), as applicable, shall cease.

Notwithstanding the fact that any securities for which liquidated damages are due cease to be Transfer Restricted Securities, all obligations of the Company to pay liquidated damages with respect to securities shall survive until such time as such obligations with respect to such securities shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) Exchange Offer Registration Statement. In connection with the Exchange Offers, the Company shall (x) comply with all of the provisions of Section 6(c) below, (y) use its reasonable best efforts to effect such exchange and to permit the resale of Exchange Notes by Broker-Dealers that tendered in the Exchange Offers, Notes that such Broker-Dealer acquired for its own account as a result of its market making activities as other trading activities (other than Notes acquired directly from the Company or any of its Affiliates) being sold in accordance with the intended method or methods of distribution thereof, and (z) comply with all of the following provisions:

(i) If, following the date hereof there has been announced a change in Commission policy with respect to exchange offers such as the Exchange Offer, that in the reasonable opinion of counsel to the Company raises a substantial question as to whether any Exchange Offer is permitted by applicable federal law, the Company hereby agrees to seek a no-action letter or other favorable decision from the Commission

allowing the Company to Consummate such Exchange Offer for such Transfer Restricted Securities. The Company agrees to pursue the issuance of such a decision to the Commission staff. In connection with the foregoing, the Company agrees, to take all such other actions as may be requested by the Commission or otherwise required in connection with the issuance of such decision, including without limitation (A) participating in telephonic conferences with the Commission and (B) delivering to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted.

(ii) As a condition to its participation in the Exchange Offers, each Holder of Transfer Restricted Securities (including, without limitation, any Holder who is a Broker-Dealer) shall furnish, upon the request of the Company, prior to the Consummation of the applicable Exchange Offer, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the related Exchange Offer Registration Statement) to the effect that (A) it is not an Affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. Each Holder using an Exchange Offer to participate in a distribution of the Exchange Notes shall acknowledge and agree that, if the resales are of Exchange Notes obtained by such Holder in exchange for Notes acquired by such Holder directly from the Company or an Affiliate thereof, it (1) could not, under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988) and Morgan Stanley and Co., Inc. (available June 5, 1991), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (including, if applicable, any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K or any successor provisions.

(iii) Prior to effectiveness of each Exchange Offer Registration Statement, the Company shall provide a supplemental letter to the Commission (A) stating that the Company is registering the related Exchange Offer in reliance on the position of the Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988) and Morgan Stanley and Co., Inc. (available June 5, 1991), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and, if applicable, any no-action letter obtained pursuant to clause (i) above, (B) including a representation that neither the Company nor any Guarantor has entered into any arrangement or understanding with any Person to distribute the Exchange Notes to be received in the Exchange Offers and that, to the best of the Company's information and belief, each Holder participating in the Exchange Offers is acquiring the Exchange Notes in its ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the Exchange Notes received in the Exchange Offers and

(C) any other undertaking or representation required by the Commission as set forth in any no-action letter obtained pursuant to clause (i) above, if applicable.

(b) Shelf Registration Statement. In connection with each Shelf Registration Statement, the Company shall: (i) comply with all the provisions of Section 6(c) below and shall use its reasonable best efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof (as indicated in the information furnished to the Company pursuant to Section 4(b) hereof), and pursuant thereto the Company will prepare and file with the Commission, a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof within the time periods and otherwise in accordance with the provisions hereof and (ii) issue, upon the request of any Holder or purchaser of Notes covered by any Shelf Registration Statement contemplated by this Agreement, Exchange Notes having an aggregate principal amount equal to the aggregate principal amount of Notes sold pursuant to the Shelf Registration Statement and surrendered to the Company for cancellation; the Company shall register Exchange Notes on the Shelf Registration Statement for this purpose and issue the Exchange Notes to the purchasers of securities subject to the Shelf Registration Statement in the names as such purchasers shall designate.

(c) General Provisions. In connection with any Registration Statement and any related Prospectus required by this Agreement, the Company shall:

(i) use its reasonable best efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 of this Agreement, as applicable. Upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain an untrue statement of material fact or omit to state any material fact necessary to make the statements therein not misleading or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, curing such defect, and if Commission review is required, use its reasonable best efforts to cause such amendment to be declared effective as soon as reasonably practicable;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as the case may be; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriters, if any and each selling Holder promptly, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement under the Securities Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, and (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in any Registration Statement, any Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in any Registration Statement or any Prospectus in order to make the statements therein not misleading, or that requires the making of any additions to or changes in any Prospectus in order to make the statements therein in the light of the circumstances under which they were made, not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of any Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Company shall use its reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish to each of the underwriters, if any, in connection with such exchange or sale, if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the review and comment of such underwriter(s), if any, in connection with such sale, if any, for a period of at least three (3) Business Days, and the Company shall use its reasonable best efforts to reflect in any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) such comments as the underwriters, if any, reasonably propose;

(v) make available, at reasonable times, for inspection by any underwriter, if any, participating in any disposition pursuant to such Registration Statement, and any attorney or accountant retained by any of such underwriters, all financial and other records, pertinent corporate documents and properties of the Company and cause the Company's officers, directors and employees to supply all information reasonably requested by any such underwriter, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness;

(vi) cause the Transfer Restricted Securities covered by each Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Notes covered thereby;

(vii) furnish to each of the underwriter(s) (and upon request, any selling Holder), if any, in connection with such exchange or sale, without charge, at least one copy of each Shelf Registration Statement, as first filed with the Commission, and of each amendment thereto, including all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(viii) deliver to each selling Holder and each of the underwriters, if any, without charge, as many copies of each Prospectus (including each preliminary prospectus) included with a Shelf Registration Statement and any amendment or supplement thereto as such Persons reasonably may request; the Company hereby consents to the use (in accordance with applicable law) of the Prospectus included with a Shelf Registration Statement and any amendment or supplement thereto by each selling Holder and each underwriter, if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by each Prospectus or any amendment or supplement thereto;

(ix) upon the request of any selling Holder, enter into such agreements (including underwriting agreements), and make, such representations and warranties, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Shelf Registration Statement contemplated by this Agreement, as may be requested by any selling Holder in connection with any sale or resale pursuant to any Shelf Registration Statement. In such connection, the Company shall:

(A) upon request of the underwriters, if any, furnish to each such requesting underwriter, in such substance and scope as they may request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the effectiveness of each Shelf Registration Statement, as the case may be:

(1) a certificate, dated such date signed on behalf of the Company by (x) the President or any Vice President of the Company and (y) a principal financial or accounting officer of the Company, confirming, as of the date thereof, that the representations and warranties of the Company contained in any such underwriting agreement (which shall be of the same tenor as the representations and warranties contained in the Purchase Agreement, excluding Sections 2(a) (which shall reference the related Registration Statement and Prospectus instead of the Offering Memorandum) and (v)) qualified as to materiality are true and correct, and those not so qualified are true and correct in all material respects, in each case, as of the date hereof, and confirming such other matters as such parties may reasonably request;

(2) an opinion, dated the date of effectiveness of each Shelf Registration Statement, as the case may be, of counsel for the Company, similar

to the form set forth in Schedule II of the Purchase Agreement, and in any event including a statement to the effect that such counsel has participated in conferences with officers and other representatives of the Company, representatives of the independent public accountants for the Company, the Purchaser's representatives and the Purchaser's counsel in connection with the preparation of such Shelf Registration Statement and the related Prospectus and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing (relying as to materiality to the extent such counsel deems appropriate upon the statements of officers and other representatives of the Company and without independent check or verification), no facts came to such counsel's attention that caused such counsel to believe that the applicable Shelf Registration Statement, at the time such Shelf Registration Statement or any post-effective amendment thereto became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the related Prospectus contained in such Shelf Registration Statement as of its date contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Shelf Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) a customary comfort letter, dated as of the date of effectiveness of each Shelf Registration Statement, as the case may be, from the Company's independent registered public accounting firm, in the customary form and covering matters of the type customarily covered in comfort letters to underwriters in connection with primary underwritten offerings; and

(B) deliver such other documents and certificates as may be reasonably requested by the underwriters, if any, to evidence compliance with the matters covered in clause (A) above and with any customary conditions contained in any agreement or other agreement entered into by the Company pursuant to this clause (ix), if any.

If at any time the representations and warranties of the Company contemplated in clause (A)(1) above cease to be true and correct, the Company shall so advise the Purchaser and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(x) prior to any public offering of Transfer Restricted Securities, cooperate with, the underwriters, if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or

Blue Sky laws of such jurisdictions as the underwriters may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the applicable Registration Statement; provided, however, that the Company shall not be required to register or qualify as a foreign corporation where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to any Registration Statement, in any jurisdiction where it is not now so subject;

(xi) shall issue, upon the request of any Holder of Notes covered by each Shelf Registration Statement, Exchange Notes, having an aggregate principal amount equal to the aggregate principal amount of Notes surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Notes to be registered in the name of such Holder or in the name of the purchaser(s) of such Notes or Exchange Notes, as the case may be; in return, the Notes held by such Holder shall be surrendered to the Company for cancellation;

(xii) in connection with any sale of Transfer Restricted Securities that will result in such securities no longer being Transfer Restricted Securities, cooperate with the Holders and the underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and to register such Transfer Restricted Securities in such denominations and in such names as the selling Holders or the underwriters, if any, may request at least five (5) Business Days prior to any such sale of Transfer Restricted Securities;

(xiii) use its reasonable best efforts to cause the disposition of the Transfer Restricted Securities covered by each Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the underwriters, if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in clause (xii) above;

(xiv) subject to Section 6(c)(i), if any fact or event contemplated by Section 6(c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to each Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, not misleading;

(xv) provide a CUSIP number for all Transfer Restricted Securities not later than the effective date of a Registration Statement covering such Transfer Restricted Securities and provide the Trustee under the Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with the Depository Trust Company;

(xvi) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter, if any, (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of FINRA, and use its reasonable best efforts to cause such Registration Statement to become effective and approved by such governmental agencies or authorities as may be necessary to enable the Holders selling Transfer Restricted Securities to consummate the disposition of such Transfer Restricted Securities;

(xvii) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders with regard to any Registration Statement, as soon as reasonably practicable, a consolidated earning statement meeting the requirements of Rule 158 under the Securities Act (which need not be audited) covering a twelve-month period, beginning after the effective date of the Registration Statement (as such term is defined in paragraph (c) of Rule 158 of the Securities Act);

(xviii) cause the Indenture to be qualified under the TIA not later than the effective date of the Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the TIA; and execute, and use its reasonable best efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner;

(xix) cause all Transfer Restricted Securities covered by the Registration Statement to be listed on each securities exchange on which similar securities issued by the Company are then listed if requested by the Holders of a majority in aggregate principal amount of Notes or the managing underwriters, if any; and

(xx) provide promptly to each underwriter, if any, upon request, each document filed with the Commission pursuant to the requirements of Section 13 or Section 15(d) of the Exchange Act since the Company’s most recent Annual Report on Form 10-K.

(d) **Restrictions on Holders.** Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of the notice referenced to in Section 6(c)(iii)(D) or any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof (in each case, a “**Suspension Notice**”), such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until (i) such Holder has received copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or (ii) such Holder is advised in writing by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus (in each case, the “**Recommendation Date**”). Each Holder receiving a Suspension Notice hereby agrees that it will either (i) destroy any Prospectuses, other than permanent file copies then in such Holder’s possession which have been replaced by the Company with more recently dated Prospectuses, or (ii) will deliver to the Company (at the Company’s expense) all copies, other than permanent file copies then in such

Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such Suspension Notice. The time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by a number of days equal to the number of days in the period from and including the date of delivery of the Suspension Notice to the date of the Recommencement Date.

SECTION 7. REGISTRATION EXPENSES

All expenses incident to the Company's performance of or compliance with this Agreement (other than the fees, disbursements and expenses of the Purchaser's counsel incurred in connection therewith) shall be borne by the Company, including, without limitation: (i) Commission filing fees; (ii) costs of printing or word processing or other production of documents incurred in connection with the exchange offer; (iii) fees and expenses of the Trustee, and any transfer or exchange agent; (iv) all fees and expenses of compliance with federal securities and state Blue Sky or securities laws; (v) all application and filing fees in connection with listing Exchange Notes on a national securities exchange automated quotation system pursuant to the requirements hereof; (vi) all fees and disbursements of the Issuers' counsel and independent accountants incurred in connection therewith; and (vii) all expenses of printing (including printing certificates for the Exchange Notes to be issued in the Exchange Offers and printing of Prospectuses), messenger and delivery services and telephone.

SECTION 8. INDEMNIFICATION

(a) The Company and the Guarantors agree to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) (any of the persons referred to in this clause (ii) being hereinafter referred to as a "controlling person") and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, any legal or other expenses incurred in connection with, investigating, preparing, pursuing or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including any action that could give rise to any such losses, claims, damages, liabilities or judgments) directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, preliminary prospectus, Prospectus (or any amendment or supplement thereto) or any Free Writing Prospectus used in violation of this Agreement or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, provided by the Company to any Holder or any prospective purchaser of Exchange Notes or registered Notes or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities, judgments, actions or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is based upon information relating to such Holder furnished in writing to the Company by such Holder.

(b) The Company may require, as a condition to including any Transfer Restricted Securities held by any Holder in a Registration Statement, that the Company shall have received an undertaking reasonably satisfactory to it from such Holder that such Holder agrees, severally and not jointly, to indemnify and hold harmless the Company and the Guarantors, and their respective directors and officers, and each person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company or the Guarantors, as the case may be, to the same extent as the foregoing indemnity from the Company set forth in Section 8(a) above, but only with reference to information relating to such Holder furnished in writing to the Company by such Holder expressly for use in any Registration Statement. In no event shall any Holder, its directors, officers, or any person who controls such Holder be liable or responsible for any amount in excess of the amount by which the entire amount received by such Holder with respect to its sale of the Transfer Restricted Securities pursuant to a Registration Statement exceeds (i) the amount paid by such Holder for such Transfer Restricted Securities and (ii) the amount of any damages that such Holder, its directors, officers or any Person who controls such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

(c) In case any action shall be commenced involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b) (the "**Indemnified Party**"), the Indemnified party shall promptly notify the person against whom such indemnity may be sought (the "**Indemnifying Party**") in writing and the Indemnifying Party shall assume the defense of such action, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses of such counsel, as incurred (except that in the case of any action in respect of which indemnity may be sought pursuant to both Sections 8(a) and 8(b), a Holder shall not be required to assume the defense of such action pursuant to this Section 8(c), but may employ separate counsel and participate in the defense thereof, but the fees and expenses of such counsel, except as provided below, shall be at the expense of the Holder). Any Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless (i) the employment of such counsel shall have been specifically authorized in writing by the Indemnifying Party, (ii) the Indemnifying Party shall have failed to assume the defense of such action or employ counsel reasonably satisfactory to the Indemnified Party or (iii) the named parties to any such action (including any impleaded parties) include both the Indemnified Party and the Indemnifying Party, and the Indemnified Party shall have been advised by such counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the Indemnifying Party (in which case the Indemnifying Party shall not have the right to assume the defense of such action on behalf of the Indemnified Party). In any such case, the Indemnifying Party shall not, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties and all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by a majority of the Holders, in the case of the parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). The Indemnifying Party shall indemnify and hold harmless the Indemnified Party from and against any and all losses, claims, damages, liabilities, judgments and expenses by

reason of any settlement of any action (i) effected with its written consent or (ii) effected without its written consent if the settlement is entered into more than twenty (20) Business Days after the Indemnifying Party shall have received a request from the Indemnified Party for reimbursement for the fees and expenses of counsel (in any case where such fees and expenses are at the expense of the Indemnifying Party) and, prior to the date of such settlement, the Indemnifying Party shall have failed to comply with such reimbursement request. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement or compromise of, or consent to the entry of judgment with respect to, any pending or threatened action in respect of which the Indemnified Party is or could have been a party and indemnity or contribution may be or could have been sought hereunder by the Indemnified Party, unless such settlement, compromise or judgment (i) includes an unconditional release of the Indemnified Party from all liability on claims that are or could have been the subject matter of such action and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of the Indemnified Party.

(d) To the extent that the indemnification provided for in this Section 8 is unavailable to an Indemnified Party under Section 8(a) or Section 8(b) hereof in respect of any losses, claims, damages, liabilities, judgments or expenses referred to therein, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages, liabilities, judgments or expenses (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Holders, on the other hand, from their sale of Transfer Restricted Securities or (ii) if the allocation provided by clause 8(d)(i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(d)(i) above but also the relative fault of the Company, on the one hand, and of the Holder, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities, judgments or expenses, as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Holder, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or by such Holder, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Guarantors and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages, liabilities, judgments or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Party in connection with investigating or defending any such action or claim including any action that could have given rise to such losses, claims, damages, liabilities, judgments or expenses. Notwithstanding the provisions of this Section 8, no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total received by such Holder with respect to the sale of Transfer Restricted Securities pursuant to a Registration Statement exceeds (i) the amount

paid by such Holder for such Transfer Restricted Securities and (ii) the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(d) are several in proportion to the respective principal amount of Transfer Restricted Securities held by each Holder hereunder and not joint.

SECTION 9. RULE 144 AND RULE 144A

The Company hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding and during any period in which the Company (i) is not subject to Section 13 or 15(d) of the Exchange Act, to make available, upon request of any Holder, to such Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities designated by such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A, and (ii) is subject to Section 13 or 15(d) of the Exchange Act, to make all filings required thereby in a timely manner in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144.

SECTION 10. PARTICIPATION IN UNDERWRITTEN REGISTRATIONS

No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. SELECTION OF UNDERWRITERS

The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker or investment bankers and manager or managers that will administer the offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; provided that such investment bankers and managers must be reasonably satisfactory to the Company.

SECTION 12. MISCELLANEOUS

(a) Remedies. The Company and the Guarantors acknowledge and agree that any failure by the Company to comply with its obligations under Sections 3 and 4 hereof may result in material irreparable injury to the Purchaser or Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Purchaser or any Holder may obtain such relief as may be required

to specifically enforce the Company's obligations under Sections 3 and 4 hereof. The Company and the Guarantors further agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) No Inconsistent Agreements. The Company will not, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's securities under any agreement in effect on the date hereof.

(c) Adjustments Affecting the Notes or Exchange Notes. The Company will not take any action, or permit any change to occur, with respect to the Notes or the Exchange Notes that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless (i) in the case of Section 5 hereof and this Section 12(d)(i), the Company has obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, the Company has obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding Transfer Restricted Securities held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose Transfer Restricted Securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose Transfer Restricted Securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities subject to such Exchange Offer.

(e) Third Party Beneficiary. The Holders shall be third party beneficiaries to the agreements made hereunder between the Company, on the one hand, and the Purchaser, on the other hand, and shall have the right to enforce such agreements directly to the extent they may deem such enforcement necessary or advisable to protect its rights or the rights of Holders hereunder.
