Item 1.01. Entry into a Material Definitive Agreement.

On June 14, 2011, Gamma Acquisition L.L.C. (“Gamma”), a wholly-owned subsidiary of DISH Network Corporation (“DISH” and collectively with Gamma, the “Purchasers”), entered into an asset purchase agreement, dated as of June 14, 2011 (the “Purchase Agreement”), with TerreStar Networks, Inc. (“TerreStar”) and certain of its subsidiaries. DISH is a party to the Purchase Agreement solely with respect to certain guaranty obligations. Under the Purchase Agreement (which remains subject to the solicitation of higher and better offers by TerreStar and bankruptcy court approval) Gamma would acquire substantially all of the assets of TerreStar and its subsidiaries for a purchase price of \$1.375 billion and would agree to assume certain liabilities associated with the ongoing operations of the business being acquired.

The Purchase Agreement is subject to approval by the United States Bankruptcy Court for the Southern District of New York, in which the bankruptcy cases of TerreStar and certain and of its subsidiaries (collectively, the “Debtors”) are being administered under Chapter 11 of the U.S. Bankruptcy Code. Gamma entered into the Purchase Agreement as a “stalking horse” bidder and the purchase by Gamma is subject to the Debtors’ solicitation of higher and better offers pursuant to bidding procedures and an auction process that will be conducted under bankruptcy court supervision. Under the Purchase Agreement, the Purchasers made a \$68.75 million deposit into escrow on June 15, 2011.

Gamma has agreed that, while funding of the purchase price (subject to a holdback of \$30 million) remains subject to certain conditions, including expiration of the waiting period under the U.S. Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), funding is not conditioned upon receipt of approvals from the Federal Communications Commission (“FCC”) or the Canadian federal Department of Industry (“Industry Canada”). Gamma has agreed to fund this amount in advance of completion of the transaction in order to ensure that the Debtors may continue operating the businesses in the ordinary course and deliver the acquired assets and the business at the closing, as well as to enable TerreStar to satisfy its obligations to certain secured creditors in order to eliminate further interest accruals on these instruments which is expected to enhance the residual value of the Debtors’ estates. Gamma will also deposit \$50 million of the purchase price into an escrow account to provide funding for working capital and administrative expenses incurred, accrued, payable or paid by the Debtors during the period from the funding date through December 31, 2011. Additionally, Gamma is responsible for any working capital and administrative expenses of the Debtor beyond December 31, 2011. Consummation of the acquisition contemplated in the Purchase Agreement is subject to, among other things, FCC and Industry Canada approval. If FCC or Industry Canada approval is not received within a specified period of time, or in certain other contingencies, the Debtors will conduct an alternative sale process and the proceeds of that alternative sale will be for Gamma’s benefit.

The parties have made customary representations, warranties, and covenants to one another in the Purchase Agreement, including, among others, a covenant by the Debtors to conduct their businesses in the ordinary course during the time between the execution of the Purchase Agreement and the closing of the transaction.

The Debtors or Gamma may terminate the Purchase Agreement if the bankruptcy court approves an alternative transaction (as defined in the Purchase Agreement) upon which Gamma will be entitled to a break-up fee of \$27.5 million and reimbursement of up to \$3.0 million of transaction-related expenses. The Purchase Agreement may also be terminated by either party upon the occurrence of certain specified events. In the event of a termination, the Debtors may be required to pay a break-up fee and/or expense reimbursement or may be entitled to retain the deposit.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement, a copy of which is filed as an exhibit to this Form 8-K. The Agreement contains representations and warranties of the parties made to (and solely for the benefit of) one another and are not made to or for the benefit of anyone else.

(vi) Purchaser shall be entitled to withhold from any amount payable pursuant to this Agreement, such amounts as Purchaser is required to deduct and withhold with respect to the making of such payment under any provision of applicable federal, state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Tax Authority by Purchaser, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers. To the extent Purchaser believes a withholding tax will apply, Purchaser shall give Seller notice thereof and shall work with Seller in good faith in an effort to mitigate such withholding.

(c) Allocation of Purchase Price. Within sixty (60) days of the Closing Date, Purchaser shall prepare and deliver to Sellers a statement allocating the sum of the Purchase Price, the Assumed Liabilities and other relevant items among the Acquired Assets in accordance with Section 1060 of the Code and the Treasury regulations promulgated thereunder and the Income Tax Act and upon reasonable consultation with Sellers, and with Sellers' consent, which consent shall not be unreasonably withheld or delayed (such statement, the "Allocation Statement"). The parties shall follow the Allocation Statement for purposes of filing IRS Form 8594 and all other Tax Returns, and shall not voluntarily take any position inconsistent therewith. If the IRS or any other taxation authority proposes a different allocation, Sellers or Purchaser, as the case may be, shall promptly notify the other party of such proposed allocation. Sellers or Purchaser, as the case may be, shall provide the other party with such information and shall take such actions (including executing documents and powers of attorney in connection with such proceedings) as may be reasonably requested by such other party to carry out the purposes of this section. Except as otherwise required by Applicable Law or pursuant to a "determination" under Section 1313(a) of the Code (or any comparable provision of United States state, local, or non-United States law), (i) the transactions contemplated by Article II of this Agreement shall be reported for all Tax purposes in a manner consistent with the terms of this Section 2.5(c); and (ii) neither party (nor any of their Affiliates) will take any position inconsistent with this Section 2.5(c) in any Tax Return, in any refund claim, in any litigation or otherwise. Notwithstanding the allocation of the Purchase Price set forth in the Allocation Statement, nothing in the foregoing shall be determinative of values ascribed to the Acquired Assets or the allocation of the value of the Acquired Assets in any plan or reorganization or liquidation that may be proposed and the Sellers reserve the right on their behalf and on behalf of the Sellers' estates, to the extent not prohibited by Applicable Law and accounting rules, for purposes of any plan of reorganization or liquidation, to ascribe values to the Acquired Assets and to allocate the value of the Acquired Assets to different Sellers in the event of, or in order to resolve, inter-estate creditor disputes in the Bankruptcy Cases.

Section 2.6 Sale Free and Clear

. Purchaser shall pay for any and all of costs and expenses reasonably incurred by Sellers in accordance with this Section 3.5(b) in conducting an Alternative Sale; provided, however, that the engagement of any Investment Bank or any other professional shall be governed by and paid for pursuant to the procedures set forth in Exhibit B.

The execution, delivery and performance by Purchaser of this Agreement and each of the other Ancillary Agreements to which Purchaser is a party, and the consummation by Purchaser of the Transactions, have been duly authorized by all necessary corporate action on the part of Purchaser. Section 5.3 No Conflicts

Subject to the entry of the Sale Order and the Canadian Court's entry of the Sale Recognition Order, the execution, delivery and performance of this Agreement and each other Ancillary Agreement, and the consummation of the Transactions will not (a) result in a violation of the certificate of incorporation, certificate of formation or bylaws or similar organizational document of Purchaser or (b) assuming receipt of all required consents and approvals from Governmental Entities in accordance with [Section 7.1\(b\)\(i\)](#), result in a violation of any law, statute, rule or regulation of any Governmental Entity or any applicable order of any court or any rule, regulation or order of any Governmental Entity applicable to Purchaser or by which any property or asset of Purchaser is bound, except for violations which, individually or in the aggregate, has not had and would not reasonably be likely to have a Purchaser Material Adverse Effect.

Except as set forth in this Agreement, no consent, approval, authorization, order, registration or qualification of or with any Governmental Entity having jurisdiction over Purchaser or any of its properties is required for the execution and delivery by Purchaser of the Agreement and the Ancillary Agreements and performance of and compliance by Purchaser with all of the provisions hereof and thereof and the consummation of the Transactions, except (a) the entry of the Sale Order and the expiration, or waiver by the Bankruptcy Court, of the 14-day period set forth in Bankruptcy Rules 6004(h) and 3020(e), as applicable, and the entry of the Sale Recognition Order and the expiry of any appeal periods in respect thereof, (b) filings with respect to and any consents, approvals or expiration or termination of any waiting period, required under any United States or foreign antitrust investment laws which may include the Competition Act, the Investment Canada Act, the HSR Act and any other Regulatory Approvals required, (c) the prior approval of the FCC for the assignment of the FCC Licenses, (d) the Industry Canada Approval, and (e) such other consents, approvals, authorizations, registrations or qualifications the absence of which will not have or would not reasonably be expected to have, individually or in the aggregate, a Purchaser Material Adverse Effect.

Section 5.5 Financial Capability

Purchaser (a) has as of the date of this Agreement and will have on the Funding Date sufficient funds available to pay the Purchase Price and any expenses incurred by Purchaser in connection with the Transactions, and (b) has as of the date of this Agreement and will have on the Funding Date the resources and capabilities (financial or otherwise) to perform its obligations hereunder.

Section 5.8 Litigation

There are no legal proceedings pending or, to the knowledge of Purchaser, threatened against Purchaser, or to which Purchaser is otherwise a party, which, if adversely determined, would reasonably be expected to have a Purchaser Material Adverse Effect.

Section 5.9 Investment Intention

Purchaser is acquiring the issued and outstanding stock of Solutions owned by Sellers for its own account, for investment purposes only and not with a view to the distribution thereof in violation of the Securities Act of 1933, as amended (the "Securities Act"). Purchaser understands that the issued and outstanding stock of Solutions owned by Sellers have not been registered under the Securities Act and cannot be sold unless subsequently registered under the Securities Act or an exemption from such registration is available.

To the knowledge of Purchaser or Parent, no fact or circumstance exists with respect to Parent's current operations as of the date of this Agreement that (a) would reasonably be expected to prevent or delay, in any material respect, (i) the issuance of the FCC Consent or (ii) the issuance of the Industry Canada Consent, or (b) would cause the FCC or Industry Canada acting pursuant to the Communications Laws to impose a condition or conditions that would, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

Section 5.12 Investment Canada Act

Purchaser is a “WTO Investor” as that term is defined in the Investment Canada Act.

Section 5.13 Condition of Business

Notwithstanding anything contained in this Agreement to the contrary, Purchaser acknowledges and agrees that no Seller, its Affiliates or any other Person is making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article IV hereof (as modified by the Disclosure Letter), and Purchaser acknowledges and agrees that, except for the representations and warranties contained therein, the Acquired Assets are being transferred on a “where is” and, as to condition, “as is” basis. Purchaser further represents that no Seller, its Affiliates or any other Person has made any representation or warranty, express or implied as to the accuracy or completeness of any information regarding Sellers, the Business or the transactions contemplated by this Agreement not expressly set forth in this Agreement, and no Seller, its Affiliates or any other Person will have or be subject to liability to Purchaser or any other Person resulting from the distribution to Purchaser or its Representatives of Purchaser’s use of, any such information, including data room information provided to Purchaser or its representatives, in connection with the sale of the Business and the Transactions. Purchaser acknowledges that it has conducted to its satisfaction its own independent investigation of the Business and, in making the determination to proceed with the Transactions, Purchaser has relied on the results of its own independent investigation.

Section 6.3 Efforts and Actions to Cause Closing to Occur

(a) At all times prior to the Closing, upon the terms and subject to the conditions of this Agreement, Sellers and Purchaser shall use their reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done all things necessary, proper or advisable (subject to any Applicable Laws) to cause the Funding Date to occur and consummate the Closing and the other Transactions as promptly as practicable including, (i) the preparation and filing of all forms, registrations and notices required to be filed to cause the Funding Date to occur and consummate the Closing and the other Transactions and the taking of such actions as are necessary to obtain any requisite approvals, authorizations, consents, releases, orders, licenses, Permits, qualifications, exemptions or waivers by any Third Party or Governmental Entity, including the Specified Regulatory Approvals; and (ii) at the sole cost of Purchaser, the preparation of any documents reasonably requested by Purchaser in order to facilitate financing (if any) of any of the Transactions. In addition, subject to the terms of this Agreement, no party hereto shall take any action after the date hereof that would reasonably be expected to materially delay the obtaining of, or result in not obtaining, any permission, approval or consent from any Governmental Entity or other Person required to be obtained prior to the Closing as applicable. Each of Purchaser and Sellers shall bear their own costs, fees and expenses relating to the obtaining of any approvals, authorizations, consents, releases, orders, licenses, Permits, qualifications, exemptions or waivers referred to in this Section 6.3(a) except that Purchaser shall pay the filing fee required by the Competition Bureau in relation to any pre-notification filing or any filing of a request for an Advance Ruling Certificate made under the Competition Act, and any filing fees associated with the filings related to the FCC Consent and Industry Canada Approval shall be paid equally by Purchaser on the one hand and Sellers on the other hand.

(b) Prior to the Closing, other than with respect to the Investment Canada Approval, each of Sellers, on the one hand, and Purchaser, on the other hand, shall promptly consult with the other with respect to, provide any necessary information with respect to, and provide the other (or its counsel) with copies of, all filings made by such party with any Governmental Entity or any other information supplied by such party to a Governmental Entity in connection with this Agreement and the Transactions. Each of Sellers, on the one hand, and Purchaser, on the other hand, shall promptly provide the other with copies of any written communication received by it from any Governmental Entity regarding any of the Transactions. If any of Sellers or their respective Affiliates, on the one hand, and Purchaser or its Affiliate, on the other hand, thereof receives a request for additional information or documentary material from any such Governmental Entity with respect to any of the Transactions, then such party shall endeavor in good faith to make, or cause to be made, as soon as reasonably practicable and after consultation with the other, an appropriate response in compliance with such request. To the extent that Transfers, amendments or modifications of Permits are required as a result of the execution of this Agreement or consummation of any of the Transactions, Sellers shall use their reasonable best efforts to effect such Transfers, amendments or modifications.

(c) In addition to and without limiting the agreements of the parties contained above, Sellers and Purchaser shall, other than with respect to the Investment Canada Approval:

- (iv) use their respective commercially reasonable efforts to oppose any petitions to deny or other objections that may be filed with respect to the FCC Consent application or the Industry Canada Consent applications and any requests for reconsideration or review of the grant of the FCC Consent or the Industry Canada Consent, provided, however, that the parties shall have no obligation to participate in any evidentiary hearing before the FCC on the FCC Consent application. Neither Sellers nor Purchaser shall take any action that it knows or should know would adversely affect or delay the grant of FCC Consent or the Industry Canada Consent;
- (v) use reasonable best efforts to resolve such objections, if any, as may be asserted in connection with the FCC Consent, Industry Canada Consent, under any antitrust law or otherwise in connection with any other required approvals or consents;
- (vi) advise the other party promptly of any material communication received by such party from the FCC in connection with the FCC Consent, from Industry Canada or the Commissioner of Competition in connection with the Industry Canada Consent or from any Governmental Entity in connection with any of the Transactions;
- (vii) not make any submission or filings, and to the extent permitted by such Governmental Entity, participate in any meetings or any material conversations with Governmental Entities in respect of any required FCC Consent, Industry Canada Approval or Competition Act Approval unless the party consults with the other party in advance and gives the other party the opportunity to review drafts of any submissions or filings, and attend and participate in any communications or meetings; and
- (viii) where a party seeks not to provide the other party with any information under this Section 6.3 on grounds that such information is competitively sensitive, such party will be required to provide the information to the other party's external counsel and such external counsel will not provide the information to its client.

(d) Notwithstanding the foregoing or any other covenant herein contained, nothing in this Agreement shall be deemed to require Purchaser or Sellers to (i) commence any litigation against any Person in order to facilitate the consummation of any of the Transactions; (ii) take or agree to take any other action or agree to any limitation that would reasonably be expected to have a Purchaser Material Adverse Effect on the one hand, or a Material Adverse Effect on the other hand; (iii) agree to sell or hold separate any material assets, businesses, or interest in any material assets or businesses of Purchaser or Sellers, or to agree to any material changes or restrictions in the operation of any assets or businesses of Purchaser, Sellers or Solutions; (iv) defend against any litigation brought by any Governmental Entity seeking to prevent the consummation of, or impose limitations on, any of the Transactions; or (v) participate in an evidentiary hearing before the FCC in order to facilitate the consummation of any of the Transactions.

(e) Purchaser shall, as soon as reasonably practicable after the execution of this Agreement, but in no event more than twenty (20) Business Days after the execution of this Agreement, prepare and file with the Investment Review Division of Industry Canada an application for review under Part IV of the Investment Canada Act (the "Investment Canada Filing") and, as promptly as reasonably practicable following such filing, submit to the Director of Investments under the Investment Canada Act draft written undertakings to Her Majesty in Right of Canada, on terms and conditions satisfactory to Purchaser, acting reasonably, and in good faith and with a view to obtaining the Investment Canada Approval, and shall, in a timely manner, submit executed undertakings in connection with the Investment Canada Approval. With respect to the Investment Canada Approval, Sellers shall use commercially reasonable efforts to assist Purchaser in obtaining the Investment Canada Approval as Purchaser may reasonably request from time to time including, promptly providing such information and assistance as may be reasonably requested by Purchaser to assist in preparing the Investment Canada Act Filing and to satisfy, as promptly as reasonably practicable, any requests for information and documentation Purchaser receives from any Governmental Entity in respect of the Investment Canada Approval. Purchaser shall keep Sellers reasonably informed as to the status of the Investment Canada Approval proceedings and shall promptly advise Sellers of any material written or verbal communications Purchaser has with the Investment Review Division of Investment Canada staff or the Minister of Industry or his designee relating to the Investment Canada Approval. Information and documentation to be provided by Purchaser may be provided to counsel to Sellers on an external counsel basis and will not be communicated to Sellers.

Section 6.4 Notification of Certain Matters

Sellers shall give written notice to Purchaser promptly after becoming aware of (i) the occurrence of any event, which would be likely to cause any condition set forth in Article VII to be unsatisfied at any time from the date hereof to the Closing Date, (ii) any notice or other communication from (x) any Person alleging that the consent of such Person is or may be required in connection with any of the Transactions or (y) any Governmental Entity in connection with any of the Transactions or (iii) any actions, suits, claims, investigations, proceedings or written inquiries commenced relating to Sellers, Solutions, the Acquired Assets or the Business that, if pending on the date of this Agreement, would have been required to be disclosed pursuant to Section 4.9 or, if determined adversely to Sellers or Solutions, could materially and adversely affect any Seller, Solutions, the Acquired Assets or the Business; provided, however, that the delivery of any notice pursuant to this Section 6.4 shall not limit or otherwise affect the remedies available hereunder to Purchaser.

Section 6.5 Transition of the Business

. Sellers shall use reasonable best efforts to assist Purchaser in accomplishing a smooth transition of the Business from Sellers to Purchaser. In this regard, Sellers and Purchaser agree that they will enter into good faith discussions concerning the Business, including, personnel policies and procedures, and other operational matters relating to the Business.

Section 6.6 Submission for Court Approvals

(a) At least 48 hours prior to serving or filing any motion, application, pleading, schedule, report and other paper (including memoranda, exhibits, supporting affidavits and evidence and other supporting documentation) in their Bankruptcy Cases or in the CCAA Recognition Proceedings relating to or affecting the Transactions, including the Sale Motion (as defined below) and any such pleading seeking subsequent relief related thereto, Sellers shall provide a draft thereof to Purchaser and its counsel, and provide Purchaser (and its advisors and counsel) with a reasonable opportunity to consult within such 48 hour period with Sellers with respect to any and all such motions, applications, pleadings, schedules, reports and other papers.

(b) Sellers shall take all actions reasonably required to assume and assign the Designated Contracts to Purchaser, including taking all actions reasonably required to obtain a Bankruptcy Court order containing a finding that the proposed assumption and assignment of the Designated Contracts to Purchaser satisfies all applicable requirements of section 365 of the Bankruptcy Code.

(c) Sellers shall use reasonable best efforts to obtain, on or prior to the Funding Date, entry of a Final Order of the Bankruptcy Court providing that the Bankruptcy Court shall retain jurisdiction to hear and determine a motion to assign the Designated Contracts to a Third Party purchaser in an Alternative Sale, pursuant to section 365 of the Bankruptcy Code, including, without limitation, to determine whether the Sellers have provided "adequate assurance" to counterparties to the Designated Contracts within the meaning of, and as required by, sections 365(b) and 365(f) of the Bankruptcy Code.

(d) Promptly upon the execution of this Agreement, Sellers shall use reasonable best efforts to obtain as soon as possible, but subject to the full notice requirements of the Bankruptcy Code and Bankruptcy Rules, the requirements of the Purchaser Protections Order (and the bidding procedures contained therein) and the Bankruptcy Court's availability, the Bankruptcy Court's entry of the Sale Order, and thereafter the Canadian Court's entry of the Sale Recognition Order. Each of the Sale Order and the Sale Recognition Order shall be in form and substance reasonably satisfactory to Purchaser.

(e) If the Sale Order or the Sale Recognition Order shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing, reargument or leave to appeal shall be filed with respect to any such order), Sellers and Purchaser will cooperate in taking steps to reasonably diligently defend such appeal, petition or motion and use reasonable best efforts to obtain an expedited resolution of any such appeal, petition or motion.

Section 6.7 Employee Matters

(a) Prior to the Closing Date, Purchaser may, or may cause an Affiliate to, offer to employ, such employment to be effective on the Closing Date, each of the employees of Sellers (including those designated by the Chief Executive Officer of TerreStar Networks to be included therein and not to exceed a total number of 25 individuals) listed in the Key Employee Incentive Plan (each such employee who accepts an offer and commences working for Purchaser or its Affiliate on the Closing Date, a “Transferred Employee”) on terms and conditions that are at least the same as or better than the terms and conditions that are in effect for those employees immediately prior to the Closing Date (including, the terms of the Key Employee Incentive Plan), except as may be amended or supplemented by the Employment Term Sheets included as Exhibit I to the Sellers’ Plan Supplement dated as of February 2, 2011 [Docket No. 387]. Purchaser shall assume all Employee Obligations with respect to both Transferred Employees and the Sellers’ other employees; provided, that Purchaser shall not assume the Employee Obligations to the extent they exceed \$30 million in the aggregate. Sellers shall use reasonable efforts to cooperate with Purchaser in Purchaser’s recruitment of and offer to employ the Transferred Employees.

(b) Notwithstanding anything to the contrary contained in this Agreement, Sellers shall retain, and Purchaser shall not assume, any Employee Benefit Plans or Canadian Plans or any other arrangement or agreements with any employees of any Seller or any other Person. Specifically and without limiting the foregoing, Sellers shall retain and Purchaser does not assume any retention or sale bonus arrangements of any Seller with any such employee even if that employee is employed by Purchaser whether under Section 6.7(a) or otherwise. All Seller Liabilities to, or relating to, the Employee Benefit Plans or Canadian Plans, and all Seller Liabilities to, or relating to, any employee under such plans shall be Non-Assumed Liabilities, and Purchaser shall have no obligation or liability with respect to such Employee Benefit Plans and Canadian Plans. Purchaser and Sellers shall take all actions necessary to cause the retention by Sellers of all such Employee Benefit Plans and Canadian Plans.

(c) All material Employee Obligations in respect of each Employee have or shall have been paid in the ordinary course of business by Sellers prior to the Closing Date, or, if applicable, the date upon which the Employee commences employment with Purchaser as a Transferred Employee pursuant to Section 6.7(a), including premium contributions, remittance and assessments for unemployment insurance, employer health tax, Canada Pension Plan, Quebec Pension Plan, income tax, workers’ compensation and any other employment related legislation, accrued wages, taxes, salaries, commissions and employee benefit plan payments.

(f) At Purchaser’s request, as of immediately prior to the Closing Date (but conditioned upon the occurrence of the Closing), Sellers shall take all actions necessary or appropriate to terminate or cause to be terminated any or all of the Employee Benefit Plans that are intended to be tax-qualified within the meaning of Section 401(a) of the Code. Sellers and Purchaser shall cooperate in good faith prior to the Closing with respect to the preparation and execution of all documentation necessary to effect the foregoing termination, and Sellers shall provide Purchaser a reasonable opportunity to review and comment on all such documentation.

Section 6.8 Subsequent Actions

If at any time after the Closing Date, Purchaser or Sellers consider or are advised that any deeds, bills of sale, instruments of conveyance, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm ownership (of record or otherwise) in Purchaser, its right, title or interest in, to or under any or all of the Acquired Assets or otherwise to carry out this Agreement, including the assumption of the Assumed Liabilities, Purchaser or Sellers shall at Purchaser’s expense, execute and deliver all deeds, bills of sale, instruments of conveyance, powers of attorney, assignments, assumptions and assurances and take and do all such other actions and things as may be requested by the other party in order to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in Purchaser or otherwise to carry out this Agreement.

For the avoidance of doubt, this Section 6.8 shall survive the Closing.

Section 6.9 Publicity

. Prior to the Closing and without limiting or restricting any party from making any filing with the Bankruptcy Court with respect to this Agreement or the Transactions, no party shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other party, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of Purchaser or Sellers, disclosure is otherwise required by Applicable Law, the Bankruptcy Code or the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of the Securities Exchange Commission or any stock exchange on which Purchaser lists securities, provided that the party intending to make such release shall use its reasonable best efforts consistent with such Applicable Law, the Bankruptcy Code or Bankruptcy Court requirement to consult with the other party with respect to the text thereof.

Section 6.10 Tax Matters

(a) The Purchaser and the Sellers agree that the Purchase Price is exclusive of any Transfer Taxes. The Purchaser shall promptly pay directly to the appropriate Tax Authority all applicable Transfer Taxes that may be imposed upon or payable or collectible or incurred in connection with this Agreement or the transactions contemplated herein, or that may be imposed upon or payable or collectible or incurred in connection with the Transactions provided that if any such Transfer Taxes are required to be collected, remitted or paid by a Seller, such Transfer Taxes shall be paid by the Purchaser to such Seller at such time as such Transfer Taxes are required to be paid under Applicable Law.

(b) In the event that Sellers elect to file a plan of reorganization or liquidation in conjunction with the Transactions, Purchaser and Sellers covenant and agree that they will use their reasonable best efforts to obtain an order from the Bankruptcy Court pursuant to section 1146 of the Bankruptcy Code exempting, to the maximum extent possible, the Transfer of the Acquired Assets from Sellers to Purchaser from any and all Transfer Taxes (as hereinafter defined). To the extent the Transactions or any portion of the Transactions are not exempt from Transfer Taxes under section 1146 of the Bankruptcy Code, Purchaser shall be responsible for and shall pay all Transfer Taxes in accordance with Section 6.10(a). Purchaser and Sellers shall cooperate in providing each other with any appropriate certification and other similar documentation relating to exemption from Transfer Taxes (including any appropriate resale exemption certifications), as provided under Applicable Law.

(c) Purchaser and Sellers agree to furnish, or cause their Affiliates to furnish, to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets or the Business (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, and making of any election related to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return. Purchaser and Sellers shall cooperate, and cause their Affiliates to cooperate, with each other in the conduct of any audit or other proceeding related to Taxes and each shall execute and deliver such powers of attorney and other documents as are reasonably necessary to carry out the intent of this Section 6.10(c). Purchaser and Sellers shall provide, or cause their Affiliates to provide, timely notice to each other in writing of any pending or threatened tax audits, assessments or litigation with respect to the Acquired Assets or the Business for any taxable period for which the other party may have liability under this Agreement. Purchaser and Sellers shall furnish, or cause their respective Affiliates to furnish, to each other copies of all correspondence received from any taxing authority in connection with any tax audit or information request with respect to any taxable period for which the other party or its Affiliates may have liability under this Agreement.

(d) Real and personal property Taxes and assessments, and all rents, utilities and other charges, on the Acquired Assets for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date (the "Straddle Period Property Tax") shall be prorated on a per diem basis between Purchaser and Sellers as of the Closing Date; provided, however, that Sellers shall not be responsible for, or benefit from, any increased or decreased assessments on real or personal property resulting from the transactions contemplated hereby. All such prorations of Straddle Period Property Taxes shall be allocated so that items relating to time periods ending on or prior to the Closing Date shall be allocated to Sellers and items relating to time periods beginning after the Closing Date shall be allocated to Purchaser. The amount of all such prorations shall be settled and paid on the Closing Date. If any of the rates for the Straddle Period Property Taxes for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date are not established by the Closing Date, the prorations shall be made on the basis of such rates in effect for the preceding taxable period. The apportioned obligations under this Section 6.10(d) shall be timely paid and all applicable filings made in the same manner as set forth for the apportioned Transfer Taxes in Section 6.10(a) and (b).

(e) The Canadian Sellers and Purchaser shall jointly execute an election, where such election is available, under Section 22 of the Income Tax Act and the corresponding sections of any other applicable provincial statute and any regulations under such statutes with respect to the sale, assignment, transfer and conveyance of the Accounts Receivable. The Canadian Sellers and Purchaser further agree to make jointly the necessary elections and execute and file, within the prescribed delays, the prescribed election forms and any other documents required to give effect to the foregoing and shall also prepare and file all of their respective Tax Returns in a manner consistent with the aforesaid allocations.

(f) The Canadian Sellers and Purchaser shall each execute and file a joint election under subsection 20(24) of the Income Tax Act and the corresponding provisions of any other applicable provincial statute and any regulations under such statutes, within the prescribed time periods, as to such amount, if any, paid by the Canadian Sellers to Purchaser for undertaking future obligations of the Canadian Sellers for which an amount has been included in a Canadian Seller's income pursuant to paragraph 12(1)(a) of the Income Tax Act. In this regard, the Canadian Sellers and Purchaser acknowledge that part of the Acquired Assets was transferred to Purchaser as a payment by the Canadian Sellers to Purchaser for the assumption by Purchaser of such future obligations of the Canadian Sellers.

(g) Canadian Sellers and Purchaser shall, where such election is available, jointly execute an election under Section 167 of the Excise Tax Act (Canada) and the corresponding provisions of any applicable provincial statute and any regulations under such statutes on the forms prescribed for such purposes along with any documentation necessary or desirable in order to effect the transfer of the Acquired Assets by Canadian Sellers without payment of any GST/HST or any other applicable provincial tax. Purchaser shall file the election forms referred to above, along with any documentation necessary or desirable to give effect to such, with the tax authorities, together with Purchaser's GST/HST or any other applicable provincial tax returns for the reporting period in which the transactions contemplated herein are consummated. Notwithstanding such election, in the event that it is determined by the tax authorities that there is GST/HST or any other provincial tax liability of Purchaser to pay GST/HST or any other provincial tax on all or part of the Acquired Assets, the Canadian Sellers and Purchaser agree that such GST/HST or any other provincial tax shall, unless already collected from Purchaser and remitted by the Canadian Sellers, be forthwith remitted by Purchaser to the Canadian Sellers or to the tax authorities as required by the tax authorities, and Purchaser shall indemnify and save the Canadian Sellers harmless with respect to any such GST/HST or any other provincial tax liability arising herein, as well as any interest and penalties related thereto.

(h) The Canadian Sellers shall comply with the provisions of section 99 of the Social Services Tax Act (British Columbia) prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with that Act. The Canadian Sellers shall comply with the provisions of section 51 of the Revenue and Financial Services Act (Saskatchewan) ("Provincial Sales Tax Laws") prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with such Provincial Sales Tax Laws.

(i) At the Funding Date, Purchaser shall be registered under Part IX of the *Excise Tax Act* (Canada) and, if applicable, Chapter VIII of An Act Respecting the Quebec Sales Tax (Quebec) and shall provide its registration number to the Canadian Seller.

Section 6.11 Designation Dates

. On or prior to the date of the hearing with regard to the Purchaser Protections Motion, Purchaser shall make its final designations of all contracts, in accordance with Section 2.1(c) hereof, and may, prior to the Closing Date, revise Section 2.1(c) of the Disclosure Letter to exclude from the definition of Designated Contracts and to include in the definition of Retained Assets, any Contract previously included in the definition of Designated Contracts and not otherwise included in the definition of Retained Assets; provided, that no such final designation or revision shall reduce the amount of the Purchase Price.

Section 6.12 Prompt Payment of Cure Amounts; Prepayment of Designated Customer Contracts

(a) With respect to each Designated Contract, Sellers shall deposit into the Escrow Account, as soon as practicable after the Funding Date, all amounts (the "Cure Amounts") that (i) are required to be paid under section 365(b)(1)(A) or (b)(1)(B) of the Bankruptcy Code in order to assume and assign such contract, or (ii) are due pursuant to order of the Bankruptcy Court as a condition to assuming and assigning such Designated Contract; provided, however, that Cure Amounts that are the subject of a bona fide dispute shall be paid by Sellers within two (2) Business Days of the effectiveness of a settlement or order of the Bankruptcy Court, as the case may be, with respect thereto. All Cure Amounts deposited into the Escrow Account shall be thereafter held, invested and released by the Escrow Agent only in accordance with this Agreement and the Escrow Agreement. For the avoidance of doubt, the Cure Amounts that are required to be paid with respect to each Designated Contract shall, unless otherwise agreed to by Purchaser, be paid by Sellers on or about the effective date of a plan of reorganization.

(b) If there are any payments under any Designated Customer Contract invoiced and collected during the month ending on the Funding Date for services to be rendered under such Designated Customer Contract after the Funding Date, Sellers shall provide to Purchaser, no later than the third (3rd) Business Day after the Funding Date, a statement setting forth the amounts of such prepayments and the Designated Customer Contracts to which they relate. Sellers shall, concurrently with the delivery of the statement referred to in the preceding sentence, pay over to Purchaser an amount equal to such prepayments.

Section 6.13 Completion of Nonassignable Designated Contracts

. Sellers shall use their reasonable best efforts to obtain any consent, approval or amendment, if any, required to novate and/or assign any Designated Contract to be assigned to Purchaser hereunder which the Bankruptcy Court determines is not able to be assumed and assigned under section 365(c) of the Bankruptcy Code (a "Nonassignable Designated Contract"). Sellers shall keep Purchaser reasonably informed from time to time of the status of the foregoing and Purchaser shall cooperate with Seller in this regard. To the extent that the rights of Sellers under any Nonassignable Designated Contract, or under any other Asset to be assigned to Purchaser hereunder, may not be assigned without the consent of a Third Party which has not been obtained prior to the Closing this Agreement shall not constitute an agreement to assign the same at the Closing, if an attempted assignment would be unlawful. If any such consent has not been obtained or if any attempted assignment would be ineffective or would impair Purchaser's rights under the instrument in question so that Purchaser would not acquire the benefit of all such rights, then Sellers, to the maximum extent permitted by Applicable Law and the instrument, shall act as Purchaser's agent in order to obtain for Purchaser the benefits thereunder and shall cooperate, to the maximum extent permitted by Applicable Law and the instrument, with Purchaser in any other reasonable arrangement designed to provide such benefits to Purchaser; provided, however, that nothing contemplated by this Section 6.13 shall reduce the amount of the Purchase Price.

Section 6.14 No Violation

Purchaser will not assume ownership or control (whether *de facto* or *de jure*) of the FCC Licenses and Industry Canada Licenses of Sellers hereunder in a manner that violates any Communications Laws of the United States or Canada.

Section 6.15 Insurance; Risk of Loss

Until the Funding Date, Sellers shall bear the risk of any loss or damage to the Acquired Assets from fire, casualty or any other occurrence. Sellers shall maintain insurance coverage substantially similar to Sellers' policies in effect as of the date hereof for the period from the date hereof until the Closing Date with respect to the Business and the Acquired Assets for events occurring, circumstances existing and Seller Liabilities accruing before the Closing Date. Following the Funding Date, Purchaser shall have the benefit of any unexpired portion of Sellers' insurance coverage, and Sellers will use commercially reasonable efforts to, on or prior to the Funding Date, cause Purchaser to be named as the insured party or loss payee under all insurance policies maintained by Sellers or Sold Companies relating to the Acquired Assets to the extent unexpired, and in the event any proceeds become payable under such unexpired insurance policies relating to occurrences or events after the Funding Date and are not paid to Purchaser, Sellers shall and shall cause the Sold Companies to hold such proceeds in trust for the benefit of Purchaser, and shall pay over such proceeds without any deduction to Purchaser promptly after receipt thereof. Nothing herein shall require Sellers to maintain insurance coverage in respect of any Acquired Asset after the Closing Date.

Section 6.16 Purchaser Protections

Sellers shall: (a) no later than June 15, 2011, file the Purchaser Protection Motion; and (b) no later than June 24, 2011, obtain entry of the Purchaser Protections Order by the Bankruptcy Court.

Section 6.17 Use of Proceeds of Funding Date Payment

(a) Sellers shall: (i) no later than two (2) Business Days after the Debtors determine, in consultation with the Creditors Committee that the Purchaser is the winning bidder at the auction, file with the Bankruptcy Court a motion, in form and substance reasonably acceptable to Purchaser, seeking authority to use the proceeds of the Funding Date Payment to repay in full, on the Funding Date or as soon as reasonably practicable thereafter, all of Sellers' outstanding secured indebtedness, including, without limitation, Sellers' outstanding obligations under (A) the DIP Credit Agreement, (B) the Senior Secured Notes, and (C) the Purchase Money Credit Agreement; and (ii) use their reasonable best efforts to obtain, no later than twenty-six (26) Business Days after filing the motion required by subclause (i) of this Section 6.17(a), entry of a Final Order of the Bankruptcy Court granting the Sellers authority to make the payments set forth in subclause (i) of this Section 6.17(a).

(b) Sellers and Purchaser acknowledge and agree that this [Section 6.17](#) is integral to this Agreement.

Section 6.18 [Entry into New DIP Agreement](#)

If, within three (3) Business Days after the date of this Agreement (such third Business Day, the “[DIP Agreement Amendment Date](#)”), the DIP Credit Agreement has not been amended to provide that upon entry of the Sale Order, additional debtor-in-possession financing shall be made available to Sellers from the date of entry of the Sale Order (or the current maturity date of the DIP Credit Agreement, if earlier) to the Funding Date (the “[Amended DIP Credit Agreement](#)”), Parent shall enter into an agreement to provide such debtor-in-possession financing to Sellers as soon as practicable, but in no event more than five (5) Business Days following the [DIP Agreement Amendment Date](#). Purchaser acknowledges that entry into the [Amended DIP Credit Agreement](#) is an integral part of the transactions contemplated by this Agreement and that any breach by Purchaser of this [Section 6.18](#) shall be incapable of being cured.

Section 6.19 [Parent Obligations](#).

(a) Parent agrees to take all action necessary to cause Purchaser to perform all of its agreements, covenants and obligations under this Agreement that arise prior to the Closing Date. Parent unconditionally guarantees to Sellers the full and complete performance by Purchaser of its obligations under this Agreement with respect to payment of the Purchase Price. This is a guarantee of payment and performance and not of collectability. Parent hereby waives diligence, presentment, demand of performance, filing of any claim, any right to require any proceeding first against Purchaser, protest, notice and all demands whatsoever in connection with the performance of its obligations set forth in this [Section 6.19](#).

(b) Parent hereby expressly acknowledges and agrees to be bound by the following provisions of this Agreement: [Section 5.11](#) (Qualification to Hold Communications Licenses), [Section 6.18](#) (Entry into New DIP Agreement), [Section 6.19](#) (Parent Obligations), [Section 9.3](#) (Notices), [Section 9.4](#) (Counterparts), [Section 9.6](#) (Severability), [Section 9.7](#) (Governing Law), [Section 9.8](#) (Exclusive Jurisdiction), [Section 9.9](#) (Remedies), [Section 9.10](#) (Specific Performance), [Section 9.11](#) (Purchaser Acknowledgement), the first sentence of [Section 9.12](#) (Successors and Assigns), [Section 9.13](#) (Headings) and [Section 9.17](#) (Interpretation).

(c) Parent shall be entitled to withhold from any amount payable pursuant to this [Section 6.19](#), such amounts as Parent is required to deduct and withhold with respect to the making of such payment under any provision of applicable federal, state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Tax Authority by Parent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers.

(e) By Purchaser or Sellers upon written notice given to Purchaser, if:
