PROXY STATEMENT  
OF  
ECHOSTAR COMMUNICATIONS CORPORATION

## GENERAL

This Proxy Statement is being furnished to the shareholders of EchoStar Communications Corporation ("EchoStar" or the "Corporation") in connection with the 2001 Annual Meeting of Shareholders of EchoStar (the "Annual Meeting") to be held on Friday, May 4, 2001, at 10:00 a.m. at EchoStar's headquarters located at 5701 South Santa Fe Drive, Littleton, Colorado 80120.

EchoStar's mailing address is 5701 South Santa Fe Drive, Littleton, Colorado 80120. This Proxy Statement and the accompanying proxy are first being sent or given on or about April 6, 2001, to shareholders of record as of the close of business on March 22, 2001 of EchoStar's Class A Common Stock, \$0.01 par value ("Class A Shares"), and EchoStar's Class B Common Stock, \$0.01 par value ("Class B Shares"), collectively (the "Shares").

The accompanying proxy is being solicited by EchoStar's Board of Directors. It may be revoked by written notice given to the Corporate Secretary at any time before being voted. The proxy card, which is attached to this form, if properly executed, duly sent to EchoStar and not revoked will be voted for the proposals described in this Proxy Statement, in accordance with the instructions set forth on the proxy card. The Board of Directors is not aware of any matters proposed to be presented at the Annual Meeting other than the election of Directors of the Corporation and the ratification of the appointment of Arthur Andersen LLP as EchoStar's independent accountants for the fiscal year ending December 31, 2001. If any other proposal is properly presented, the persons named in the accompanying form of proxy will have discretionary authority to vote thereon in accordance with their best judgment. Presence at the Annual Meeting does not of itself revoke the proxy.

## SECURITIES ENTITLED TO VOTE

Shareholders of record on March 22, 2001 are entitled to notice of the Annual Meeting and to vote their Shares at the Annual Meeting. On that date, 236,342,581 Class A Shares and 238,435,208 Class B Shares were issued and outstanding. Each of the Class A Shares is entitled to one vote per share on each proposal to be considered by shareholders. Each of the Class B Shares is entitled to ten votes per share on each proposal to be considered by shareholders.

## VOTE REQUIRED

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of EchoStar's voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of a plurality of the total votes cast is necessary to elect a Director. No cumulative voting is permitted. The affirmative vote of the majority of the total votes cast at the Annual Meeting is required to approve the proposal to ratify the appointment of Arthur Andersen LLP as EchoStar's independent accountants for the fiscal year ending December 31, 2001.

The total number of votes cast "for" will be counted for purposes of determining whether sufficient affirmative votes have been cast to approve each proposal. Abstentions from voting on a proposal by a shareholder at the Annual Meeting, as well as broker non-votes, will be considered for purposes of determining the number of total votes present at the Annual Meeting. Abstentions will have the same effect as votes against proposals, but will not affect the election of Directors. Broker non-votes will not be considered as votes "for" or "against" proposals, and will therefore not be considered in determining the election of Directors or whether the proposal to ratify the appointment of Arthur Andersen LLP has passed.

Through his ownership of Class B Shares, Charles W. Ergen, the Chairman, Chief Executive Officer and President of EchoStar, possesses more than 90% of the total voting power of the Corporation. Mr. Ergen has stated that he will vote in favor of the proposal to be considered at the Annual Meeting and for the election of each of the nominee Directors. Accordingly, approval of the proposals and the election of each of the Directors is assured notwithstanding a negative vote by any or all shareholders other than Mr. Ergen.

## PROPOSAL NO. 1 - ELECTION OF DIRECTORS

## NOMINEES

At the Annual Meeting, EchoStar's shareholders will elect seven Directors, in each case to hold office until the next annual meeting of shareholders of EchoStar or until their respective successors shall be duly elected and qualified. The affirmative vote of a plurality of the total votes cast is necessary to elect a Director. Each nominee has consented to their nomination and has advised EchoStar that they intend to serve the entire term, if elected. In connection with recent changes in the rules and regulations governing the audit committees of public companies, in March 2001, EchoStar's Board of Directors approved an increase in the size of the Board of Directors from five Directors to seven Directors. Upon election to the Board of Directors, it is expected that Michael Schroeder will immediately join and serve on the Audit Committee of the Board of Directors.

#### BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors currently has an Executive Compensation Committee and an Audit Committee, both of which were established in October 1995. Mr. Friedlob and Mr. Daines were the sole members of both the Audit and Executive Compensation Committees during 2000. The principal functions of the Executive Compensation Committee are to approve compensation of Executive Officers of EchoStar and to award grants to Executive Officers under EchoStar's 1995 Stock Incentive Plan (the "1995 Incentive Plan"), 1999 Incentive Plan and Long Term Incentive Plan, collectively (the "Incentive Plans"). The principal functions of the Audit Committee are to: (i) recommend to the Board of Directors the selection of independent public accountants; (ii) review management's plan for engaging EchoStar's independent public accountants during the year to perform non-audit services and consider what effect these services will have on the independence of the accountants; (iii) review the annual financial statements and other financial reports which require approval by the Board of Directors; (iv) review the adequacy of EchoStar's system of internal accounting controls; and (v) review the scope of the independent public accountants' audit plans and the results of the audit. The Audit Committee operates under an Audit Committee Charter adopted by our Board of Directors, a copy of which is included as Appendix A to this proxy statement.

During the fiscal year ended December 31, 2000, the Board of Directors held 9 meetings and acted by unanimous written consent in lieu of a meeting on 12 occasions. The Compensation Committee held 10 meetings during 2000 and the Audit Committee held three meetings during 2000. Each Director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board of Directors held during the period in which he was a Director, and; (ii) the total number of meetings held by all committees of the Board of Directors on which he served.

Directors are elected annually and serve until their successors are duly elected and qualified. Officers serve at the discretion of the Board of Directors.

Soraya Hesabi-Cartwright	250,000(2)	9.6%	\$33.109	June 30, 2010	6,682,550

(1) In March 2000, EchoStar adopted the 2000 Executive Bonus Plan which provided, among other things, each Named Executive Officers with an option to purchase up to 9,000 Class A Shares, depending upon EchoStar's achievement of certain financial and other goals. EchoStar did not meet any of the goals during 2000. Accordingly, all stock options granted pursuant to the 2000 Executive Bonus Plan were cancelled.

(2) In June 2000, the Corporation granted options to Mr. Ergen, Mr. Dugan, and Ms. Hesabi-Cartwright to purchase Class A Shares. The options vest at the rate of 20% per year, commencing June 30, 2000 and generally expire ten years from the date of grant, subject to early termination in certain circumstances. See "- Stock Incentive Plan."

(3) Option values reflect the Black-Scholes model output for options. The Black-Scholes option valuation model was developed for use in estimating the fair value of traded options which have no vesting restrictions and are fully transferable. In addition, option valuation models require the input of highly subjective assumptions including the expected stock price characteristics significantly different from those of traded options, and because changes in the subjective input assumptions can materially affect the fair value estimate, in management's opinion, the existing models do not necessarily provide a reliable single measure of the fair value of its stock-based compensation awards. The assumptions used in the model were expected volatility of 98%, risk free rate of return of 6.19%, dividend yield of 0%, and time to exercise of six years.

The following table provides information as of December 31, 2000, concerning unexercised options to purchase Class A Shares:

## EXECUTIVE COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Prior to October 1995, EchoStar did not have an Executive Compensation Committee, and its Board of Directors determined all matters concerning executive compensation. During 2000, the Executive Compensation Committee consisted of Messrs. Friedlob and Daines. Mr. Friedlob is a partner in the law firm of Friedlob, Sanderson, Paulson & Tourtillot, LLC, which billed EchoStar approximately \$299,000 in fees related to legal services and securities offerings in 2000, of which approximately \$177,000 was ultimately paid by third parties.

## DIRECTOR COMPENSATION

EchoStar's Directors who are not also employees receive \$500 for each meeting of the Board of Directors attended and are reimbursed for reasonable travel expenses related to attendance at Board meetings. EchoStar's Directors who are employees are not compensated for their services as Directors. EchoStar's Directors are elected annually by the shareholders of the Corporation. Directors who are not also employees of EchoStar are granted options under the 1995 Non-employee Director Stock Option Plan (the "Director Plan") to acquire Class A Shares upon election to the Board.

Mr. Friedlob was granted an option to acquire 8,000 Class A Shares on December 22, 1995 pursuant to the Director Plan. These options were 100% vested upon issuance and had an exercise price of \$2.53125 per share and a term of five years. These options were repriced to \$2.1250 per share during July 1997, as discussed below. In February 1997, Mr. Friedlob was granted an option to acquire 40,000 Class A Shares. These options were 100% vested upon issuance and have an exercise price of \$2.1250 and a term of five years. In February 1999, Mr. Friedlob was granted an option to acquire 40,000 Class A Shares. These options were 100% vested upon issuance and have an exercise price of \$6.00 and a term of five years. Mr. Friedlob was granted an option to acquire an additional 10,000 Class A Shares during June 2000. These options were 100% vested upon issuance and have an exercise price of \$33.109 and a term of five years.

In March 1998, upon appointment to EchoStar's Board of Directors, Mr. Daines was granted an option to acquire 8,000 Class A Shares. These options were 100% vested upon issuance, have an exercise price of \$2.75, and a term of five years. Additionally, in February 1999, Mr. Daines was granted an option to acquire 40,000 Class A Shares. These options were 100% vested upon issuance, have an exercise price of \$6.00, and a term of five years. Mr. Daines was granted an option to acquire an additional 10,000 Class A Shares during June 2000. These options were 100% vested upon issuance and have an exercise price of \$33.109 and a term of five years.

## STOCK INCENTIVE PLANS

EchoStar adopted Incentive Plans to provide incentives to attract and retain Executive Officers and other key employees. EchoStar's Executive Compensation Committee administers the Incentive Plans. Key employees are eligible to receive awards under the Incentive Plans at the Committee's discretion.

Awards available under the Incentive Plans include: (i) common stock purchase options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. EchoStar has reserved up to 160 million Class A Shares for granting awards under the Incentive Plans. Under the terms of the Incentive Plans, the Executive Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding awards and to reprice awards.

Pursuant to the Incentive Plans, EchoStar has granted options to its Executive Officers and other key employees for the purchase of a total of 50,799,400 Class A Shares. Options to purchase 25,117,893 Class A Shares were outstanding as of December 31, 2000. These options generally vest at the rate of 20% per year, commencing one year from the date of grant and 20% thereafter on each anniversary of the date of grant. The exercise prices of these options, which have generally been equal to or greater than the fair market value at the date of grant, have ranged from \$1.16625 to \$79.00 per Class A Share. Certain of these stock options were repriced as described below.

Effective July 1, 1997, the Executive Compensation Committee voted to reprice all outstanding options with an exercise price greater than \$2.125 per Class A Share to \$2.125 per Class A Share. The price to which the options were repriced exceeded the fair market value of a Class A Share as of the date of repricing. The market value of Class A Shares on the date of repricing was \$1.90625 per Class A Share. The Executive Compensation Committee and the Board of Directors indicated that they would not typically consider reducing the exercise price of previously granted options. However, the Executive Compensation Committee and the Board of Directors recognized that certain events beyond the reasonable control of the employees of EchoStar had significantly reduced the incentive those options were intended to create. It was the expectation of the Executive Compensation Committee and the Board of Directors that by reducing the exercise price of these options to \$2.125, the intended incentive would be restored in part.

The following table provides information concerning the repricing of Incentive Plan stock options:

## LAUNCH BONUS PLAN

During 2000, in connection with the launch of EchoStar's sixth satellite, EchoStar granted a performance award of ten Class A Shares to all eligible employees. Eligible employees included full-time employees of EchoStar or one of its subsidiaries, with a hire date on or before April 1, 2000, and part-time employees of EchoStar or one of its subsidiaries with a hire date on or before April 1, 2000 who had worked at least 1,000 hours prior to April 1, 2001. All eligible employees must have also been continuously employed with EchoStar or one of its subsidiaries from April 1, 2000 through March 31, 2001. Issuance of the Class A Shares is contingent upon the successful launch and operation of EchoStar VI and is also contingent on there being no insurance claims and no losses prior the issuance date related to EchoStar IV, including in-orbit performance. EchoStar expects to distribute approximately 35,000 Class A Shares pursuant to the EchoStar VI launch bonus plan. EchoStar may elect to grant a similar performance award in connection with the launch of future satellites, including the EchoStar VII and EchoStar VIII launches currently scheduled for the fourth quarter of 2001 and first quarter of 2002, respectively.

## 401(k) PLAN

In 1983, EchoStar adopted a defined-contribution tax-qualified 401(k) Plan. EchoStar's employees become eligible for participation in the 401(k) Plan upon completing six months of service with EchoStar and reaching age 19. 401(k) Plan participants may contribute between 1% and 15% of their compensation in each contribution period, subject to the maximum deductible limit provided by the Internal Revenue Code. EchoStar may make a 50% matching contribution up to a maximum of \$1,000 per participant per calendar year. EchoStar may also make an annual discretionary profit sharing or employer stock contribution to the 401(k) Plan with the approval of the Board of Directors. EchoStar has not yet determined the amount to be contributed, if any, during 2001 relating to its 2000 discretionary contribution.

401(k) Plan participants are immediately vested in their voluntary contributions, plus actual earnings thereon. The balance of the vesting in 401(k) Plan participants' accounts is based on years of service. A participant becomes 20% vested after one year of service, 40% vested after two years of service, 60% vested after three years of service, 80% vested after four years of service, and 100% vested after five years of service.

## PERFORMANCE GRAPH

The graph below sets forth the cumulative total return to EchoStar's shareholders during the period from December 29, 1995 to December 29, 2000. The graph appearing below assumes the investment on December 29, 1995 of \$100 in Class A Shares of the Corporation, the Nasdaq Stock Market Index, and an industry peer group. The industry peer group consists of, Adelphia Communications Corporation, Cablevision Systems Corporation, Comcast Corporation, Cox Communications Inc., Hughes Electronics Corporation, Pegasus Communications Corporation, AT&T Corp. and AOL Time Warner, Inc. ("Industry Peer Group"). Although the companies included in the industry peer group were selected because of similar industry characteristics, they are not entirely representative of the Corporation's business.

#### REPORT ON EXECUTIVE COMPENSATION

##### GENERAL

The purpose of EchoStar's compensation policy is to offer compensation packages to attract, retain and motivate Executive Officers over the long term. Since 1996, executive compensation has been reviewed by the Executive Compensation Committee (the "Committee"). The primary components of EchoStar's executive compensation program are base salary and bonuses, conditional incentive-based bonuses and long-term incentive compensation in the form of stock options and other awards offered under EchoStar's Incentive Plans.

##### BASE SALARIES AND BONUSES

Annual base salaries paid to EchoStar's Executive Officers have historically been at levels significantly below those generally paid to Executive Officers with comparable experience and responsibilities in the telecommunications industry or other similarly sized companies. Because of the levels of compensation, EchoStar may experience difficulty in attracting and retaining Executives at the highest performance levels. The Committee reviews all adjustments to annual base salaries paid to EchoStar's Executive Officers. Compensation adjustments are determined based on recommendations from the Chief Executive Officer. Factors considered by Mr. Ergen in making his recommendation to the Committee are typically based on his perception of the individual's performance, success in achieving company and personal goals, and planned changes in responsibilities. An individual's extraordinary efforts resulting in tangible increases in corporate, division or department success are also considered by Mr. Ergen in recommending increases in base salary and annual bonuses.

##### INCENTIVE COMPENSATION

Stock option grants under EchoStar's Incentive Plans are designed to provide an additional incentive to attract and retain Executive Officers. In addition, stock options provide an incentive to Executive Officers to increase shareholder value on a long-term and sustained basis. Management believes that Executive Officers who are in a position to contribute to the long-term success of EchoStar and to build incremental shareholder value, should have a stake in EchoStar's future success. This focuses attention on managing EchoStar as an owner with an equity position in EchoStar's business and seeks to align the Executive Officer's interests with the long-term interests of shareholders. Stock options represent an important part of EchoStar's compensation program for Executive Officers, and, similar to other growing technology companies, represents a significant component of overall compensation.

##### General Incentives

Awards under the 1995 Incentive Plan follow a review of the individual employee's performance, years of service, position with EchoStar, and long-term potential contribution to EchoStar. The number of options to be granted to an employee are determined based upon the key employee's level of responsibility, position in EchoStar and potential to contribute to the long-term success of EchoStar and on the number of options previously granted to the employee. Neither Management nor the Board of Directors assigns specific weights to these factors, although the employee's position and a subjective evaluation of his performance are considered most important.

Stock options were awarded under the 1995 Incentive Plan to certain Executive Officers and certain key employees on March 31, June 30, September 30, and December 31, 2000. To encourage Executive Officers to remain employed by EchoStar or its subsidiaries, options granted under the 1995 Incentive Plan generally vest at the rate of 20% per year and generally are granted at exercise prices not less than fair market value.

## Conditional Incentives

On February 17, 1999, each of the Named Executives also was granted an option to purchase 400,000 Class A Shares under the Corporation's Long Term Incentive Plan. The plan, which provided key employees with stock options, the exercise of which is contingent on the achievement of certain long-term goals, was adopted by the Corporation during February 1999. As of the date of this Proxy Statement the achievement of those goals and consequent exercisability of the options, can not reasonably be predicted. Subject to the contingency, the options vest at the rate of 20% per year, commencing March 31, 2000 and expire ten years from the date of grant, subject to early termination in certain circumstances.

In February 2000, EchoStar adopted the 2000 Executive Bonus Plan which provided, among other things, each Named Executive Officers with an option to purchase up to 9,000 Class A Shares, depending upon EchoStar's achievement of certain financial and other goals. EchoStar did not meet any of the goals during 2000. Accordingly, all stock options granted pursuant to the 2000 Executive Bonus Plan were cancelled.

## COMPENSATION OF CHIEF EXECUTIVE OFFICER

The Committee believes that the compensation paid to Charles W. Ergen, EchoStar's Chief Executive Officer, has generally been at a level that is substantially below amounts paid to Chief Executive Officers at other companies of similar size and in comparable industries.

Mr. Ergen's base salary for each of fiscal 2000 and fiscal 1999 was \$250,000. Since 1996, changes in Mr. Ergen's base salary are reviewed annually by the Committee based on recommendations from the Board of Directors. During 2000, Mr. Ergen was granted options to purchase 500,000 Class A Shares in connection with the 1995 Incentive Plan. Mr. Ergen also received a bonus of \$750,000 during 2000 which was contingent upon the successful launch and operation of EchoStar's sixth satellite, EchoStar VI, as the conclusion of the 1999 transaction with The News Corporation and MCI Telecommunications.

The report of the Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that EchoStar specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Respectfully submitted,

The EchoStar Executive Compensation Committee

O. Nolan Daines

## REPORT OF THE AUDIT COMMITTEE

We have reviewed and discussed the audited financial statements of EchoStar for fiscal 2000 with management. We also have discussed the audited financial statements with EchoStar's independent auditors. Our discussions with the independent auditors included, among other things, discussions relating to the auditor's responsibility under generally accepted auditing standards, the processes used by our management in formulating accounting estimates, significant adjustments made during the audit, any disagreements with our management and any difficulties encountered by the independent auditors in performing the audit. We also reviewed written disclosures from the independent auditors relating to any and all relationships between them and EchoStar, and we discussed with the auditors any relationship that might affect the objectivity or independence of the independent auditors.

Based on those discussions, we are not aware of any relationship between the independent auditors and EchoStar that affects the objectivity or independence of the independent auditors. Based on the discussions and our review discussed above, we recommended to the Board of Directors that the audited financial statements for fiscal 2000 be included in EchoStar's 2000 Annual Report to shareholders.

Respectfully submitted,

The EchoStar Audit Committee

Raymond L. Friedlob  
O. Nolan Daines

AMENDED AND RESTATED CHARTER OF  
THE AUDIT COMMITTEE OF  
THE BOARD OF DIRECTORS OF  
ECHOSTAR COMMUNICATIONS CORPORATION

JUNE 14, 2000

The board of directors (the "Board of Directors") of EchoStar Communications Corporation (the "Corporation") hereby establishes an audit committee (the "Audit Committee"), as a standing committee of the Board of Directors, which shall have the responsibilities described below and shall use the means described below to carry out such responsibilities.

STATEMENT OF POLICY

Primary responsibility for the Corporation's financial reporting and internal controls is vested in the management of the Corporation, as overseen by the Board of Directors. The Audit Committee shall provide assistance to the Board of Directors in fulfilling their responsibility to the shareholders, potential shareholders and the investing community relating to corporate accounting, reporting practices, and the quality and integrity of the financial reports of the Corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the Board of Directors, the independent auditors, the internal auditors and the financial management of the Corporation. The Audit Committee shall provide oversight and review of the Corporation's accounting and financial services, internal operating controls and its ethical standards in consultation with the independent auditors and the General Counsel of the Corporation.

The Audit Committee shall be the Board of Directors' principal agent in ensuring the independence of the independent auditors, the integrity of management, and the adequacy of disclosures to shareholders. In performing its designated functions, described herein, the Audit Committee shall not assume or diminish management's responsibility for the content of the information disseminated by the Corporation.

COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall be composed of at least two members (and, effective June 14, 2001, at least three members), comprised solely of Independent Directors (as defined below), each of whom is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. In addition to the foregoing, at least one (1) member of the Audit Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. Without limitation of the foregoing, members of the Audit Committee are not expected to be nor held to be experts in the fields of accounting, finance, auditing or SEC disclosure requirements. Notwithstanding the foregoing, one member of the Board of Directors who is not an Independent Director, and is not a current employee or an Immediate Family (as defined below) member of an employee, may be appointed to the Audit Committee, if the Board of Directors, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Corporation and its shareholders, and the Board of Directors discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. The members of the Audit Committee shall be appointed by the Board of Directors and shall serve until each annual meeting of the shareholders of the Corporation and until their successors are duly appointed.

For purposes of this Charter, "Independent Director" means a person other than an officer or employee of the Corporation or its subsidiaries or any other individual having a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a member of the Board of Directors. In furtherance and without limitation of the foregoing, the following persons shall not be considered independent:

- (a) a member of the Board of Directors who is employed by the Corporation or any of its affiliates for the current year or any of the past three years;
- (b) a member of the Board of Directors who accepts any compensation from the Corporation or any of its affiliates in excess of Sixty Thousand Dollars (\$60,000.00) during the previous fiscal year, other than compensation for service on the Board of Directors, benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (c) a member of the Board of Directors who is a member of the Immediate Family of an individual who is, or has been in any of the past three years, employed by the Corporation or any of its affiliates as an executive officer. For purposes of this Subsection (c), "Immediate Family" includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, daughter-in-law, and anyone who resides in such person's home;
- (d) a director who is a partner in, or a controlling shareholder or an executive officer of, any for-profit business organization to which the Corporation made, or from which the Corporation received payments (other than those arising solely from investments in the Corporation's securities) that exceed five percent (5%) of the Corporation's or business organization's consolidated gross revenues for that year, or Two Hundred Thousand Dollars (\$200,000.00), whichever is more, in any of the past three years; or
